

City Council

Regular Meeting & Work Session Agenda

Monday, September 16, 2024
6:00 PM or immediately following
the EDA meeting
(whichever is later)
Elk River City Hall

- Regular meeting in Council Chambers
 - Work Session meeting in Upper Town Conference Room immediately following regular meeting
-

1. CALL MEETING TO ORDER

2. PLEDGE OF ALLEGIANCE

3. CONSIDER AGENDA

4. CONSENT AGENDA

Considered to be routine and noncontroversial and will be approved by one motion. There will be no separate discussion of these items unless there is a request to remove the item from the consent agenda to the regular agenda.

4.1 September 3, 2024, Meeting Minutes

4.2 Check Register

4.3 Employee Termination

5. OPEN FORUM

An opportunity to provide comments and feedback regarding items not on the agenda. Information provided in Open Forum will not be discussed at this meeting; rather, the information will be referred to staff and/or scheduled for discussion at a future meeting.

6. PRESENTATIONS, AWARDS, AND RECOGNITION

6.1 City of Elk River Volunteer of the Month

6.2 Award Recognition: Communications Team

6.3 Proclamation: Constitution Week

6.4 Elk RiverFest and Sips on Main 2024 Recap

7. PUBLIC HEARINGS

An opportunity for the public to express their opinions and raise questions pertaining to the agenda item. All comments become part of the official public record. For this reason, all comments must be made at the podium so they can be heard and recorded. Comments may also be provided in writing. There will not be deliberations, discussions, or answers to questions until the hearing is closed. It is important to be courteous and allow each presenter to comment before adding additional testimony.

7.1 Simple Plat: Resolution 24-52 - Pullman Place Second Addition, PID 75-00729-0010 - DigniSuites ER

7.2 Conditional Use Permit: Senior Housing/Memory Care Facility, PID 75-00729-0010 - DigniSuites

- 7.3 Conditional Use Permit: Religious Institution, 21695 Elk Lake Rd NW - River of Life Church
- 7.4 Conditional Use Permit and Platted Exemption Resolution 24-53: Vehicle Sales and Service, 17094 Vance St NW - Cornerstone KIA
- 7.5 Resolution 24-54 for Land Use Amendment, Ordinance 24-20 for Zone Change, and Preliminary Plat: Meadowsweet Bend Residential Subdivision - Twin Cities Land Development
- 7.6 Conditional Use Permit: Government Facility (Electrical Substation), PID 75-00915-0105 - Elk River Municipal Utilities

8. GENERAL BUSINESS

Items in which the information is presented by city staff or consultants, then deliberation and action occur. General Business items are not opportunities to receive or provide public input. However, the presiding officer may, at its sole discretion, solicit public feedback.

- 8.1 Set Budget Meeting Date and Adopt Resolution 24-55 Preliminary 2025 Tax Levy
- 8.2 EDA Resolution 24-56 and HRA Resolution 24-57 - 2025 Budget and Tax Levy

9. MOTION TO ADJOURN REGULAR MEETING

10. WORK SESSION – UPPER TOWN CONFERENCE ROOM

Work Sessions are less formal meetings to encourage dialog. Official action or votes are not typically taken. At the conclusion of a discussion, a simple consensus provides staff direction for execution of the item. This portion of the agenda is audio recorded but not video recorded or broadcast. Work Sessions are open to the public; however, visitors who wish to provide input must be invited by the presiding officer, assume a seat at the discussion table and provide their full name and address for the official record.

- 10.1 Commercial Tobacco Use
- 10.2 Elk RiverFest 2025
- 10.3 FT Center User Group Rentals Policy and Procedures.
- 10.4 FT Center Leased Space Rental Rate

11. MOTION TO ADJOURN

12. INFORMATION

- 12.1 August Financial Reports

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

**Meeting of the City Council
Held at the Elk River City Hall
Tuesday, September 3, 2024**

Members Present: Mayor John Dietz, Councilmember Jennifer Wagner, Councilmember Mike Beyer, Councilmember Matt Westgaard, Councilmember Cory Grupa

Members Absent: None

Others Present: Attorney Jack Brooksbank (Campbell Knutson)

Staff Present: City Administrator Cal Portner, Senior Planner Chris Leeseberg, Business Services Director/Assistant City Administrator Joe Stremcha, Street and Park Superintendent Tim Sevcik, Community Development Director Zack Carlton, Interim Police Chief Darren McKernan, and Records Specialist Katie Porath.

1. CALL MEETING TO ORDER

Pursuant to due call and notice thereof, the meeting was called to order at 6:30 PM.

2. PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was recited.

3. CONSIDER AGENDA

Mayor Dietz asked to remove Item 4.12 for further discussion.

Moved by Councilmember Wagner and seconded by Councilmember Westgaard to approve the agenda, as amended. Motion Carried 5-0.

4. CONSENT AGENDA

Moved by Councilmember Beyer and seconded by Councilmember Grupa to approve the following consent items as outlined in their respective staff reports with the removal of Item 4.12. Motion Carried 5-0.

4.1 August 5, 2024, Meeting Minutes

4.2 August 12, 2024, Meeting Minutes

4.3 August 19, 2024 Meeting Minutes

4.4 Check Register

4.5 Temporary On-Sale Liquor License: Davis-Darrow-Meyer American Legion Post 112

4.6 Resolution 24-50: Condemnation through Eminent Domain - 19116 Troy St. NW

4.7 Severance Agreement and Waiver of Claims - Dalton

4.8 Severance Agreement and Waiver of Claims - Czech

4.9 Event Server Position Description

4.10 Hire Wastewater Operator

4.11 Contract Award: Rivers Edge Commons

4.12 Contract Award: Plants and Things Welcome Complex

Mayor Dietz discussed the proposed contract with Plants and Things for the Youth Athletic Complex (YAC). He requested that the council have a more thorough discussion before voting on it. He asked Mr. Stremcha to contact the contractor to extend the bid if needed.

Moved by Councilmember Grupa and seconded by Councilmember Wagner to continue, by motion, the contract to Divine Designs General Contracting for a Base Bid of \$244,000 and Alternate 1 (ADA Accessibility) of \$26,110 to construct the Plants and Things Recreation Complex Welcome Plaza. Motion Carried 5-0.

5. OPEN FORUM

No one appeared for Open Forum.

6. PRESENTATIONS, AWARDS, AND RECOGNITION

6.1 Introduction of New Employees

Council welcomed various staff to the city.

7. PUBLIC HEARINGS

7.1 Interim Use Permit: Residential Occupation, Jason Bye - 10208 209th Ave. NW

The staff report was presented. Mr. Leeseberg reviewed the history of the project.

Mayor Dietz opened the public hearing.

Bryan Rucks, 10296 209th Ave NW, stated some of his concerns about approving the IUP for this property including the appearance of the property, the size of the business, the location of the business office spaces, the building permit issued by the city, Saturday business hours, and the chance of fire. Mr. Rucks asked if he would have to continue to police the property to see that it was in compliance. He asked why residents were not informed of the meeting with Jason Bye, his attorney, and the City Council on August 5, 2024, so they could also speak.

Mayor Dietz stated that Mr. Bye wanted to speak to the council and so, on the advice of the city attorney, he was allowed to come to the work session to make his case. As it was not a public hearing, the public was not invited to speak during that meeting.

Frank Bergstrom, 10303 209th Ave NW, had no complaints against Mr. Bye and spoke in favor of granting the IUP.

The attorney for Jason Bye, Mitchell Anderson, encouraged the council to approve the IUP. He asked if Condition 13 regarding the weight of delivery vehicles could be removed.

Condition 13 states "The parcel shall not be serviced by delivery vehicles larger than 26,000 pounds gross vehicle weight".

Mayor Dietz asked about adding tree cover as a condition of the approval. Mr. Bye was agreeable as long as there was sufficient time to comply.

Scott Rothmeyer, 19041 Alpaca St, Nowthen, business partner of Mr. Bye, spoke to neighbors and there were no complaints. He addressed findings 1, 3, and 9 which "set a tone for the findings to deny." He stated that delivery vehicles have space to pull in and turn around and should not need to back into the property. He requested that Condition 13 regarding truck weight be removed.

Deann Wells 10296 209th Ave NW, stated concerns with approval of the IUP including inconsistencies with the permit application, failure to disclose information, the size of the business, the property being more appropriate for an industrial or commercial location, the use of the pole barn on the property, misdirected semi-truck traffic, the type of materials returning from out of state job sites to dumpsters on the property, and the lack of a Stormwater Pollution Prevention Plan (SWPPP).

Jason Bye, 10208 209th Ave NW, thanked the staff for helping through the process and apologized to neighbors Deann Wells and Bryan Rucks for making them so upset. He stated he was committed to working with staff to fulfill the conditions. He stated that the material returned to the on-site dumpsters was cardboard and not hazardous material. He stated he was agreeable to planting trees to screen his site.

Mayor Dietz closed the public hearing.

The Council discussed the addition of tree screen cover to the conditions. They agreed on 15 evergreen trees, 6 feet tall, planted 15 feet apart wherever Mr. Bye thought they would provide the best screening of his work area from the neighbor to the west of his property.

Councilmember Wagner stated she had looked at the property and observed the amount of traffic on County Road 33. She agreed with eliminating Condition 13 regarding the weight of vehicles and adding tree cover.

Councilmember Grupa stated that Mr. Rucks may need to continue to police the property and agreed that some nearby businesses may not have proper permits.

Councilmember Westgaard felt the applicant had done what was necessary.

Councilmember Beyer drove out to the property and agreed it is a busy area for truck traffic. He has some concerns if the property is too big for the site or if it will grow bigger. He urged all parties to be a "good neighbor."

Mayor Dietz stated he was not in favor of the project in the beginning, but he believes in second chances and, if Mr. Bye is willing to abide by the conditions, he deserves the chance to run this business.

Moved by Councilmember Wagner and seconded by Councilmember Westgaard to amend, by motion, Resolution 24-51 approving the Interim Use Permit application submitted by Jason Bye, removing the following condition:

13. The parcel shall not be serviced by delivery vehicles larger than 26,000 pounds gross vehicle weight.

Motion 4-1. Councilmember Grupa voted against it.

Moved by Councilmember Grupa and seconded by Councilmember Westgaard to amend, by motion, Resolution 24-51 approving the Interim Use Permit application submitted by Jason Bye, adding the following condition:

Applicant shall plant 15 evergreen trees, 6 feet tall, planted 15 feet apart wherever they would provide the best screening of the work area from the neighbor to the west of the property.

Motion 5-0.

Moved by Councilmember Westgaard and seconded by Councilmember Wagner to adopt, by motion, Resolution 24-51 making Findings of Fact approving the Interim Use Permit application submitted by Jason Bye, which includes the following conditions:

- 1. The applicant and/or property owner must apply for all required commercial building, electrical, plumbing, or mechanical permits before any interior commercial activities can occur.**
- 2. A code analysis finding commercial building code compliance shall be prepared by an appropriate registered professional.**
- 3. The fenced outdoor storage area shall be:**

-
- a. Limited to 20,000 square feet.
 - b. Fenced with a 6-foot-tall 100% opaque fence with gates, to be closed when not in use.
 4. The fenced outdoor storage area must be paved with an approved surface (Class 5, concrete, asphalt, or crushed concrete/asphalt).
 5. The following shall be located within the fence outdoor storage area:
 - a. All equipment, vehicles, and products related to the business.
 - b. Garbage and recycling dumpsters.
 - c. All business or employee parking.
 - d. Portable outhouses.
 - e. Deliveries.
 6. Dumpsters with lightweight materials shall be covered when not in use.
 7. Except for company vehicles, construction equipment, and enclosed trailers, no materials or products can be stored higher than the top of the outdoor storage area fence.
 8. The hours of operation shall be limited to 7:00 a.m.-7:00 p.m., Monday through Saturday.
 9. Exterior lighting on the accessory structure and in the outdoor storage area shall comply with Section 30-937.
 10. Dust control measures shall be used regularly in the fenced yard area.
 11. A stormwater retention pond, if required, shall be reviewed by city staff and installed in accordance with all applicable plans.
 12. Outside of routine maintenance/repair completed only by the property owner, there shall be no major repair/maintenance of company vehicles/equipment on site. Routine maintenance/repair shall only occur inside the building with all doors and windows closed.
 13. Access to the subject parcel, for business activities, shall occur only at the single driveway located on 209th Avenue/County Road 33.
 14. Business delivery vehicles shall not back into the site from 209th Avenue/County Road 33.
 15. Signage identifying the business for deliveries shall be installed per county and city requirements.
 16. An amendment to this Interim Use Permit will be required for future expansions/additions not shown on the staff site plan dated June 17, 2024.
 17. The idling of a truck tractor or other business equipment in excess of 15 minutes is prohibited from April 16 through October 31, and idling in excess of 30 minutes is prohibited from November 1 through April 15.
 18. Applicant shall plant 15 evergreen trees, 6 feet tall, planted 15 feet apart wherever they would provide the best screening of the work area from the neighbor to the west of the property.

Motion 5-0.

Resolution 24-51 will be passed at a future city council meeting.

8. GENERAL BUSINESS

8.1 Discuss Work Session Items

Mayor Dietz left the meeting at 7:57 p.m.

Councilmember Westgaard asked to add two items to a future work session including addressing comments made by Ryan Easton at the August 19, 2024 Open Forum as well as a review of Multipurpose Facility Advisory Commission chapters and bylaws.

Mayor Dietz returned at 7:59 p.m.

8.2 Orono Lake Improvement District Annual Update and 2025 Budget

Chris Rock, Chair of OLID, provided the annual update and 2025 budget.

Mayor Dietz asked if there was any way to predict how long before dredging needs to be done again. Mr. Rock stated that they have been tracking the sedimentation, but it's been inconsistent over the past few years.

The Council thanked the OLID for their work and commended them on keeping fees at \$100. The Resolution will be passed at a future council meeting.

9. COUNCIL LIAISON UPDATES

9.1 Council Liaison Updates

The Councilmembers provided updates as outlined in the respective advisory board's minutes.

10. MOTION TO ADJOURN REGULAR MEETING

Moved by Councilmember Beyer and seconded by Councilmember Westgaard to adjourn the meeting of City Council. Motion Carried 5-0.

The regular meeting adjourned at 8:14 p.m. Mayor Dietz called the work session to order at 8:17 p.m.

11. WORK SESSION – UPPER TOWN CONFERENCE ROOM

11.1 Concept Review: Holzem Properties - Kent Roessler

Mr. Carlton presented the staff report.

The Council felt that the location of the development was key for future development to the northeast. They asked if future developments could hook up to the trunk line and repay the cost incurred by the city to expand into this area.

Kent Roessler, the applicant, added that there are about 140 developable acres and an estimated 280 acres north of the proposed development. His development would be a mixture of townhomes and single-family homes. He is not looking to beginning development this year, so there is time to conduct a study.

The Council directed Mr. Carlton to look into a feasibility study to take a closer look at the development potential within the current urban service area. Councilmember Grupa added that Mr. Carlton should include the potential for 280 additional acres of development in his calculations.

11.2 Discuss Public Safety Facility Patio Addition and Public Safety Aid Update

Acting Police Chief Darren McKernan was in attendance to present a plan to the Council for a patio addition on the northeast side of the Police Station. If the Council approved, they would go out for bid which may be \$50,000. The cost of the project could be covered by the State of Minnesota Public Safety Aid funds.

The Council directed staff to go ahead with getting bids for the project.

11.3 2025 Budget

Mr. Stremcha reviewed the budget status and recommended the addition of a part-time position of Shelter Rental and Athletic Tournament Liaison which would help with shelter and field rentals, maintenance, restocking of supplies, and cleaning.

Mayor Dietz stated he would like to see the final budget increase by less than 4%.

The Council discussed ways to reduce the amount, including increasing the amount of money moved from the liquor store budget from \$750,000 to \$1 million.

Councilmember Westgaard suggested reducing the employee cost of living increase from proposed 4% to 3.5%. Mayor Dietz was in favor of keeping the amount at 4% since Elk River Municipal Utility staff may be receiving 4-6% increases.

Mr. Portner asked the Council if they would consider moving part or all of the Public Works debt onto the general levy. Mayor Dietz was not in favor of that increase but would look at the numbers.

Mr. Portner reminded the Council that they will need to set the preliminary levy at the second meeting in September. They can decrease the amount from there, just not increase it.

Councilmember Westgaard asked if any expenses could be taken care of in the 2024 budget. He is concerned about the Furniture and Things Community Event Center budget and would like to start creating a sinking fund for the building.

Councilmember Beyer would also like to see the final budget number be under 4% and to keep costs as neutral as possible.

Mr. Stremcha reviewed if the 3% goal was for the September 16, 2024, Regular City Council meeting or the meeting in December. The Council asked if it was possible to get the reduced numbers by the September 16 meeting. They are also hoping to see updated estimated market value numbers from Sherburne County.

Mr. Portner stated that the city had received the Sherburne Soil and Water Conservation District

Outstanding Conservation Cooperator Award and asked if a councilmember would be available to accept the award on the city's behalf on December 4, 2024, and/or attend the SWCD Conservation Tour on September 20, 2024. Councilmember Grupa is tentatively available depending on the time of the event.

Mr. Portner stated that Mayor Dietz will be participating in the interviews of Police Chief finalist and asked if any other councilmembers would like to attend. No other councilmembers were available on that date.

12. MOTION TO ADJOURN

Moved by Councilmember Westgaard and seconded by Councilmember Beyer to adjourn the meeting of City Council. Motion Carried 5-0.

The meeting adjourned at 9:35 PM

Minutes prepared by Katie Porath.

Action Requested
Recognize staff for their award winning projects.

Background/Discussion

Congratulations to the communications team for winning two awards from the Minnesota Association of Government Communicators.

- Northern Lights Silver Award: Jake Pace for Officer Spotlight, Officers [Roscoe](#) and [Bendel](#)
- Northern Lights Bronze Award: Starr Sorheim for Elk River Website Redesign, elkrivermn.gov

Every year, the Minnesota Association of Government Communicators (MAGC), a statewide non-profit comprised of communications staff from all government organizations within the state, holds the Northern Lights Awards to honor special achievements in a range of categories. These awards recognize outstanding work in Minnesota's government, educational, and non-profit communications.

We are proud of our team and all the staff involved in supporting these projects!

Northern Lights Award Submission to MAGC

Tell about the problem or opportunity that prompted this project.

Many new officers have been hired over the past couple of years and we saw an opportunity to introduce the new officers to the community in a fun way. This expanded to include some of our more senior officers as well.

Who was your intended audience?

Elk River residents as well as individuals that follow our ERPD social media accounts.

What were your measurable achievements?

We measured our success by the engagement on social media/ reach, reactions, and comments. These videos had some of the highest engagement on our social media platforms.

Bailey Roscoe Video - Facebook

People Reached: 164,079

Engagement: 7,700+

YouTube - 16,148 views

Pat Bendel Video - Facebook

People Reached: 14,189

Engagement: 765

YouTube - 578 views

What costs and resources were used?

Videos were done in house and only required staff time.

City of Elk River Website Redesign

Northern Lights Award Submission for Minnesota Association of Government Communicators

Submitted by Starr Sorheim, Senior Communications Coordinator

Tell about the problem or opportunity that prompted this project. List the goals you were trying to achieve.

The City of Elk River's website hadn't been updated for over 7 years. The website experienced an ever-changing technological world, an audience moving to online services post-pandemic, and lack of updated branding. Additionally, the city had introduced an event center since the latest redesign which needed its' own branded site. The city has also pivoted to newer and improved online services for recreation programs, online licensing, and agenda management that needed to be better integrated. The previous site had over 1,200 pages which was dwindled down to around 200 pages, 1,202 unlinked documents that were deleted on the back end, and over 350 broken links fixed.

With the redesign, we wanted a modern feel that better communicated the experience of being in our city. We wanted our residents, business partners, etc. to be able to navigate the site clearly and find what they were looking for. We also wanted a tool that was helpful for our staff to use when working with the public.

Tell us who you were attempting to reach.

Our primary city website, parks and recreation site, and community event center site are used by an average of 15,000 people each month. For reference, our city population is just over 26,000. While many of those users are in the local area, we have contractors, business developers, and visitors who use our site regularly. Our city has a destination park and regional park that attracts non-residents and our community event center hosts numerous events and tournaments for nearby cities. With this in mind, we needed our website to accommodate both residents and non-residents.

Tell us how you measured the project's success.

Before the redesign, utilizing Google Analytics was not the most successful method of measurement due to the abundance of abandoned pages, unlinked documents, and broken links. When a user would search for something, their results would come up empty – leaving them to search for the same thing multiple times. Now after the redesign, Google Analytics is useful and tracked monthly. Our communications team utilized Google to identify the top six searched and clicked pages to generate the main six buttons on each homepage. We also learned from Google that our search page is within the top three pages accessed monthly. When redesigning, we made the decision to lock the top navigation bar so users can easily search no matter the page they are on.

In our social media analytics and Google Analytics, we could see how many users were visiting our site because of a social post. We began tracking those hits utilizing Bitly, but also referring users to specific calendar events or NewsFlash posts to better track the event or program we were promoting. With this tactic in mind, we designed our new homepage to visually show upcoming events and information in the header scrolling images and our new NewsFlash module. We also included a social media accordion that invites users to follow us on our platforms to stay up to date. This has greatly reduced the need for searching for event information as users can find what they need right when the site loads.

Tell us how much money you spent and how many total hours the project took to complete. Who participated? What portion of the work was done by internal staff vs. external resources?

The City of Elk River utilizes CivicPlus for their site. The redesign for our city and parks and recreation websites was free with our contract. The cost to upgrade our community event center's site to ensure appropriate branding was \$1,650.65.

The senior communications coordinator conducted the website edits and clean-up resulting in over 300 hours of staff time. Half of the communications team met with a committee from various departments to finalize design choices. The senior communications coordinator also met with each department to ensure appropriate edits were made and that those departments had accurate and reliable information on their webpages.

Our in-house graphic designer worked closely with our committee to come up with redesign ideas that were then implemented by CivicPlus. City staff also spent time cleaning up the back end and organizing the global navigation, removing and adding pages as needed, updating links, updating images and graphic buttons, and more.

Tina Allard

Action Requested

1. Mayor Dietz to read and present the proclamation to Marilyn Schroeder.
2. Proclaim, by motion, September 17-23, 2024, as Constitution Week.

Background/Discussion

The Daughters of the American Revolution (DAR), Anoka Chapter, requested the city proclaim September 17-23, 2024, as Constitution Week. Elk River is part of the Anoka Chapter DAR.

Elk River resident Marilyn Schroeder will be present to accept the proclamation on behalf of DAR.

Proclamation

Designating September 17-23, 2024 as Constitution Week

WHEREAS, 2024 marks the two hundred thirty-seventh anniversary of the drafting of the Constitution of the United States of America by the Constitutional Convention; and

WHEREAS, it is fitting and proper to accord official recognition to this magnificent document and its memorable anniversary; and to the patriotic celebrations which will commemorate the occasion; and

WHEREAS, Public Law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17 through 23 as Constitution Week; and

NOW, THEREFORE, BE IT RESOLVED, that I, John J. Dietz, Mayor of Elk River, do hereby proclaim the week of September 17 through 23, 2024 as Constitution Week.

Elk RiverFest and Sips on Main 2024 Recap

Reviewed by
Cal Portner
Tina Allard

Action Requested

Special Events Coordinator Karen Wingard will present a recap of our 2024 Elk RiverFest and Sips on Main event.

Background/Discussion

This year's Elk RiverFest was on Saturday, July 27, 2023. The Orono Park Family Zone is the free portion of the event, from 10:00 a.m. - 2:00 p.m. at Orono Park. The Family Zone had inflatables, face painting, challenge courses, skatepark show, sandcastle contest, petting zoo, craft fair, community booths, entertainment tent, Baron of the Bubbles, robotics, food trucks, sensory tent, bingo, a car show, Home Depot building kits, and the park amenities. Fireworks from Independence Day were rescheduled to the evening of Elk RiverFest.

Sips on Main, the 21+ evening portion of Elk RiverFest, ran from 5 - 9 p.m. in downtown Elk River. Presale tickets were on sale online only for \$25 and were \$40 at the door. V.I.P. tickets were offered ahead of time for \$50, limited to 40. V.I.P. included exclusive parking, fast pass check-in, stage reserved viewing, signature cocktail, and free swag. Sips on Main had a bean bag tournament (people registered in advance), all you can drink samples from a variety of vendors, food trucks, the awarding of Volunteer of the Year, and live music by Stone Daisy and Kristen Kelly. There was also a Sips Free Zone for non-ticketed attendees to enjoy the live music and yard games.

Financial Impact

Total revenue for the event was \$23,625 and total expenses were \$21,529.

Mission/Policy/Goal

Together we win.

Fireworks Moved to Elk RiverFest

Fireworks had to be moved to Elk RiverFest after being postponed from the weather on Independence Day. While these updates were posted in a variety of places, one post reached the most on Facebook:

- Reach = 16,813
- Impressions = 19,020
- Interactions = 113

Social media posts had a variety of graphics, photos, and videos used on the city, liquor, and parks and rec pages.

Reach

Impressions

Interactions

Reach is how many people received the posts on their social media. Impressions is how many times the posts appeared. Interactions is how many times the post was liked, comments, or shared.

The highest performing posts were the event map and the new additions to the event such as the car show and entertainment tent.

Social Media Campaign Sips on Main

Facebook Event

- 43 interested
- 8 marked going
- 8 invited

Why didn't we do any paid Facebook ads?

- The individuals discussing Sips on Main with their friends probably do not use Facebook events as much. There were many tickets sold this year, but it wouldn't hurt to boost the event next year.

Bitly Link Clicks

- Presale Tickets = 363
- That is 74 more than last year.

Reach is how many people received the posts on their social media. Impressions is how many times the posts appeared. Interactions is how many times the post was liked, comments, or shared.

The highest performing posts were the videos and general event graphics, with the boosted Sips video resulting in 489 link clicks.

Social media posts had a variety of graphics, photos, and videos used.

Other Advertising

In addition to promoting the festivities, our team helped push sponsorship opportunities via social posts, signage, e-newsletters, and the website. The website was updated frequently. Advertising for the events occurred in: e-newsletter, Chamber communications, posters around town and in park kiosks, newspaper ads, NewsFlashes on website, homepage banners on website, and social media advertising.

Post-Event Advertising

A social media post was done the Monday following the event that showcased recap photos and reached 2,821 people, had 3,798 impressions, and 73 interactions. This is significantly lower than last year's recap, but this could also be because Meta adjusted their analytics.

The Star News had a large spread highlighting the event and what to look forward to next year.

Simple Plat: Resolution 24-52 - Pullman Place Second Addition, PID 75-00729-0010 - DigniSuites ER

Reviewed by
Zack Carlton
Cal Portner
Tina Allard

Action Requested

Adopt, by motion, Resolution 24-52 approving the final plat of Pullman Place Second Addition with the condition that Park Dedication shall be paid at the commercial rate applicable when the subdivision is released for recording.

Background/Discussion

The applicant is requesting a Conditional Use Permit (CUP) to construct a 32-unit memory care/assisted living residential facility on Outlot A, Pullman Place. The property is 2.8 acres and is zoned Planned Unit Development. To be developed, the property needs to be platted. The submitted plat creates one buildable lot for the proposed CUP. The buildable lot has frontage on 171st Lane and 172nd Avenue, and Twin Lakes Parkway. However, access will not be permitted from Twin Lakes.

Parks and Recreation Commission

Facilities providing 24 hours a day/seven day a week care, such as assisted living or nursing home facilities, shall be subject to park dedication requirements equivalent to commercial uses. As the property is an Outlot, it was not subject to park dedication under previous platting processes.

The Commission recommended park dedication be paid at the applicable park dedication commercial rate when the lot is released for recording.

Applicable Regulations

City ordinance section 30-375 outlines the required findings for approval of a plat.

1. The proposed subdivision is consistent with the zoning regulations (article VI of this chapter) and conforms in all respects with all requirements of this Code, including the zoning regulations and this article.

The proposed subdivision is consistent with all zoning regulations. The lot size and lot width meet the ordinance requirements.

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

2. *The proposed subdivision is consistent with all applicable general and specialized city, county, and regional plans, including, but not limited to, the city's comprehensive development plan.*

The subdivision is consistent with all applicable plans.

3. *The physical characteristics of the site, including but not limited to topography, soils, vegetation, susceptibility to erosion and siltation, susceptibility to flooding, and drainage are suitable for the type and density of development and uses contemplated.*

The physical characteristics of the site are suitable for the type and density of development and use contemplated.

4. *The proposed subdivision makes adequate provision for water supply, storm drainage, sewage transportation, erosion control and all other services, facilities, and improvements otherwise required in this article.*

The subdivision includes infrastructure to meet city requirements.

5. *The proposed subdivision will not cause substantial environmental damage.*

The subdivision will not cause substantial environmental damage.

6. *The proposed subdivision will not conflict with easements of record or with easements established by the judgment of a court.*

The proposed subdivision will not conflict with easements of record or with easements established by the judgment of a court.

7. *The proposed subdivision will not have an undue and adverse impact on the reasonable development of neighboring land.*

The surrounding properties are developed with one undeveloped parcel across Twin Lake Road. The proposed subdivision will not impact the reasonable development of neighboring land.

8. *The proposed subdivision is not premature. A subdivision is premature if any of the following exists:*

- a. *Lack of adequate stormwater drainage.*
- b. *Lack of adequate roads.*
- c. *Lack of adequate sanitary sewer systems.*
- d. *Lack of adequate off-site public improvements or support systems.*

The subdivision is not premature as the above conditions have been provided for.

Financial Impact

None

Mission/Policy/Goal

Responsibly grow.

City of Elk River City Council

Resolution 24-52

A Resolution of the City Council of the City of Elk River Granting Final Plat Approval for Pullman Place Second Addition, Case No. P 24-13

WHEREAS, application has been made for final plat approval, pursuant to Section 30-391 of the Elk River City Code of Ordinances, of the property legally described on attached Exhibit A and hereinafter referred to as “the Property”; and

WHEREAS, the proposed final plat complies with each of the conditions set forth by the City Council in its approval of the plat of the Property.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Elk River, Minnesota, as follows:

- A. The proposed subdivision is consistent with Chapter 30 of the City Code of Ordinances and conforms with all its requirements.
- B. The proposed subdivision is consistent with all applicable general and specialized city, county, and regional plans including, but not limited to, the city’s Comprehensive Plan.
- C. The physical characteristics of the site, including, but not limited to, topography, soils, vegetation, susceptibility to erosion and siltation, susceptibility to flooding, and drainage are suitable for the type and density of development and uses contemplated.
- D. The proposed subdivision makes adequate provision for water supply, storm drainage, sewage transportation, erosion control and all other services, facilities and improvements otherwise required herein.
- E. The proposed subdivision will not cause substantial environmental damage.
- F. The proposed subdivision will not conflict with easements of record or with easements established by judgment of a court.
- G. The proposed subdivision will not have an undue or adverse impact on the reasonable development of neighboring land.

1. Final plat approval is hereby granted for the Property.
2. The officers of the City are hereby authorized, once the conditions set forth in Exhibit B are met and complied with, to sign the final plat for the Property and to issue a certified copy of this Resolution giving final approval of the plat.
3. The owner of the Property is authorized to record the final plat as required by law and shall file proof of said recording with the City. No building permits will be issued for the Property until the final plat is recorded.
4. This final plat approval shall expire two years from the date of this resolution if the final plat is not recorded within that time.

Passed and adopted this 16th day of September 2024.

John J. Dietz, Mayor

Conditional Use Permit: Senior Housing/Memory
Care Facility, PID 75-00729-0010 - DigniSuites

Reviewed by
Zack Carlton
Cal Portner
Tina Allard

Action Requested

Approve, by motion, the Conditional Use Permit with the following conditions to satisfy the standards set forth in Section 30-654:

1. The property shall be platted prior to the issuance of any building permit.
2. Staff approval of all site, civil, and development plans.
3. All comments on the Comment Letter dated August 21, 2024, shall be addressed.

Background/Discussion

The applicant is requesting a Conditional Use Permit (CUP) to construct a 32-unit memory care/assisted living residential facility on Outlot A, Pullman Place. The property is 2.8 acres and is zoned PUD – Planned Unit Development, where assisted living facilities require a CUP for approval. The proposed structure will be approximately 20,300 square feet. The project proposes to have access to 171st Lane & 172nd Avenue, both public streets.

Planning Commission

During the public hearing, three individuals spoke representing themselves and numerous other tenants present from Pullman Place. Their major concerns were the increase in traffic and removal of the private street on the subject parcel. They stated it would likely increase traffic cutting through on their private drive (Quincy Street). They requested a traffic study be completed.

The Pullman Place residents wanted clarification on what the screening berm would be. The applicant has provided a plan with sections of the proposed berm and landscaping.

After the meeting, staff continued to communicate with one of the three who spoke, mostly discussing traffic.

The original PUD anticipated commercial development with a private drive running through the project site. A traffic study was completed as part of the PUD, and the intersection improvements recommended as part of that study were implemented.

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

The latest plan submitted by the applicant has a private drive located on the project site, but now it is for residential use rather than the original commercial guidance. Nothing significant has changed regarding traffic other than the subject parcel will now generate far less traffic than commercial use, which was originally studied.

The city engineer indicated a full traffic study is not needed, but staff did ask for a traffic memo from their engineer which reviews the old estimates against current traffic counts to ensure the old projections are still valid and fit the proposed project. The applicant will have this information at the meeting.

There have been several questions about the existing driveway running through the parcel. This drive was required as part of the approval for the Depot Apartment complex and is not a city street, nor has the city maintained this private drive.

The Planning Commission had no questions or concerns about the request and unanimously recommended approval.

Parking

Staff have observed parking concerns at the Beehive facility, which is similar to the proposed use, and have concerns regarding similar parking issues. The applicant stated they use this model extensively and have had no issues. Does the council want to see additional proof of parking?

Financial Impact

None

Mission/Policy/Goal

Support the growth and development of the community.

Conditional Use Permit: Senior Housing/Memory
Care Facility, PID 75-00729-0010 - DigniSuites

Reviewed by
Chris Leeseberg
Zack Carlton

Action Requested

Recommend, by motion, approval of the Conditional Use Permit with the following conditions to satisfy the standards set forth in Section 30-654:

1. A cross access easement shall be prepared and recorded outlining the use and maintenance obligations of the access onto Quincy Street.
2. All comments on the Comment Letter dated August 21, 2024, shall be addressed.
3. Staff approval of all site, civil, and development plans.
4. The property shall be platted prior to issuance of any building permit.

Background/Discussion

The applicant is requesting a Conditional Use Permit (CUP) to construct a 32-unit memory care/assisted living residential facility on Outlot A, Pullman Place. The property is 2.8 acres and is zoned PUD – Planned Unit Development, where assisted living facilities require a CUP for approval. Additionally, there is currently a driveway running through the center of the property to provide a connection between 172nd Avenue and 171st Lane. This will be removed and traffic that has previously used this shortcut will need to use other public streets.

The proposed structure will be approximately 20,300 square feet and the site plan shows 18 parking stalls. The ordinance requires 16 parking stalls for the proposed use. The project proposes to have an access point on 172nd Avenue, which is a public street. They are proposing a secondary access onto Quincy Street, which is a private drive that is part of Pullman Place.

The proposed structure will be composed of prefinished wood fiber siding, brushed smooth LP panels, manufactured stone veneer, and asphalt shingles. Landscaping will consist of 43 trees distributed throughout the property with a trash enclosure located near the secondary access.

Applicable Regulations

The issuance of a Conditional Use Permit can be ordered only if the use at the proposed location:

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

1. Will not endanger, injure or detrimentally affect the use and enjoyment of other property in the immediate vicinity or the public health, safety, morals, comfort, convenience or general welfare of the neighborhood or the city.

The Elk River Station PUD was developed for residential and commercial uses. While the original intent of the subject parcel, based on the PUD, was to be commercial, the proposed use will not endanger, injure or detrimentally affect the use and enjoyment of other property in the immediate vicinity or the public health, safety, morals, comfort, convenience or general welfare of the neighborhood or the city.

Staff do not see a need to impose specific conditions to satisfy this standard.

2. Will be consistent with the comprehensive plan

The property is guided for multifamily, which includes higher density apartment and/or condominium complexes in a master planned setting with common open spaces and recreational amenities. Multifamily areas make up the smallest portion of the city's housing stock and are primarily located off of major roadways with proximity to commercial areas. The use is consistent with the Comprehensive Plan.

Staff do not see a need to impose specific conditions to satisfy this standard.

3. Will not impede the normal and orderly development and improvement of surrounding vacant property.

There is a single one-acre vacant lot across the street, which is also guided as multifamily. The proposed use will not affect development of the surrounding area.

Staff do not see a need to impose specific conditions to satisfy this standard.

4. Will be served adequately by and will not adversely affect essential public facilities and services including streets, police and fire protection, drainage, refuse disposal, water and sewer systems, parks and schools; and will not, in particular, create traffic congestion or interference with traffic on adjacent and neighboring public thoroughfares.

The property is surrounded by public facilities and services, so the use is served adequately by and will not adversely affect essential public facilities and services, including streets, police and fire protection, drainage, refuse disposal, water and sewer systems, parks and schools; and will not, in particular, create traffic congestion or interference with traffic on adjacent and neighboring public thoroughfares.

Staff do not see a need to impose specific conditions to satisfy this standard.

5. Will not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any persons or property because of excessive traffic, noise, smoke, fumes, glare, odors, dust or vibrations.

The proposed use aligns closely with the existing uses in the area. The use will not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any persons or property because of excessive traffic, noise, smoke, fumes, glare, odors, dust or vibrations.

As the applicant is proposing a secondary access onto the private drive of Quincy Street, a cross access easement must be prepared and recorded outlining the use and maintenance obligations of the access.

6. Will not result in the destruction, loss or damage of a natural, scenic or historic feature of major importance.
There are no natural, scenic or historic features of major importance on the subject parcel.

Staff do not see a need to impose specific conditions to satisfy this standard.

7. Will fully comply with all other requirements of this Code, including any applicable requirements and standards for the issuance of a license or permit to establish and operate the proposed use in the city.

The use will fully comply with all other requirements of this Code, including any applicable requirements and standards for the issuance of a license or permit to establish and operate the proposed use in the city.

Staff do not see a need to impose specific conditions to satisfy this standard.

If denial of such a permit should occur, it shall accompany recommendations or determinations by findings or a report stating how the proposed use does not comply with the standards set forth in Section 30-654.

In the review of the standards for CUP as outlined, it appears that the request is consistent with all of these standards.

Financial Impact

None

Mission/Policy/Goal

Support the growth and development of the community.

DigniSuites

Conditional Use Permit

Case No: CU 24-15

The DigniSuites team proposes to develop an Assisted Living and Memory Care “Care Home” to provide for the needs of the elderly citizens and those with family members in need of assisted living and memory care services. The newly designed building shows careful consideration for today’s healthcare environment and realities, featuring 32 private suites for chronic care services. Residents will enjoy a home-like atmosphere in a secured setting that allows freedom to participate in activities that not only manage their daily care needs but also provides a higher quality of life than that offered in more institutional settings. With amenities including a congregate dining room, daylit commons, activity/craft area, and a secure outdoor porch, residents benefit from a life enrichment program that is specially designed for those with Alzheimer’s and dementia. DigniSuites of Elk River’s goal is to provide our residents with the right care at the right time.

Hours of Operation: 24/7/365

Employees: 24-30 FTE / Payroll \$1mm+

Total Land Size: 2.8 Acres (43,500 sq ft)

Building Size: Approx. 20,300 Sq. Ft.

Occupancy: 32 Private Suites: High Care - 16 Residents / Memory Care - 16 Residents

Parking Stalls: 18

Outdoor Storage: Trash & Maintenance equipment

Screening: Extensive landscaping is typical, with emphasis to screen transformer & emergency generator

Signage: To be determined with City of Elk River, to include monument sign(s) and/or building signage.

The subject parcel is currently an out lot of the Elk River Station PUD (OUTLOT A, Pullman Place) and DigniSuites request to amend the current PUD via a Conditional Use Permit to allow for assisted living and nursing facilities will serve as a transition between nearby businesses and multifamily properties.

The proposed use will better occupy land that few commercial enterprises can fit on, after setbacks, ROW, green space & parking are considered. Traffic impacts are minimal (residents do not operate vehicles) and parking, limited to staff & visitors, is less than typical multifamily housing projects. DigniSuites always works with local emergency services to reduce unnecessary calls to the site.

By granting the Application, Elk River will gain an attractive, tax-paying member to the community in an otherwise idle property. The building and occupants are secure, noise is not an issue, and the neighbors should appreciate a peaceful co-existence with the residents, while offering community benefits such as:

- Chamber of Commerce Membership
- Wellness clinic offerings
- Local daycare center partnerships
- Public meeting room space
- Charity drop-off site for food & clothing
- Internship & volunteer opportunities

SWPPP - PROPOSED

CONDITION

SW1.1

Quell. J. FILLMAN FILLER, appearing in life married and Harriet, Harbours County, Minnesota

1. Bearings are based on the Highlands County Coordinate System (1988 Adjustment).

2. Boundaries are based on the 1928 US Coast and Geodetic Survey map of the subject property, as the southwest corner of the subject tract (NW 1/4, approximately 118 feet northwest of the southeast corner of the subject property), as shown (bearing: Boundary = S89.5°).

3. The line between the section of all lots to the east of the subject property is extended and aligned together with all corners from the historic survey, points returned from all utility companies, power poles and other structures, and other survey monuments, and the line is extended to the northeast corner of the subject property. The surveying association, the exact location of underground features (such as utilities, septic tanks and related structures) (if any) are shown and indicated on the map. The extent of all utility lines and structures may be required to show, please refer to the survey plat and/or plat for more information. The extent of all utility lines and structures may be required to show, please refer to the survey plat and/or plat for more information.

Downloaded from <http://ajph.org/> by guest on June 14, 2015

5. This map and report was prepared without the benefit of a Commission for Title Insurance. The property description was obtained from Shasta County Interactive Property Map and may not be the latest description of record. We have shown the easements as shown on the plat of Fullman Road and Elk River Station only. There may be easements at other matters of record, as shown on the plat of Fullman Road and Elk River Station.

The Survey was completed on 06-01-2020.
 The Survey was completed on 06-01-2020.

IRRIGATION NOTES:

- ENTIRE SITE SHALL BE FULLY IRRIGATED. THE CONTRACTOR SHALL SUBMIT IRRIGATION SHOP DRAWINGS FOR REVIEW AND APPROVAL BY THE LANDSCAPE ARCHITECT PRIOR TO INSTALLATION.
- PROVIDE SITE-WIDE IRRIGATION SYSTEM DESIGN AND INSTALLATION. SYSTEM SHALL BE FULLY PROGRAMMABLE AND CAPABLE OF ALTERNATE DATE WATERING. THE SYSTEM SHALL PROVIDE HEAD-TO-HEAD OR DRIP COVERAGE AND BE CAPABLE OF DELIVERING ONE INCH OF PRECIPITATION PER WEEK. SYSTEM SHALL EXTEND INTO THE PUBLIC RIGHT-OF-WAY TO THE EDGE OF PAVEMENT/BACK OF CURB.
- CONTRACTOR SHALL SECURE APPROVAL OF PROPOSED IRRIGATION SYSTEM INCLUDING PRICING FROM OWNER, PRIOR TO INSTALLATION.
- SEE MECHANICAL AND ELECTRICAL PLANS AND SPECIFICATIONS FOR IRRIGATION WATER, METER, AND POWER CONNECTIONS.
- CONTRACTOR TO VERIFY LOCATION OF ALL UNDERGROUND/ABOVE GROUND FACILITIES PRIOR TO ANY EXCAVATION/INSTALLATION. ANY DAMAGE TO UNDERGROUND/ABOVE GROUND FACILITIES SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR AND COSTS ASSOCIATED WITH CORRECTING DAMAGES SHALL BE BORNE ENTIRELY BY THE CONTRACTOR.
- SERVICE EQUIPMENT AND INSTALLATION SHALL BE PER LOCAL UTILITY COMPANY STANDARDS AND SHALL BE PER NATIONAL AND LOCAL CODES. EXACT LOCATION OF SERVICE EQUIPMENT SHALL BE COORDINATED WITH THE LANDSCAPE ARCHITECT OR EQUIVALENT AT THE JOB SITE.
- CONTRACTOR SHALL COORDINATE WITH LOCAL UTILITY COMPANY FOR THE PROPOSED ELECTRICAL, SERVICE AND METERING FACILITIES.
- IRRIGATION WATER LINE CONNECTION SIZE IS 1" AT BUILDING. VERIFY WITH MECHANICAL PLANS.
- ALL MAIN LINES SHALL BE 1" BELOW FINISHED GRADE.
- ALL EXPOSED PVC RISERS, IF ANY, SHALL BE GRAY IN COLOR.
- CONTRACTOR SHALL LAY ALL SLEEVES AND CONDUIT AT 2" BELOW THE FINISHED GRADE OF THE TOP OF PAVEMENT. EXTEND SLEEVES TO 2" BEYOND PAVEMENT.
- CONTRACTOR SHALL MARK THE LOCATION OF ALL SLEEVES AND CONDUIT WITH THE SLEEVING MATERIAL "E" TO 2" ABOVE FINISHED GRADE AND CARPED.
- FABRICATE ALL PIPE TO MANUFACTURE'S SPECIFICATIONS WITH CLEAN AND SQUARE CUT JOINTS. USE QUALITY GRADE PRIMER AND SOLVENT CEMENT FORMULATED FOR INTENDED TYPE OF CONNECTION.
- BACKFILL ALL TRENCHES WITH SOIL FREE OF SHARP OBJECTS AND DEBRIS.
- ALL VALVE BOXES AND COVERS SHALL BE BLACK IN COLOR.
- GROUP VALVE BOXES TOGETHER FOR EASE WHEN SERVICE IS REQUIRED. LOCATE IN PLANT BED AREAS WHENEVER POSSIBLE.
- IRRIGATION CONTROLLER LOCATION SHALL BE VERIFIED ON-SITE WITH OWNER'S REPRESENTATIVE.
- CONTROL WIRE: 14 GAUGE DIRECT BURIAL, SOLID COPPER IRRIGATION WIRE. RUN UNDER MAIN LINE. USE MOISTURE-PROOF SPLICES AND SPLICE ONLY AT VALVES OR PULL BOXES. RUN SEPARATE HOT AND COMMON WIRE TO EACH VALVE AND ONE 1/2" STRIKE WIRE AND GROUND TO FURTHEST VALVE FROM CONTROLLER. CABLE OR CABLE CODE AS ALL WIRES.
- AVOID OVER SPRAY ON BUILDINGS, PAVEMENT, WALLS AND ROADWAYS BY INDIVIDUALLY ADJUSTING RADII OR ARC ON SPRINKLER HEADS AND FLOW CONTROL ON AUTOMATIC VALVE.
- ADJUST PRESSURE REGULATING VALVES FOR OPTIMUM PRESSURE ON SITE. USE SCREENS ON ALL HEADS.
- A SET OF AS-BUILT DRAWINGS SHALL BE MAINTAINED ON-SITE AT ALL TIMES IN AN UPDATED CONDITION.
- ALL PIPE 3" AND OVER SHALL HAVE THRUST BLOCKING AT EACH TURN.
- ALL AUTOMATIC-REBATE CONTROL VALVES WILL HAVE 3" MINIMUM DEPTH OF 3/4" WASHED GRAVEL UNDERNEATH VALVE AND VALVE BOX. GRAVEL SHALL EXTEND 2' BEYOND PERIMETER OF VALVE BOX.
- THERE SHALL BE 3" MINIMUM SPACE BETWEEN BOTTOM OF VALVE BOX COVER AND TOP OF VALVE STRUCTURE.

SEE SHEET L1.0 FOR GENERAL LANDSCAPE NOTES & LEGEND

17155 Quincy St. NW
#122
Elk River, MN 55330
August 30, 2024

Mr. Matt Westgaard, Council Liaison
Elk River Planning Commission
13065 Orono Pkwy NW
Elk River, MN 55330

Dear Mr. Westgaard:

I am writing to you about the proposed 32-member senior/memory care building to be built between Twin Lakes Road and Pullman Place, a co-op residence of which I am an owner.

It was gracious of the Planning Commission to listen to our concerns of this new construction at it's meeting of August 27th, before this unit is built. The Commissioners were polite to allow several members of Pullman Place to express our concerns, which seemed well received by the Commission members.

I, respectfully, did not speak (of my own volition), but I have a concern that I do not think was adequately addressed. We at Pullman Place are concerned about the traffic flow on our private road. One Commission member mentioned that a traffic flow study was done in 2009, that is fine; but Elk River has grown significantly since that time, and the traffic flow has grown accordingly. Traffic on 171st Ave. and 172nd Ave. has also grown. I suggest that a current traffic study be completed, but that is not the purpose of this letter.

The fact is, no left turn is allowed when one exits from 172st Avenue, so traffic using that street to eventually access Highway 10, must use the existing city road around which the new memory care unit is to be built. The answer to traffic flow is that the existing city road will still be available, but.....it will have a parking lot and, perhaps, other impediments for reasonable traffic flow from 171st Avenue. This suggests that Pullman Place's private road will be available for all of that traffic.

Here is my question. If you were a resident of the Woods Townhome complex that uses 172nd Avenue, would you drive through a potentially hindered road, or would you drive through the private road maintained by Pullman Place? I feel that the traffic will endanger our residents who may be driving/walking on our private road at any time day or night, which some may do.

Sincerely,

Lawrence E. Cook, Ph.D.

Mr. Chris Leeseberg, Senior Planner

Re: DigniSuites
Conditional Use Permit
Senior Housing / Memory Care Facility - PID 75-00729-00-10

Dear Mr. Leeseberg:

Please consider the following in response to your letter of August 21, 2024 and the Staff Report / Request for Action received August 23, 2024. I have copied in the action items from both documents, and offer our comments individually in [BLUE](#).

LEESEBERG LETTER 8/21/24

- The property needs to be platted.
 - [Simple Plat Application submitted to City on 8/26/24. Departmental reviews underway; DigniSuites to adopt review requirements upon mutual agreement.](#)
- Power tie would come in from along Twin Lks Rd. There are two runs of power one being a feeder line running along Twin Lks. There is also three-phase running along 171 Lane feeding the apartment building to the rear of this project. Installation of the drainage pond may be affected by these.
 - [Single-Phase power will be utilized.](#)
- Transformer location needs to be reached from a hard surface.
 - [Revised Site Plan submitted immediately prior to Planning Commission Public Hearing on August 27 is being updated to provide more clear information on berm \(requested by Pullman Place residents\) and will show transformer location in compliance with City and Public Utility requirements.](#)
- Load sheet would need to be filled out for transformer sizing.
 - [DigniSuites Electrical Engineer will submit load sheet upon project approval by City Council, as Construction Documents are developed for inclusion with Building Permit application.](#)
- Pending occupancy classification, building plans may need to be submitted to the Department of Labor and Industry for plan review. Building permits would be issued by the city.
 - [Occupancy: I-1, Condition 2 based on MN Building Code.](#)
 - [MN DOLI will review plans for modular construction approval, with issuance of permit by City.](#)
 - [MN DOH will review plans for Assisted Living licensing and for Food Service.](#)
- It appears there is a typo in the stormwater report on page 5 under proposed stormwater rate for 171st Ln 10-year event. Please advise on this, otherwise the report appears to meet all stormwater requirements.
 - [Civil Site Group acknowledges the typo, and will correct and resubmit with the general update required by the revised Site Plan.](#)

- There is an existing 8" DIP stub in the southwest corner of this property. Water service to this building should be connected to the existing stub or it needs to be abandoned at the main.
 - [Acknowledged. Sewer and water connections likely to be revised to locations that will not disturb Twin Lakes Road.](#)

STAFF REPORT / REQUEST FOR ACTION

1. A cross-access easement shall be prepared and recorded outlining the use and maintenance obligations of the access onto Quincy Street.
 - [No longer applicable \(revised Site Plan removes connection to Quincy Street\).](#)
2. All comments on the Comment Letter dated August 21, 2024, shall be addressed.
 - [See previous responses.](#)
3. Staff approval of all site, civil, and development plans.
 - [Acknowledged.](#)
4. The property shall be platted prior to issuance of any building permit.
 - [Simple Plat Application submitted to City on 8/26/24. Departmental reviews underway; DigniSuites to adopt review requirements upon mutual agreement.](#)

Brian Winges and I met with the residents of Pullman Place on September 3 to provide more information on our plans, and to achieve a better understanding of their concerns about the project. As they stated in the Planning Commission Public Hearing, the impact of potential traffic pattern changes remains high on their list, but once again, they seem to be pleased with the overall design, and feel we'll be a positive addition to the community. We understand they've requested a meeting with the City to address the traffic issue, and we'd be happy to participate in the discussion.

Our team appreciates the city process thus far, and we look forward to our next appearance at the City Council Public Hearing on September 16. Please let me know if you need any additional information prior to that meeting.

Best Regards,

Subject: Elk River DigniSuites Senior Living Traffic Review

INTRODUCTION

TC2 conducted a preliminary traffic review of the proposed DigniSuites senior living development in the City of Elk River, MN. The proposed development, which is along the east side of Twin Lakes Road between 171st Lane and 172nd Avenue, is planned as a 32-bed assisted living / memory-care residential facility. The proposed development is within the Elk River Station Development. Therefore, the purpose of this traffic review is to identify how the proposed development compares with previous land use assumptions within the *Elk River Station Development EAW* and identify any potential traffic impacts and / or considerations to ensure safe and efficient operations for all users.

PROJECT DETAILS

The proposed development is a 32-bed assisted living / memory-care residential facility. The facility will employ a total of approximately 20 staff over three (3) shifts. Residents are not expected to be able to drive, thus most of the traffic generated will be from employees, medical professionals, visitors, and deliveries. A total of 18 parking spaces are proposed. Two accesses are proposed and will be connected via an internal driveway. One access is along 171st Lane and one is along 172nd Avenue, which are the same locations as the private driveway through the existing parcel.

TRAFFIC IMPACTS

To quantify the expected trip generation of the proposed development, an estimate was developed using the *ITE Trip Generation Manual, 11th Edition*, which includes trips for typical weekday a.m. and p.m. peak hours, as well as daily. A trip generation estimate for the previous land use assumptions used as part of the *Elk River Station Development EAW* was also provided. The trip generation summary, shown in [Table 1](#), indicates that the proposed development is expected to generate 6 a.m. peak hour, 8 p.m. peak hour, and 84 daily trips. The proposed development trip generation represents a significant decrease from the assumed EAW land uses, which were estimated to generate approximately 94 a.m. peak hour, 136 p.m. peak hour, and 892 daily trips.

Given that the adjacent transportation network was designed to support the EAW land use assumptions, the overall impact to area roadway capacity and infrastructure because of the proposed development is expected to be minimal. Therefore, no additional infrastructure is recommended to support the proposed development from a roadway capacity perspective.

Table 1 Trip Generation Summary

Land Use Type (ITE Code)	Size	AM Peak Hour		PM Peak Hour		Daily
		In	Out	In	Out	
<u>Proposed Development</u>						
Assisted Living (254)	32 Beds	3	3	3	5	84
<u>EAW Land Use Assumptions</u>						
Office (710)	10,000 SF	13	2	2	12	108
Strip Retail (822)	10,000 SF	14	10	33	33	546
Day Care (565)	5,000 SF	29	26	26	30	238
Total Future Trips (post-expansion)	25,500 SF	56	38	61	75	892

SITE PLAN REVIEW

A preliminary review of the proposed site plan does not indicate any significant issues with respect to access, circulation, parking, or multimodal connectivity. It is important to note that the proposed driveway between 171st Lane and 172nd Street will replace the existing private driveway. If existing users of this private driveway continue to use the proposed development driveway as a cut-through route, potential traffic calming, signage, and / or enforcement strategies should be considered to ensure safe conditions for all users. However, the amount of cut-through traffic is expected to be minimal and is not anticipated to create any significant capacity or operational issues.

CITY OF ELK RIVER
SHERBURNE COUNTY

CONDITIONAL USE PERMIT
Case No. CU 24-15

Permit. Subject to the terms and conditions set forth herein, the City of Elk River hereby grants a Conditional Use Permit (“Permit”) requested by DigniSuites ER RE, LLC for the following use:

Conditional Use Permit to allow construction of a 32-unit memory care/assisted living residential facility on Lot 1, Block 1, Pullman Place Second Addition

Property. The Permit is for the following described property (“Subject Property”) in the City of Elk River, Sherburne County, Minnesota:

Lot 1, Block 1, PULLMAN PLACE SECOND ADDITION, Sherburne County, Minnesota

Owner. Owner of the Subject Property at time of the approval of the Permit:

Crag Enterprises, LLC, owner

Conditions. The Permit is issued subject to the following conditions:

- 1. The property shall be platted prior to issuance of any building permit.**
- 2. Staff approval of all site, civil, and development plans.**
- 3. All comments on the Comment Letter dated August 21, 2024, shall be addressed.**

Termination of Permit. The Permit shall remain in effect only for so long as the conditions set forth herein are complied with. The City may revoke the Permit following a public hearing for violation of the terms and/or conditions set forth in the Permit.

Lapse. If within two (2) years of the issuance of the Permit the proposed work described in a conditional use permit has not been substantially completed, the permit shall expire and become void, except that the council may, following recommendation of the planning commission, extend the permit for an additional period determined by the council on the receipt of a request for a permit extension prior to its expiration. A conditional use permit authorizes only the use specified in the permit and shall expire if, for any reason, the authorized use ceases for more than six (6) months.

Criminal Penalty. Both the owner and any occupant of the Subject Property are responsible for compliance with the permit. Violation of the terms of the Permit is a criminal misdemeanor.

Recording. The Permit shall be recorded against the title to Subject Property.

Prepared By
Chris Leeseberg, Senior Planner

Item Description
Conditional Use Permit: Religious Institution, 21695
Elk Lake Rd NW - River of Life Church

Reviewed by
Zack Carlton
Cal Portner
Tina Allard

Action Requested

Approve by motion, the Conditional Use Permit with the following conditions to satisfy the standards set forth in Section 30-654:

1. Any addition, of any size, after Phase 2 will require the property to provide access to 217th Avenue with an upgrade of the gravel street to city standards from Elk Lake Road to the second approved location of the second access.
2. A 20-foot-wide fire department access road shall be installed along the east side of the building, connecting the northern and southwestern parking areas. The location and layout shall be approved by the Fire Department.

Background/Discussion

The applicant is requesting a Conditional Use Permit (CUP) to construct an addition to the existing religious institution (church) located at 21695 Elk Lake Road NW. The property, which spans approximately 30 acres, is zoned R1a – Single Family Residential, where churches require a CUP.

The current proposed addition (Phase 2) will be approximately 4,800 square feet. Site work for Phase 2 will also include preparations for a future 38,000-square-foot addition (Phase 3), including the construction of a 20-foot-wide gravel fire road around the east side of the building.

Planning Commission

During the public hearing, a resident asked who would be responsible for paying for the upgrade of 217th Avenue when/if it is constructed, and whether it would take land from adjacent properties. All construction costs would be at the church's expense and the road would be contained in existing right-of-way and/or prescriptive easements. The same would be true if the city initiates a 217th Avenue improvement project.

Staff have not received any comments since the commission meeting.

The Planning Commission had no questions or concerns and unanimously recommended approval.

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

Financial Impact

None

Mission/Policy/Goal

Meet changing needs - agile.

Action Requested

Recommend, by motion, approval of the Conditional Use Permit with the following condition to satisfy the standards set forth in Section 30-654:

1. Any addition, of any size, after Phase 2 will require the property to provide access onto 217th Avenue with an upgrade of the gravel street to city standards from Elk Lake Road to the second approved location of the second access.
2. A 20-foot-wide fire department access road shall be installed along the east side of the building, connecting the northern and southwestern parking areas.

Background/Discussion

The applicant is requesting a Conditional Use Permit (CUP) to construct an addition to the existing religious institution (church) located at 21695 Elk Lake Road NW. The property, which spans approximately 30 acres, is zoned R1a – Single Family Residential, where churches require a CUP.

The current proposed addition (Phase 2) will be approximately 4,800 square feet. Site work for Phase 2 will also include preparations for a future 38,000-square-foot addition (Phase 3), including the construction of a 20-foot-wide gravel fire road around the east side of the building.

The property currently has a single access point on Elk Lake Road and 287 parking stalls, with plans to expand the parking capacity by 34 additional stalls in the future. According to the 2020 Minnesota State Fire Code (Section 503.1.2), a fire code official can require more than one fire apparatus access road if a single road could be blocked by vehicle congestion, terrain, climate, or other factors. Consequently, any further additions beyond Phase 2 will require the property to provide access onto 217th Avenue and pave the street to city standards from Elk Lake Road to the second access point.

The church has a total of 13 employees and the typical hours of operation will be as follows:

- Sunday: 9 a.m. - 12 p.m. (Church Services)
- Monday: 9 a.m. - 2 p.m. (Office/Staff)
 - Fall: 9 a.m. - 4 p.m.

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

- Tuesday: 9 a.m. - 2 p.m. (Office/Staff)
 - Fall: 9 a.m. - 4 p.m.
- Wednesday: 9 a.m. - 2 p.m. (Office/Staff)
 - Fall: 9 a.m. - 4 p.m.
- Thursday: 9 a.m. - 2 p.m. (Office/Staff)
 - Fall: 9 a.m. - 4 p.m.
- Friday: Closed
- Saturday: Closed

Applicable Regulations

The issuance of a Conditional Use Permit can be ordered only if the use at the proposed location:

1. Will not endanger, injure or detrimentally affect the use and enjoyment of other property in the immediate vicinity or the public health, safety, morals, comfort, convenience or general welfare of the neighborhood or the city.

As this religious institution has been operating for over 20 years, and the proposed additions will not introduce alternative uses on the parcel, the use will not endanger, injure or detrimentally affect the use and enjoyment of other property in the immediate vicinity or the public health, safety, morals, comfort, convenience or general welfare of the neighborhood or the city.

Staff do not see a need to impose specific conditions to satisfy this standard.

2. Will be consistent with the comprehensive plan.

The property is guided as Public/Semi Public and includes local government uses, municipal facilities, community service providers, schools, and places of worship and assembly such as City Hall, fire stations, churches, and Elk River's public schools. Coordination with schools and service providers is key to ensure these essential facilities have capacity and/or are in areas that can support growth and development as it occurs. The use is consistent with the Comprehensive Plan.

Staff do not see a need to impose specific conditions to satisfy this standard.

3. Will not impede the normal and orderly development and improvement of surrounding vacant property.

The area is currently developed with large lot single family homes and as there are no vacant lots, the proposed use will not affect development of the surrounding area.

Staff do not see a need to impose specific conditions to satisfy this standard.

4. Will be served adequately by and will not adversely affect essential public facilities and services including streets, police and fire protection, drainage, refuse disposal, water and sewer systems, parks and schools; and will not, in particular, create traffic congestion or interference with traffic on adjacent and neighboring public thoroughfares.

The subject parcel utilizes public facilities and will be served adequately by and will not adversely affect essential public facilities and services including streets, police and fire protection, drainage, refuse disposal, water and sewer systems, parks and schools; and will not, in particular, create traffic congestion or interference with traffic on adjacent and neighboring public thoroughfares.

As was stated, the fire code official can require more than one fire apparatus access, and it is recommended that any addition after Phase 2 requires the property to provide access to 217th Avenue with an upgrade to a paved street, to city standards, from Elk Lake Road to the second access.

5. Will not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any persons or property because of excessive traffic, noise, smoke, fumes, glare, odors, dust or vibrations.

Again, the property has been operating for over 20 years as a church, and the proposed additions will not

introduce alternative uses on the parcel. The use will not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any persons or property because of excessive traffic, noise, smoke, fumes, glare, odors, dust or vibrations.

Staff do not see a need to impose specific conditions to satisfy this standard.

6. Will not result in the destruction, loss or damage of a natural, scenic or historic feature of major importance.

There are no natural, scenic or historic features of major importance on the subject parcel.

Staff do not see a need to impose specific conditions to satisfy this standard.

7. Will fully comply with all other requirements of this Code, including any applicable requirements and Standards for the issuance of a license or permit to establish and operate the proposed use in the city.

The use will fully comply with all other requirements of this Code, including any applicable requirements and standards for the issuance of a license or permit to establish and operate the proposed use in the city.

If denial of such a permit should occur, it shall accompany recommendations or determinations by findings or a report stating how the proposed use does not comply with the standards set forth in Section 30-654.

In the review of the standards for CUP as outlined, it appears that the request is consistent with all of these standards.

Financial Impact

None

Mission/Policy/Goal

Meet changing needs - agile.

Project Location Map

River of Life

Conditional Use Permit

Case No: CU 24-14

Project Scope & Description:

This project is Phase 02 of a multi-phased master plan. Phase 02 includes a new addition on the north side of the existing building as well as the Site work that is associated for the future additions.

The Master Planning of this project aims to construct new additions to the current building, addressing the church's growth needs in three distinct areas:

- o A new dedicated multipurpose space for children's activities, allowing for the existing space to be utilized for additional classrooms.
- o A new space tailored to the growing attendance of youth.
- o A new worship center, lobby, and administrative space to serve the entire congregation.

This expansion aligns with the Elk River Comprehensive Plan, which designates this area as one of targeted and projected growth areas for the city. The Future Land Use Map indicates a projection of new traditional single-family homes within just a few miles of the church location.

The design of the expansion is designed to complement the existing church's aesthetics while utilizing materials that are efficient, low-maintenance, and durable. The proposed exterior will feature load bearing CMU, precast concrete panels, and standing seam metal siding.

The current parking spaces count is 287 parking spaces, with a future proposed location for an additional 34 spaces.

Number of Employees & Hours of Operation:

River of Life church currently has 13 employees. The hours vary depending on the season, but below is the typical hours of operation:

- o Sunday = 9am-12pm (Church Services)
- o Monday = 9am-2pm (Office / Staff)
- ☐ Fall = 9am-4pm
- o Tuesday = 9am-2pm (Office / Staff)
- ☐ Fall = 9am-4pm
- o Wednesday = 9am-2pm (Office / Staff)
- ☐ Fall = 9am-4pm
- o Thursday = 9am-2pm (Office / Staff)
- ☐ Fall = 9am-4pm
- o Friday = Closed
- o Saturday = Closed

Signage:

There are two proposed signs for the project, one on the Northeast side of the building and one on the Southwest side. The current design of this signage is for this to be lettering, illuminated from below or back-lit. Current sign design dimensions are ~23' W x 4' H.

CITY OF ELK RIVER
SHERBURNE COUNTY

CONDITIONAL USE PERMIT
Case No. CU 24-14

Permit. Subject to the terms and conditions set forth herein, the City of Elk River hereby grants a Conditional Use Permit (“Permit”) requested by River of Life Church for the following use:

Conditional Use Permit to allow expansion of an existing religious use at 21695 Elk Lake Road NW

Property. The Permit is for the following described property (“Subject Property”) in the City of Elk River, Sherburne County, Minnesota:

LOT 1, BLOCK 1, RIVER OF LIFE, Sherburne County, Minnesota

Owner. Owner of the Subject Property at time of the approval of the Permit:

River of Life Church, owner

Conditions. The Permit is issued subject to the following conditions:

- 1. Any addition, of any size, after Phase 2 will require the property to provide access to 217th Avenue with an upgrade of the gravel street to city standards from Elk Lake Road to the second approved location of the second access.**
- 2. A 20-foot-wide fire department access road shall be installed along the east side of the building, connecting the northern and southwestern parking areas. The location and layout shall be approved by the Fire Department.**

Termination of Permit. The Permit shall remain in effect only for so long as the conditions set for the herein are complied with. The City may revoke the Permit following a public hearing for violation of the terms and/or conditions set forth in the Permit.

Lapse. If within two (2) years of the issuance of the Permit the proposed work described in a conditional use permit has not been substantially completed, the permit shall expire and become void, except that the council may, following recommendation of the planning commission, extend the permit for an additional period determined by the council on the receipt of a request for a permit extension prior to its expiration. A conditional

use permit authorizes only the use specified in the permit and shall expire if, for any reason, the authorized use ceases for more than six (6) months.

Criminal Penalty. Both the owner and any occupant of the Subject Property are responsible for compliance with the permit. Violation of the terms of the Permit is a criminal misdemeanor.

Recording. The Permit shall be recorded against the title to Subject Property.

Tina Allard

Action Requested

Adopt, by motion, Resolution 24-53 approving the plat of Jabez Fourth Addition, subject to the condition that the boundary line adjustment (P 24-08) is recorded prior to the plat.

Approve, by motion, the Conditional Use Permit authorizing the expansion of an existing vehicle sale and service operation (Cornerstone Kia), with the following conditions:

1. The platted exemption (Case No. P 24-09) must be approved by the Elk River City Council and recorded with Sherburne County.
 2. Staff approval of all construction plans.
 3. Approval of an encroachment agreement, authorizing the proposed parking lot expansion to cross existing drainage and utility easements.
5. Address any comments provided by MnDOT.

Background/Discussion

Cornerstone Kia, first approved in 2014 (Case No. CU 14-01) proposes an addition to their parking lot. The addition is considered an expansion of their existing vehicle sales and service operation and requires a Conditional Use Permit (CUP) approval.

Expansion of the parking lot requires two different property actions to ensure the vehicle sales operation occurs on one parcel. First, existing lot lines on the former Ebner's Bait site need to be adjusted to create a parcel that will be combined with the Kia lot. This is a boundary line adjustment that does not require action from the City Council.

The second application, a Subdivision Exception, combines the platted Cornerstone Kia parcel with a portion of the new parcel on the Ebner's Bait property. This action requires approval by the City Council, but as no new lots are being created, a public hearing is not required.

Site plans include a parking lot, which adds 31 new parking stalls, and a stormwater pond to accommodate the

Action Requested

Recommend, by motion, approval of the Conditional Use Permit authorizing expansion of an existing vehicles sales and service operation (Cornerstone Kia), with the following conditions:

1. The boundary line adjustment (Case No. P 24-08) must be approved and recorded.
2. The platted exemption (Case No. P 24-09) must be approved by the Elk River City Council and recorded with Sherburne County.
3. Staff approval of all construction plans.
4. Approval of an encroachment agreement, authorizing the proposed parking lot expansion to cross existing drainage and utility easements.
5. Address any comments provided by MnDOT.

Background/Discussion

Cornerstone Kia, first approved in 2014 (Case No. CU 14-01), proposes an addition to their parking lot. The addition is considered an expansion of their existing vehicle sales and service operations and requires approval of a Conditional Use Permit (CUP).

Expansion of the parking lot requires two different land use actions to ensure the vehicle sales operation occurs on one parcel. These land use actions do not require a recommendation from the Planning Commission. The second application, Subdivision Exception, combines the platted lot where the dealership currently sits with a portion of the parcel to the south that had been part of the Ebner's Bait operation and requires council approval.

Site plans include a parking lot, which adds 31 new parking stalls, and a stormwater pond to accommodate the additional impervious surface. The property is zoned FAST Subzone (H) and guided for Highway Business uses by the Comprehensive Plan.

Applicable Regulations

The issuance of a Conditional Use Permit can be ordered only if the use at the proposed location:

1. Will not endanger, injure or detrimentally affect the use and enjoyment of other property in the immediate vicinity or
- The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

the public health, safety, morals, comfort, convenience or general welfare of the neighborhood or the city.

The property abuts Highway 10 and other commercial and industrial uses. The parcel to the south had included a retail operation, Ebner's Bait, but that has since closed. The small expansion to an existing automobile dealership will not detrimentally affect nearby parcels.

Staff do not see a need to impose specific conditions to satisfy this standard.

2. Will be consistent with the comprehensive plan.

The Comprehensive Plan guides the property for Highway Commercial uses. This classification also applies the surrounding properties.

Staff do not see a need to impose specific conditions to satisfy this standard.

3. Will not impede the normal and orderly development and improvement of surrounding vacant property. The property to the south is guided for commercial uses, but currently operates as a legal non-conforming residential operation.

This proposal, being a relatively small expansion to an existing operation, will not impede the development of surrounding vacant property.

Staff do not see a need to impose specific conditions to satisfy this standard.

4. Will be served adequately by and will not adversely affect essential public facilities and services including streets, police and fire protection, drainage, refuse disposal, water and sewer systems, parks and schools; and will not, in particular, create traffic congestion or interference with traffic on adjacent and neighboring public thoroughfares.

The subject site is adequately served by public facilities and will not have a detrimental effect on surrounding properties or public thoroughfares. There is a buried stormwater pipe within a drainage and utility easement south of the existing Kia parking lot. The applicant does not propose relocating that pipe and has requested approval of an encroachment agreement to allow the easement and pipe to remain in place.

Additionally, as this property abuts State Highway 10, MnDOT is preparing comments to address any concerns they may have with the project.

Staff included conditions requiring approval of an encroachment agreement and satisfaction of any comments from MnDOT prior to recording the CUP.

5. Will not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any person or property because of excessive traffic, noise, smoke, fumes, glare, odors, dust or vibrations.

The additional use involves cars parked for display and sale in support of an existing automobile dealership. Runoff from the additional hardcover will be treated by the new stormwater pond. The proposed use will not detrimentally affect surrounding properties.

Staff do not see a need to impose specific conditions to satisfy this standard.

6. Will not result in the destruction, loss or damage of a natural, scenic or historic feature of major importance. There are no natural, scenic or historic features of major importance on the subject parcel.

Staff do not see a need to impose specific conditions to satisfy this standard.

7. Will fully comply with all other requirements of this Code, including any applicable requirements and standards for the issuance of a license or permit to establish and operate the proposed use in the city.

The use will fully comply with all other requirements of this Code, including any applicable requirements and standards for the issuance of a license or permit to establish and operate the proposed use in the city.

Staff do not see a need to impose specific conditions to satisfy this standard.

If denial of such a permit should occur, it shall accompany recommendations or determinations by findings or a report stating how the proposed use does not comply with the standards set forth in Section 30-654.

In the review of the standards for CUP as outlined, it appears that the request is consistent with all of these standards.

Financial Impact

None

Mission/Policy/Goal

Support the growth and development of the community.

Conditional Use Permit

Case No: P 24-08, P 24-09, CU 24-13

Cornerstone Auto has purchased property next to our KIA dealership that is owned by Ron Ebner. Ron is going to remain in his residence until next year, however KIA has an immediate need for additional parking.

To create this parking, the lot Ron's house sets on will be rearranged to add property to KIA's lot, making room for about 30 additional stalls. Our proposed plat is to add this land to KIA's parcel. To access this new parking we are asking to encroach on the easement in the southwest corner of KIA's lot the width of a driveway.

Since auto repairs are done at KIA we also need approval of a conditional Use Permit, although the new parking has nothing to do with this aspect of the service KIA provides. Nothing will change regarding auto repair at KIA due to the addition of these parking stalls

Elk River, MN 55330

SUBJECT: MnDOT Review #**S24-033**
Cornerstone KIA-Elk River
SE Quad US 10 & 171st Avenue NW
Elk River, Sherburne County

Dear Ms. Green:

Thank you for the opportunity to review the plans for **Cornerstone KIA-Elk River**. MnDOT has reviewed the documents and has the following comments:

Right-of-Way:

Please label the MnDOT Right-of-Way line.

Questions about this comment should be sent to Chinou Vue, MnDOT Right-of-Way Manager at Chinou.Vue@state.mn.us or 651-234-7570.

Water Resources:

A MnDOT Drainage permit will be required to ensure that current drainage rates to MnDOT right-of-way will not be increased. The permit applicant shall demonstrate that off-site run-off coming to MnDOT drainage system and/or right-of-way will not increase as a result of the proposed project.

The drainage permit application, including the information below, should be submitted online to: <https://olpa.dot.state.mn.us/OLPA/>. Upload a copy of this letter when applying for any permits.

The following information must be submitted with the drainage permit application:

- 1) A grading plan showing existing and proposed contours.
- 2) Drainage area maps for the proposed project showing existing and proposed drainage areas. Any off-site areas that drain to the project area should also be included in the drainage area maps. The direction of flow for each drainage area must be indicated by arrows.
- 3) Drainage computations for pre and post construction conditions during the 2, 10, and 100 year rain events.
- 4) Time of concentration calculations.
- 4) An electronic copy of any computer modeling used for the drainage computations.
- 5) See also the attached Drainage Permits Checklist for more information.

An equal opportunity employer

Once a drainage permit application is submitted, a thorough review will be completed and additional information may be requested.

Please direct questions concerning drainage issues to Jason Swenson, MnDOT Metro Water Resources at 651-234-7539 or Jason.Swenson@state.mn.us.

Permits:

As mentioned above a drainage permit will be required. Any other use of, or work within or affecting, MnDOT right of way will require a permit.

Permits can be applied for at this site: <https://olpa.dot.state.mn.us/OLPA/>. Please upload a copy of this letter when applying for any permits.

Please direct questions regarding permit requirements to Buck Craig of MnDOT's Metro Permits Section at 651-775-0405 or Buck.Craig@state.mn.us.

Review Submittal Options

MnDOT's goal is to complete reviews within 30 calendar days. Review materials received electronically can be processed more rapidly. Do not submit files via a cloud service or SharePoint link. In order of preference, review materials may be submitted as:

1. Email documents and plans to metrodevreviews.dot@state.mn.us. Attachments may not exceed 20 MB (megabytes) per email. Documents can be zipped as well. If multiple emails are necessary, number each email.
2. Files over 20 MB can also be uploaded to MnDOT's Web Transfer Client site: <https://mft.dot.state.mn.us>. Contact metrodevreviews.dot@state.mn.us, and staff will create a shared folder in which files can be uploaded. Please send an accompanying email with a narrative for the development.

If you have any questions concerning this review, please contact me at (651) 234-7797 or Cameron.muhic@state.mn.us.

Sincerely,

Cameron Muhic
Principal Planner

City of Elk River City Council

Resolution 24-53

A Resolution of the City Council of the City of Elk River Granting Plat Approval for Jabez Fourth Addition

WHEREAS, application has been made for plat approval, pursuant to Section 30-352 (c) of the Elk River City Code of Ordinances, of the property legally described on attached Exhibit A and hereinafter referred to as “the Property”; and

WHEREAS, the proposed final plat complies with each of the conditions set forth by the City Council in its approval of the plat of the Property;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Elk River, Minnesota, as follows:

1. It is hereby determined by the City Council for the City of Elk River as follows:
 - A. The proposed subdivision is consistent with the Chapter of 30 of the City Code of Ordinances and conforms with all requirements.
 - B. The proposed subdivision is consistent with all applicable general and specialized city, county, and regional plans including, but not limited to, the City’s Comprehensive Plan.
 - C. The physical characteristics of the site, including, but not limited to, topography, soils, vegetation, susceptibility to erosion and siltation, susceptibility to flooding, and drainage are suitable for the type and density of development and uses contemplated.
 - D. The proposed subdivision makes adequate provision for water supply, storm drainage, sewage transportation, erosion control and all other services, facilities and improvements otherwise required herein.
 - E. The proposed subdivision will not cause substantial environmental damage.
 - F. The proposed subdivision will not conflict with easements of record or with easements established by judgment of a court.
 - G. The proposed subdivision will not have an undue or adverse impact on the reasonable development of neighboring land.
2. The officers of the City are hereby authorized to sign the final plat for the Property and issue a certified copy of this Resolution giving final approval of the plat.
3. The owner of the Property is authorized to record the final plat as required by law and shall file proof of said recording with the City. No building permits will be issued for the Property until the final plat is recorded.

4. This final plat approval shall expire two years from the date of this resolution if the final plat is not recorded within that time.

Passed and adopted this 16th day of September 2024.

John J. Dietz, Mayor

ATTEST:

Tina Allard, City Clerk

CITY OF ELK RIVER
SHERBURNE COUNTY

CONDITIONAL USE PERMIT
Case No. CU 24-13

Permit. Subject to the terms and conditions set forth herein, the City of Elk River hereby grants a Conditional Use Permit (“Permit”) requested by Cornerstone Kia for the following use:

**Conditional Use Permit to allow expansion of the existing vehicle sale and service operation,
previously approved with CU 14-01, at 17094 Vance Street NW.**

Property. The Permit is for the following described property (“Subject Property”) in the City of Elk River, Sherburne County, Minnesota:

Lot 1, Block 1, JABEZ FOURTH ADDITION, Sherburne County, Minnesota

Owner. Owner of the Subject Property at time of the approval of the Permit:

Mississippi Highlands, LLC

Conditions. The Permit is issued subject to the following conditions:

1. The platted exemption (Case No. P 24-09) must be approved by the Elk River City Council and recorded with Sherburne County.
2. Staff approval of all construction plans.
3. Approval of an encroachment agreement, authorizing the proposed parking lot expansion to cross existing drainage and utility easements.
4. Address any comments provided by MnDOT.

Termination of Permit. The Permit shall remain in effect only for so long as the conditions set for the herein are complied with. The City may revoke the Permit following a public hearing for violation of the terms and/or conditions set forth in the Permit.

Lapse. If within two (2) years of the issuance of the Permit the proposed work described in a conditional use permit has not been substantially completed, the permit shall expire and become void, except that the council may, following recommendation of the planning commission, extend the permit for an additional period determined by the council on the receipt of a request for a permit extension prior to its expiration. A

conditional use permit authorizes only the use specified in the permit and shall expire if, for any reason, the authorized use ceases for more than six (6) months.

Criminal Penalty. Both the owner and any occupant of the Subject Property are responsible for compliance with the permit. Violation of the terms of the Permit is a criminal misdemeanor.

Recording. The Permit shall be recorded against the title to Subject Property.

Dated: September 16, 2024.

Action Requested

Adopt, by motion, Resolution 24-54 approving the Comprehensive Plan amendment to change the guidance for certain parcels from Rural Residential to Traditional Single-Family Residential.

Adopt, by motion, Ordinance 24-20 approving a Zone Change that rezones the subject properties from R-1a to R-1b subject to the condition that the Council approve the associated Comprehensive Plan amendment.

Approve, by motion, the preliminary plat of Meadowsweet Bend, subject to the following conditions:

1. Council approval of the Land Use Amendment (LU 24-03) and Zone Change (ZC 24-02) supporting the plat.
2. All cul-de-sacs and streets must comply with MN State Fire Code Chapter 5 and Appendix D.
3. Staff approval of all site, utility, engineering, and landscaping plans.
4. State and local approval of all wetland permits related to the proposed wetland fill.
5. The developer shall pay a per lot trunk utility fee, determined by the Public Works Director, at the time of platting.
6. A Sewer Access Fee shall be paid for each lot at the time of building permit.
7. All buildable lots shall include a drainage and utility easement for areas within the 45-foot wetland setback or within 45 feet of the OHW for wet stormwater ponds.
8. A trail shall be constructed on one side of each residential street.
9. Landscape plans shall be submitted for review and approval by city staff.
10. Grading for all stormwater ponds must begin 10-feet behind the front property line.
11. Address all comments from Sherburne County.
12. A sign noting "future through street" shall be posted on all temporary dead-end streets.
13. Accept the 1.52-acre parcel along the northwest corner of Burr Oak Park, less the area within the overhead powerline easement, as land dedication.
14. Accept the 1.62-acre parcel along the east side of Burr Oak Park as land dedication.
15. The developer shall pay a reduced park dedication rate based on a portion of the required land dedication being satisfied. Cash dedication will be determined with the development agreement and the final plat.

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

16. The developer shall construct a scenic trail through the subdivision.

Background/Discussion

The applicant, Twin Cities Land Development (TCLD), has submitted land use applications seeking approval for a 104-lot residential subdivision. The subject site is located northwest of the intersection of County Roads 33 and I, with frontage and access to County Road 33. The proposed land and zoning amendments allow the development to include parcels as small as 0.92 acres, with most parcels larger than one acre.

The proposed subdivision is unique in that it will connect to the existing city sewer service beneath County Road 33, which was installed to provide service for Windsor Park, while providing private water service (well) connections. The utility connection configuration has been reviewed in concept by both the City Council and the Elk River Municipal Utilities Commission, having received support from both bodies.

Park Dedication

The Park and Recreation Commission has reviewed this subdivision for park dedication. The developer had proposed dedicating two parcels, both abutting Burr Oak Park, to satisfy a portion of the land dedication requirements. The ordinance requires total land dedication at 8.8 acres, and the proposed dedication totals 3.14 acres, or 35.69% of the requirement. The remaining dedication requirement will be satisfied through a reduced per lot cash dedication (estimated at \$1,971.57/lot). The final amount will be determined by the final plat and development agreement as part of a future application.

The Commission also recommends an alternative trail be constructed at the developer's expense. The trail would provide a scenic substitute to the current recommendation along the roadside. A specific location was not provided, but the commission would like the developer to include this in future plans.

The applicant has proposed that the remaining cash dedication should be satisfied with the construction of the trails recommended as a condition of approval. This request would meet all the cash dedication requirements. City codes address this subject in two different sections.

Sec. 30-536 states:

Sidewalks may be required along one or both sides of all arterial and collector streets in residential, commercial, and industrial areas or within a subdivision when it is determined by the city council that a sidewalk will benefit pedestrian circulation.

Sec. 30-327 (h) and (i) state:

(h) *Improvements to dedicated land.* As part of the subdivision approval, the tract owner shall be responsible for making certain improvements to land dedicated for park, trail and public open space purposes, including, but not limited to, finished grading, ground cover, construction of trails and clearly identifying park and trail boundaries with city-approved markers.

(i) *Credit for construction of recreational facilities.* Park dedication credit shall not be granted for the construction of recreational facilities unless specifically approved by the city council. The submission for review by staff and the park and recreation commission shall include an estimate of installation costs, equipment specifications and a site plan. The Parks and Recreation Commission shall review such improvements to be appropriateness to the Park and Trail Master Plan.

Planning Commission

The Commission held a public hearing on these items on August 27, 2024. Three residents spoke during the public hearing. One noted that he was happy to see that the project was not a clustered septic system as there have been numerous issues with them throughout the community. A second resident asked for more details regarding the proposed sewer connections, the location of a trail, and proposed setbacks. The third resident had numerous concerns regarding the number of wells, the transition away from rural residential

areas and to smaller lot sizes, the wetlands along the northern property line, and the suitability of soils for development.

The wetlands and plant communities along the north property line will not be altered as part of this project. City ordinances require a minimum of a 45-foot buffer around wetlands, and any impacts would require state approval.

The Commission also asked questions regarding the proposed zoning of R-1b to discuss whether we are creating future variance or home occupation concerns. Staff noted that the thresholds for the more intense uses require larger lots (2.5 to 5-acres or above) and an R-1a zoning. The change to R-1b removes many of those concerns.

The Commission did not have any additional questions and unanimously recommended approval the applications.

Financial Impact

None

Mission/Policy/Goal

Support the growth and development of the community.
Opportunity to live, work, and play.

Item Description
Land Use Amendment/Zone Change/Preliminary
Plat: Meadowsweet Bend Residential Subdivision -
Twin Cities Land Development

Reviewed by
Chris Leeseberg

Action Requested

Recommend, by motion, approval of a Comprehensive Plan amendment to change the guidance for certain parcels from Rural Residential to Traditional Single-Family Residential.

Recommend, by motion, approval of a Zone Change that rezones the subject property from R-1a to R-1b subject to the condition that the Council approve the associated Comprehensive Plan amendment.

Recommend, by motion, approval of the preliminary plat of Meadowsweet Bend, subject to the following conditions:

1. Council approval of the Land Use Amendment (LU 24-03) and Zone Change (ZC 24-02) supporting the plat.
2. All cul-de-sacs and streets must comply with MN State Fire Code Chapter 5 and Appendix D.
3. Staff approval of all site, utility, engineering, and landscaping plans.
4. State and local approval of all wetland permits related to the proposed wetland fill.
5. The developer shall pay a per lot trunk utility fee, determined by the Public Works Director, at the time of platting.
6. A Sewer Access Fee shall be paid for each lot at the time of building permit.
7. All buildable lots shall include a drainage and utility easement for areas within the 45-foot wetland setback or within 45 feet of the OHW for wet stormwater ponds.
8. A trail shall be constructed on one side of each residential street.
9. Landscape plans shall be submitted for review and approval by city staff.
10. Grading for all stormwater ponds must begin 10-feet behind the front property line.
11. Address all comments from Sherburne County.
12. A sign noting "future through street" shall be posted at all temporary dead-end streets.
13. Wetland boundaries shall be signed at all property lines.

Background/Discussion

The applicant, Twin Cities Land Development (TCLD), has submitted land use applications seeking approval of a 104-lot residential subdivision. The subject site is located northwest of the intersection of County Roads 33

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

and I, with frontage and access to County Road 33. The proposed land and zoning amendments allow the development to include parcels as small as .92 acres, with most parcels larger than 1-acre.

The proposed subdivision is unique in that it will connect to the existing city sewer service beneath County Road 33, which was installed to provide service for Windsor Park, while providing private water service (well) connections. The utility connection configuration has been reviewed in concept by both the City Council and the Elk River Municipal Utilities Commission, having received support from both bodies.

Comprehensive Plan

The Comprehensive Plan guidance for the project area straddles two land use designations – Rural Residential and Traditional Single-Family Residential. The applicant has requested the entirety of the subject site to be designated as Traditional Single-Family Residential. The proposed project is consistent with nearby Traditional Single-Family Residential areas and supports the proposed development type.

Streets and Trails

The subdivision includes a network of city streets constructed in accordance with city standards for a rural roadway. The design does not include curb and gutter, as included for typical urban developments, but conveys stormwater via ditches along the sides of the roadway. All homes will have direct access to a city street. The two connections to County Road 33 must meet all requirements of the city and Sherburne County, to include recommended turn lanes as required.

Previously reviewed concepts included a trail on one side of the city streets. Staff have included this a recommended condition to provide for safe, off-street, pedestrian movements through the subdivision and to connect with existing trails along County Road 33. The location and design of the trail will be finalized with conversations between the city and the developer.

Engineering and Utilities

As noted, the subdivision will connect to the sewer line that was installed to provide sewer service for Windsor Park. This sewer line was installed at the request of the residents of the subdivision to address concerns with the failing clustered septic system. The sewer line was paid for by both the residents of the subdivision and the City of Elk River, and ownership was turned over to the city for long-term maintenance, just like utility improvements constructed as part of most residential subdivisions.

City staff have reviewed the design capacities for the sewer service and have determined that there is adequate capacity for the 104-lots included in this subdivision.

The developer, TCLD, will pay both a trunk utility fee and a Sewer Access Charge for each single-family parcel within the subdivision. These fees are consistent with what has been charged to other residential parcels that have already been connected to this service.

Parcel Design and Layout

The proposed subdivision proposes a rezoning to R-1b, single-family residential, and minimum lot widths of 120 feet. The hybrid configuration of the subdivision, connecting to city sewer will providing private wells, is between the city standards for a typical R-1b development. The R-1b zoning district allows non-sewered lots at 1-acre, with a minimum lot width of 160-feet. However, sewerred lots in the same zoning district require a minimum lot size of 12,000 square feet, and a minimum lot width of 80-feet.

The Meadowsweet Bend subdivision proposes a mix of the two R-1b zoning requirements. The smallest lot within the subdivision is 40,206 square feet and has a minimum width of 120 feet, significantly larger than what is required for sewerred lots.

The setbacks are consistent for both sewerred and unsewerred lots and are described as follows:

Front Yard	35 feet
Side Yard	10 feet
Garage Side	5 feet
Rear Yard	25 feet

Applicable Regulations

Zone Change

In reviewing a proposed amendment, consideration shall be given to existing conditions within the area directly and indirectly affected by the proposal, the conservation of property values, the use to which the property affected is being devoted at the time, and relevant provisions, if any, in the land use plan.

The applicant has requested both a Comprehensive Plan amendment and a zone change. The zoning must align with the Comprehensive Plan guidance. For the zone change to be approved, the city must also approve the requested land use amendment. With that approval, the zone change from R-1a to R-1b would be consistent with the Comprehensive Plan and staff recommends approval.

The recommendation for approval of the zone change includes a condition that the land use amendment also be approved.

Preliminary Plat

City ordinance section 30-375 outlines the required findings for approval of a Preliminary Plat.

1. The proposed subdivision is consistent with the zoning regulations (article VI of this chapter) and conforms in all respects with all requirements of this Code, including the zoning regulations and this article.

As has been noted earlier in the staff report, this is a unique project that contemplates connection to city sewer services while maintaining private water (well) service. The proposed design also mixes the sewer/non-sewered standards for the R-1b zoning district – exceeding the minimum required lot size for a sewer lot. Other development standards, city streets, trail connections, wetland buffering, and stormwater will be accounted for and comply with all city standards.

2. The proposed subdivision is consistent with all applicable general and specialized city, county, and regional plans, including, but not limited to, the city's comprehensive development plan.

The subdivision requires approval of a Comprehensive Plan amendment and a zone change. Their approvals are included as conditions for the preliminary plat. Pending Council approval of these applications, the subdivision will be consistent with all plans.

3. The physical characteristics of the site, including but not limited to topography, soils, vegetation, susceptibility to erosion and siltation, susceptibility to flooding, and drainage are suitable for the type and density of development and uses contemplated.

The physical characteristics of the site support the proposed use. Any wetland impacts will be reviewed by the city and state through the established review process. Stormwater features, including a network of roadway ditches and basins, will ensure water leaving the site, and flowing on to adjacent properties, is consistent with present day metrics. Staff have included several conditions recommending updates to the current plans, and the project will be required to meet state and local standards.

4. The proposed subdivision makes adequate provision for water supply, storm drainage, sewage transportation, erosion control and all other services, facilities and improvements otherwise required in this article.

The subdivision includes a connection to city sewer, requiring payment of a trunk utility fee. The developer will pay for all sewer lines within the boundaries of their subdivision. ERMU continues to review the project for access to water, and all water access permits will be required prior to releasing the final plat for recording.

Additionally, Sherburne County is reviewing the two connections with County Road 33 for consistency with their access management guidelines. The developer may be required to construct dedicated turn lanes at one or both access points. Addressing comments from Sherburne County is a condition of approval.

5. The proposed subdivision will not cause substantial environmental damage.

The wetlands have been delineated by a qualified professional and city ordinances require a 45-foot buffer around all wetlands. This buffer prohibits placement of any impervious surface (sheds, patios, etc) within 45-feet of a wetland. Should the developer propose any impacts to the wetlands, they will be required to receive all necessary approvals from the state and city.

Construction plans identify minimal tree removal beyond what is need for the public infrastructure. This is a departure from other projects, where the plans show a near clear-cutting of the existing vegetation. Many of the lots will have mature trees left on site.

6. The proposed subdivision will not conflict with easements of record or with easements established by judgment of a court.

There are no conflicts with easements of record.

7. The proposed subdivision will not have an undue and adverse impact on the reasonable development of neighboring land.

The proposed subdivision includes future right-of-way connections to adjacent, undeveloped, parcels. These roads will end in a cul-de-sac under the current plans, but provide an opportunity for future landowners to connect to city infrastructure.

8. The proposed subdivision is not premature. A subdivision is premature if any of the following exists:

- a. Lack of adequate stormwater drainage.*
- b. Lack of adequate roads.*
- c. Lack of adequate sanitary sewer systems.*
- d. Lack of adequate off-site public improvements or support systems.*

The subdivision is not premature, and the plans demonstrate compliance with this standard.

In reviewing the standards for approval of a Zone Change and Preliminary Plat, the proposed project meets the standards, and is recommended for approval with the outlined conditions.

Financial Impact

None

Mission/Policy/Goal

Opportunity to live, work, and play.

Meadowsweet Bend Proposal for New Residential Acreage Lots in Elk River

The team at Twin Cities Land Development (TCLD) is pleased to propose Meadowsweet Bend; a new large-lot residential neighborhood at Ranch Road in Elk River, MN.

PROJECT SUMMARY

Meadowsweet Bend Proposes:

- **104 new construction, for-sale homes (across ~217 gross acres)**
- **A range of lot sizes for buyers to choose from (min ~1 acres to 8+ acres)**

Based on concept review discussions to date, our understanding is that the City of Elk River and community stakeholders have expressed a desire for lower density housing within this area of the City. We agree that this is the highest and best use for this land, considering the beauty of the existing land and the surrounding community context. We are confident that there is very strong builder/home-buyer demand for larger acreage residential lots in Elk River.

Proposed lots will meet or exceed the city's standard **R-1B sewer**ed zoning requirements, with the following dimensions:

Lot Dimensions	R-1B Zoning	Meadowsweet Bend
Front Setbacks	35'	35'
Side Setbacks	10'	10'
Rear Setbacks	25'	25'
Min Lot Width	80'	120'
Min Lot Sq Ft	12,000 sq ft	40,206 sq ft

DEVELOPMENT GOALS

Meadowsweet Bend aims to deliver mutually desired new housing opportunities and significant community benefits for both existing and new residents in Elk River. **Through the creation of a new, thoughtfully crafted residential neighborhood, we strive to bring to life the City's vision for the Ranch Road Corridor in the following ways:**

1. **Residential Land Use: Encourage residential development with a variety of housing types that fosters high-quality, livable neighborhoods, supports the established character of the area, and fosters greater housing choice.**

Meadowsweet Bend is positioned between the more traditional Windsor neighborhood and surrounded by agricultural / rural land. The project proposes a mix of lot sizes that will provide a complementary buffer and transition between the existing rural and residential uses. Meadowsweet Bend will help to expand the range of housing options available in the City of Elk River and provide much-needed new home-ownership opportunities. The neighborhood design allows for a range of price points and considers that many homebuyers today wish to be part of a community with a strong sense of place while also providing a sense of independence and open private space.

2. Expand Access to Parks, Open Space & Natural Resources through neighborhood development.

The overall layout of the neighborhood at Meadowsweet Bend is designed to showcase and preserve the existing natural resources of the area; A winding rural road will allow pedestrian connections to nature and neighbors. The project proposes dedication of ~3.14 acres of land to the City (adjacent to the existing Burr Oak Park), which could be used to expand and enhance public access to this public amenity.

3. Thoughtful Utility Design: A unique opportunity to deliver a hybrid utility model.

Rural developments typically include individual wells and septic systems. The proposed neighborhood has been sized in a manner that will support this traditional well/septic rural configuration. However, based on preliminary engineering review and analysis of the 2023 Feasibility Report prepared by WSB for the City of Elk River, we propose that this specific site location and layout presents a unique opportunity to provide homebuyers with a hybrid utility model. Each lot can be served by individual wells for water service, yet can connect to Municipal Sewer via the existing Windsor Lift Station (as described in the Feasibility study through the Northwest Expansion area findings).

This hybrid well/sewer configuration has been successfully executed in many communities and provides an appealing option for both homebuyers as well as municipalities. New lots would contribute Sewer Extension Costs and SAC Fees, providing the funding to support long-term maintenance – providing City control over the system's function. Homebuyers will benefit from the efficiencies and peace of mind that municipal sewer services provide, while retaining the sought-after rural feel and character that are typically associated with well-water and acreage lots. Based on preliminary discussions with Elk River stakeholders including Municipal Utilities and public concept plan hearings, **we believe there is a shared interest and benefit in pursuing this hybrid design solution.**

We sincerely appreciate your time, and all feedback, suggestions, or questions that the community can provide as we advance designs for this project. We look forward to the opportunity to collaborate with you to bring a shared vision to fruition for Meadowsweet Bend!

Thank you,

Carla Dunham

Twin Cities Land Development

ABOUT US

The TCLD team has experience in every facet of Twin Cities real estate development, investment, and management. The project team has developed thousands of single-family and multi-family lots, establishing itself as the most prominent locally owned lot developer in the Twin Cities.

As a trusted residential developer, our track record speaks for itself. Over the years, we have successfully brought numerous projects to life, earning a reputation for integrity, reliability, and exceptional results. Our diverse portfolio showcases our ability to adapt to evolving market trends and deliver projects that stand the test of time. Learn more at: www.TCLandDev.com.

The East Half of the Southwest Quarter of Section 8, Township 33, Range 26, Sherburne County, Minnesota, described as follows: Commencing at the Southwest corner of said East Half of the Southwest Quarter; thence North 0 degrees 15 minutes 37 seconds East, assumed bearing along the West line of said East Half of the Southwest Quarter, a distance of 947.60 feet to intersect the centerline of County Road No. 33, also known as Ranch Road, said point of intersection also being the actual point of beginning of the tract to be described; thence South 62 degrees 35 minutes 50 seconds East along said centerline, a distance of 305.00 feet, more or less, to intersect the east line of the West 271.41 feet of said East Half of the Southwest Quarter; thence North 0 degrees 15 minutes 37 seconds East parallel with said West line of the East Half of the Southwest Quarter, a distance of 305.00 feet to intersect said West line of the East Half of the Southwest Quarter; thence South along said West line, a distance of 802.57 feet to the point of beginning.

That part of the East Half of the Southwest Quarter of Section 8, Township 33, Range 26, Sherburne County, Minnesota, described as follows: Commencing at the Southwest corner of said East Half of the Southwest Quarter; thence on an assumed bearing of North 0 degrees 15 minutes 37 seconds East along the West line of said East Half of the Southwest Quarter, a distance of 947.60 feet to intersect with the centerline of County Road No. 33, thence South 62 degrees 35 minutes 50 seconds East along said centerline, a distance of 877.62 feet to the point of beginning of the land to be described; thence North 27 degrees 34 minutes 50 seconds East, a distance of 412.49 feet; thence South 72 degrees 29 minutes 56 seconds East, a distance of 355.81 feet to the east line of said East Half of the Southwest Quarter; thence South 0 degrees 18 minutes 12 seconds West along said east line, a distance of 534.02 feet to said centerline of County Road No. 33; thence North 62 degrees 35 minutes 50 seconds West along said centerline a distance of 603.62 feet to the point of beginning.

Survey Notes:

- Title reports were supplied by First American Title Insurance Company and are referred to herein.
- Subject property is NOT within a flood plain district as mapped by FEMA.
- Contours were created using MNDNR MN/Topo Liar (NAVD 88) and actual field measurements.
- Wetland Delineation was performed by Kjolhaug Environmental Services, on October 4th, 2022, reviewed by Mark Kjolhaug wetland scientist, No. 020845.
- Soil investigations were conducted by Braun Interac on 7/2/24-7/3/24. Refer to separate report.
- Portions of the subject property are within the shoreland overlay district and extents of which are shown herein.

I hereby certify that a boundary survey has been completed for the preliminary plat of MEADOWSWEET BEND, Sherburne County, Minnesota.

City of Elk River

Sherburne County, MN

SHEET 3 OF 6

Preliminary Plat of MEADOWSWEET BEND

CITY OF ELK RIVER
SHERBURNE COUNTY, MN

Bearings are based on the Sherburne County coordinate system (NAD83 8565). For the purpose of this plat, the East-West Quarter line of Sec. 7, Twp. 33, Rng. 26, Sherburne County, MN is assumed to bear North 88 degrees 36 minutes 27 seconds East.

- Denotes found iron monument
- Denotes 8 inch by 14 inch iron monument with a plastic plug stamped R.L.S. 47465 to be set within one year of platting date
- ◆ Denotes found rebar
- ⊙ Denotes found cast iron monument

REFERENCE BENCHMARK:
INDOT Geodetic Monument "BELGARD"
Elevation = 100.82 feet (NAVD 88)

PLAT BENCHMARK:
Top of well located on Lot 4, Block 5
Elevation = 969.88 feet (NAVD 88)

DEVELOPER:
TCLD Land Holdings, LLC
4800 Olson Memorial Hwy, Suite 100

13076 First Street
Becker, MN 55308-9322
763-262-8622

TOTAL AREA: 216.79+ Acres

EXISTING ZONING: R-1a

PROPOSED ZONING: R-1a Sewered

MINIMUMS:
Non Shoreland
80' Width
175' Depth
12,500 S.F.
Shoreland
125' Width
1.0 Acre
40,000 S.F.

DENOTES BUILDING SETBACKS:
30' Front
10' Side
25' Rear
45' Wetland (Buffer + Setback)
150' ORW
Drainage and Utility Easements are shown thus:

Being 10 feet in width and adjoining right-of-way lines and plat boundary lines, also being 5 feet in width and adjoining lot lines, unless otherwise indicated, as shown on plat.

PRIVATE UTILITIES SHOWN ARE QUALITY LEVEL D.
QUALITY LEVEL D PROVIDES THE MOST BASIC LEVEL OF INFORMATION. IT INVOLVES
COLLECTING DATA FROM EXISTING UTILITY RECORDS. RECORDS MAY INCLUDE AIR-BUILT
DRAWINGS, DISTRIBUTION AND SERVICES MAPS, EXISTING GEOGRAPHIC INFORMATION
SYSTEM DATABASES, CONSTRUCTION PLANS, ETC.

SHEET X.3
SHEET X.4

LEGEND:

- REMOVE PAVEMENT SECTION
- REMOVE EXISTING TREES
- REMOVE FEATURE
- SALVAGE
- SAW-CUT
- GRADING EXTENTS

DEMOLITION GENERAL NOTES:

- IT IS THE RESPONSIBILITY OF THE CONTRACTOR TO PERFORM OR COORDINATE ALL UTILITY CONNECTIONS AND RELOCATIONS FROM EXISTING UTILITY LOCATIONS TO THE PROPOSED BUILDING, AS WELL AS TO ALL ON-SITE AMENITIES. THESE CONNECTIONS INCLUDE BUT ARE NOT LIMITED TO WATER, SANITARY SEWER, UNDERGROUND GAS, ETC.
- THE CONTRACTOR SHALL VERIFY THE ELEVATIONS AT PROPOSED CONNECTIONS TO EXISTING UTILITIES PRIOR TO ANY DEMOLITION.
- CONTRACTOR SHALL COORDINATE WITH THE CITY OF ELK RIVER FOR ALL UTILITY DISCONNECTIONS, SERVICE TERMINATIONS AND REMOVALS. CONTRACTOR SHALL COORDINATE UTILITY DISCONNECTIONS AND RELOCATIONS WITH THE UTILITY PROVIDERS PRIOR TO THE START OF CONSTRUCTION. ALL SERVICE CONNECTIONS/DISCONNECTIONS SHALL BE PERFORMED IN ACCORDANCE WITH STATE AND LOCAL STANDARD SPECIFICATIONS FOR CONSTRUCTION. CONTRACTOR SHALL OBTAIN ALL NECESSARY STATE AND LOCAL PERMITS NECESSARY FOR UTILITY CONSTRUCTION AND WORK WITHIN ADJACENT RIGHT-OF-WAYS.
- IF DEWATERING IS REQUIRED FOR THIS PROJECT, THE PUMP DISCHARGE SHALL BE TREATED PRIOR TO BEING DISCHARGED OFF-SITE OR INTO A SURFACE WATER. THE DISCHARGE SHALL BE VISUALLY CHECKED TO ENSURE THAT IT IS VISIBLY CLEAN WATER.
- CONTRACTOR SHALL PROTECT UTILITIES, STRUCTURES AND TREES (NOTED AND NOT NOTED) TO REMAIN AND SHALL BE RESPONSIBLE TO REPAIR DAMAGES TO ANY FEATURES TO REMAIN.
- TREES 6" AND LARGER AND OTHER NOTABLE VEGETATION WERE IDENTIFIED AND LOCATED DURING THE COURSE OF THE SURVEY. CONTRACTOR SHALL FIELD VERIFY THE EXISTING CONDITIONS OF THE PROJECT AREA AND REMOVE ALL TREES NOT DESIGNATED TO BE SAVED AND PROTECTED. ALL TREES, DEBRIS, ROOTS, BOULDERS AND TOPSOIL SHALL BE REMOVED FROM THE SITE.

SHEET NO. C4.8

LEGEND:

- SAWCUT LOCATION (FULL DEPTH)
- TURN ARROW (TYPICAL)
- STRAIGHT ARROW (TYPICAL)
- PERMANENT SIGNAGE

TURN LANE NOTES:

- THE CONTRACTOR SHALL NOTE ANY DISCREPANCIES BETWEEN EXISTING CONDITIONS IN THE FIELD REPRESENTED WITHIN THE PLANS AS SHOWN AND ALERT THE ENGINEER BEFORE BIDDING THE PROJECT AND BEGINNING CONSTRUCTION.
- CONTRACTOR SHALL LOCATE AND VERIFY ALL UTILITIES WHICH MAY AFFECT THIS WORK AND NOTIFY THE OWNER OF ANY CHANGES. CONTACT LOCAL UTILITY COMPANIES FOR EXACT LOCATIONS PRIOR TO BIDDING THE PROJECT AND COMMENCING WORK.
- CONTRACTOR SHALL TAKE NECESSARY PRECAUTIONS TO PREVENT SILT AND DEBRIS RUN-OFF DURING GRADING OPERATIONS (I.E. SILT FENCE, STRAW BALES, ETC.).
- CONTRACTOR SHALL VERIFY CRITICAL ELEVATIONS TO ENSURE CONFORMANCE WITH GRADING PLAN, PARTICULARLY WITH EXISTING STRUCTURES AND/OR PAVEMENTS TO REMAIN. MEET EXISTING GRADES ALONG STREETS, PROPERTY LINES, AND DRIVEWAY ENTRANCES. RESTORE ALL PAVEMENTS THAT REMAIN TO THEIR ORIGINAL IF NOT BETTER CONDITION. NOTIFY OWNER OF ANY CONFLICTS PRIOR TO BIDDING THE PROJECT.
- ALL DISTURBED AREAS SHALL BE SEEDED AND MULCHED.
SEEDING: 25-141 MIX (59 LB/AC)
MULCH: TYPE 1, DISK ANCHORED
- LONGITUDINAL PAVEMENT MARKINGS SHALL BE LATEX PAINT. THE TURN ARROWS SHALL BE PERFORMED THERMO.
- EXISTING CONFLICTING PAVEMENT MARKINGS WILL NEED TO BE REMOVED BEFORE FINAL PERMANENT STRIPING IS PLACED.
- DURING CONSTRUCTION, CONFLICTING PAVEMENT MARKINGS WILL NEED TO BE COVERED WITH BLACK REMOVABLE LANE TAPE OR WATER BLASTED AND THEN HAVE PAVEMENT MARKINGS INSTALLED FOR TEMPORARY CENTERLINE DURING CONSTRUCTION.

Christopher J. Dahm
Date: 08/07/2024 Lic. No. 58628

CONSTRUCTION NOTES:

1. AN ENGINEER OR MANUFACTURER REPRESENTATIVE SHALL BE ONSITE FOR THE START OF THE INSTALLATION.
2. ALL SURFACE SPACES PREPARED FOR PLACEMENT OF MATS SHALL BE SMOOTH AND FREE OF ALL ROCKS, STICKS, ROOTS, OTHER PROTRUSIONS, OR DEBRIS OF ANY KIND PRIOR TO FLEXAMAT STANDARD INSTALLATION SEED AND FERTILIZE SUBGRADE WITH SPECIFIC SEED MIX IN ACCORDANCE WITH THE PROJECT PLANS AND SPECIFICATIONS.
3. INSTALL FLEXAMAT STANDARD ROLLS THAT ARE CONTINUOUS FOR ENTIRE SLOPE LENGTH: FOR SLOPES LONGER THAN 1/2", USE MATS WITH EXTENSIONS CUT TO THE LENGTH OF THE SLOPE. INSTALL MATS TO THAT THE MATTING EXTENDS PAST THE CREST OR SLOPE AND INTO AN 18" ANCHOR TRENCH.
- 4.1. FOR AN ARMORED SLOPE LENGTHS 18" OR LESS, INSTALL A TRIM SEAM EQUALLY UNIFORM ADJACENT MATS.
- 4.2. ARMORED SLOPE LENGTHS LONGER THAN 1/2", INSTALL NEXT MAT OVER ADJACENT MATS.
5. INSTALL SUBSEQUENT MATS OVER THE GEORGIO EXTENSION AND STANDARD UNDERLAYMENT EXTENSION OF THE PREVIOUSLY INSTALLED MAT. ENSURE THE GEORGIO AND STANDARD UNDERLAYMENT EXTENSIONS OF THE SUBSEQUENT SUBGRADE ARE ALL IN CONTACT WITH THE EXTENSION OF THE PREVIOUSLY INSTALLED MAT.
6. INSTALL #3 REBAR 18" U-ANCHORS IN 2' INCREMENTS ACROSS THE GEORGIO AND STANDARD EXTENSION ABUTMENT. INSTALL ANCHORS PERPENDICULAR TO THE SLOPE DIRECTLY BEHIND FIRST ROW OF BLOCKS ON THE ADJACENT MAT.
7. AT THE END OF THE ARMORED SLOPE, IF HEAD CUT IS ANTICIPATED, EMBED THE MAT 18" IN A TERMINATION TRENCH. FILL AND COMPACT TERMINATION TRENCH WITH SUITABLE FILL.

Assignment: Review for class without extension

1-MH

CONSTRUCTION NOTES:

1. GRADE CHANNEL SO THAT WATER WILL FLOW DOWN CENTER OF THE CHANNEL AND BE CONTAINED TO CHANNEL BED. ALL SURFACE SUBSTRATES PREPARED FOR PLACEMENT OF MATS SHALL BE SMOOTH AND FREE OF ROCKS, ROOTS OR OTHER OBSTACLES.
2. AT BEGINNING OF CHANNEL, PLACE ANCHOR TRENCH DEEP ENOUGH TO HOLD MATS IN PLACE AND PROVIDE A FIRST UNFOLDING FLUME FOR THE MATS.
3. AT END OF EACH SECTION OF CHANNEL, PLACE ANCHOR TRENCH DEEP ENOUGH TO HOLD MATS IN PLACE IN ACCORDANCE WITH THE PROJECT PLANS AND SPECIFICATIONS.
4. INSTALL FLEXARMAT ROLLS AVAILABLE WIDTHS 4', 5.5', 9', 10', 12', & 16' AVAILABLE IN CUSTOM LENGTHS. LENGTHS SHOULD BE DETERMINED BY MEASURING MAT WITH "D" GEORGES INTERLOCK AND 6" INSTALLATION EXTENSION.
5. WHERE POSSIBLE, USE LONGITUDINAL ANCHORS NEEDED IN CHANNEL BOTTOM.
6. FOR OUTLET PROTECTION WIDER THAN 10' SEE CHANNEL PARALLEL TO FLOW INSTALLATION DATE LINE.
7. FOR OUTLET PROTECTION THAT REQUIRES MORE THAN 10' PARALLEL TO FLOW CHANNEL SIDE LINE, CHANNEL PARALLEL TO FLOW INSTALLATION DATE LINE.
8. AT THE BEGINNING OF CHANNEL, INITIAL LEAKAGE EDGE OF FLEXARMAT EXPOSED TO CONCENTRATED FLOW SHALL BE EMBEDDED 18" VERTICALLY INTO ANCHOR TRENCH THE TRENCH SHALL BE FILLED WITH AGGREGATE.
9. AT THE END OF THE ARMORED CHANNEL, EMBED THE MAT 18" IN A TERMINATION TRENCH, FILL AND COMPACT TERMINATION TRENCH WITH A COHESIVE FILL.

City of Elk River
13065 Orono Pkwy NW
Elk River, MN 55330

Subject: Request for Park Fee Credit for Proposed New Public Parkland and Trail System
Project: Meadowsweet Bend; large-lot residential development

Dear Mayor, City Council, and Planning Commission,

As part of our proposed new residential development, Meadowsweet Bend, we are excited to propose the installation of a new public trail system as well as dedication of open space which will provide the opportunity to grow the existing public park at Burr Oak Park. The proposed new trail system and parklands aims to promote outdoor activities, encourage a healthy lifestyle, and fosters connections to nature and neighbors.

The proposed trails provide new public access opportunities for existing and future Elk River residents to the Burr Oak park lands, and helps establish a complete walking loop (in relationship to the existing E-W trail that currently exists south of Ranch Road NW between Queen St NW and Joplin St NW). Both proposed trail sections consider the City's master plans which indicate a community desire for a future regional trail connection moving from West to East through the project site. We are happy to support this initiative which contributes to the overall health and happiness of residents and aligns with the city's commitment to celebrating natural resources and preserving open spaces.

The proposed plan includes two Park Dedication areas. Park area A is approximately +/-1.52 acres. This area is sized in a manner that can accommodate a future public parking lot, or other uses deemed desirable by the community. The proposed Park Area A location is adjacent to the new main road of the development as well as the proposed new Trail A loop, allowing public visibility and convenient access to Burr Oak park.

The proposed Park Area B land totals +/-1.62 acres, and includes an existing driveway. This parcel is proposed to be used for temporary emergency access for Phase 1 development, and upon completion of the full new main road would be dedicated to the City. This existing land and driveway offers a potential significant public benefit of a secondary access point directly from Ranch Road to Burr Oak Park.

Meadowsweet Bend has been designed to follow non-urban / rural development standards. The City's non-urban residential street section does not include trails as part of the typical road section design. However, we recognize the positive impact that these parkland and trail amenities will have for the greater community. Therefore, we are reaching out to request that the City provide credit towards Park Dedication Fees due in exchange for dedicated park lands as well city credit to cover the cost of developer's installation of the new trail system.

Proposed Park Acres Dedicated: 3.14 acres total

Per city zoning code sec 30-327: 0.0846 acres required of land dedication per low density residential DU

$0.0846 * 104 \text{ units} = 8.8 \text{ acres total due}$

$3.14 \text{ acres dedicated} / 8.8 \text{ acres due} = 35.68\% \text{ of acreage satisfied, } 64.32\% \text{ due}$

Estimated Park Dedication Fees Due: \$205,075.26 after land credit

2024 City Fee (low density < 4 DU / acre) \$3065.73 / unit * 104 units = \$318,835.92 Park Fee

$\$318,835.92 * 64.32\% \text{ balance due} = \$205,075.26 \text{ due}$

Estimated Trail Construction Cost: \$246,000

8' Trail @ \$30/Linear Foot * 7800 LF = \$234,000

+/- 6 Ped Ramps @ \$2000/ramp = \$12,000

Proposed Net Park Dedication Fees Due: \$0

\$205,075.26 Park fees due after land credit

Less \$246,000 credit for cost of trail construction

(\$40,924.74) Balance – developer proposes to cover this difference

We appreciate your time and consideration of our request to waive Park Dedication fees for Meadowsweet Bend. If necessary, we would be more than happy to meet with you and discuss the details further, and we are open to collaborating on a feasible plan to bring this shared vision to fruition.

Sincerely,

Carla Dunham

**City of Elk River
City Council**

Resolution 24-54

A Resolution of the City Council of the City of Elk River Amending the Comprehensive Plan to Change the Land Use for Certain Parcels from Rural Residential to Traditional Single-Family Residential

WHEREAS, Minnesota Statutes, Chapter 462.355, Subdivision 2, prescribes the procedure for amending the Comprehensive Plan, and

WHEREAS, the Planning Commission held a public hearing on August 27, 2024, and recommended approval regarding the Comprehensive Plan amendment request for the property described in **Exhibit A**, and

WHEREAS, the City Council has reviewed the Comprehensive Plan amendment request and finds the following:

1. The proposed land use is consistent with the surrounding land uses.
2. The use would not have adverse impacts on the surrounding land uses.
3. The proposed changes are in general conformance to the adopted Comprehensive Plan.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Elk River, Minnesota, as follows: The Land Use Plan be amended to change the property as described in **Exhibit A** from Rural Residential to Traditional Single-Family Residential.

Passed and adopted this 16th day of September 2024.

John J. Dietz, Mayor

ATTEST:

Tina Allard, City Clerk

EXHIBIT A

The Southeast Quarter (SE 1/4) of the Northeast Quarter (NE 1/4) of Section 7, Township 33, Range 26, Sherburne County, Minnesota.

AND

The West One half (W 1/2) of the West One half (W 1/2) of the South One half (S 1/2) of the Northwest Quarter (NW 1/4), of Section 8, Township 33, Range 26, Sherburne County, Minnesota.

AND

Lot 1, Block 1, Zachardas Acres, Sherburne County, Minnesota.

AND

That part of the Southeast Quarter (SE1/4) of the Northwest Quarter (NW 1/4) of Section Eight (8), Township Thirty-three (33), Range Twenty-six (26), Sherburne County, Minnesota.

Ordinance 24-20

An Ordinance Amending the Zoning Map of the City of Elk River, Minnesota, to Rezone Certain Property from Single-Family Residential (R-1a) to Single-Family Residential (R-1b)

The City Council of the City of Elk River does hereby ordain as follows:

SECTION 1. That the duly adopted Zoning Map of the City of Elk River is hereby amended to rezone the property described on attached **Exhibit A** to Single-Family Residential (R-1b):

SECTION 2. That the rezoning approved by this Ordinance is based on the following findings:

1. **The rezoning is consistent with the City of Elk River Land Use Plan adopted, and updated, as part of the City of Elk River Comprehensive Plan.**

SECTION 3. That this ordinance shall take effect upon satisfaction of the conditions noted in **Exhibit B** and be published as provided by law.

Passed and adopted by the City Council of the City of Elk River this 16th day of September 2024.

John J. Dietz, Mayor

Zack Carlton, Community Development Director

Item Description
Conditional Use Permit: Government Facility
(Electrical Substation), PID 75-00915-0105 - Elk
River Municipal Utilities

Reviewed by
Zack Carlton
Cal Portner
Tina Allard

Action Requested

Approve, by motion, the proposed government facility, subject to the following conditions:

1. Staff approval of all site and civil plans.
2. The city shall transfer ownership of the parcel to ERMU.

Background/Discussion

Elk River Municipal Utilities (ERMU) has requested a Conditional Use Permit (CUP) for a new electrical substation. The substation will support the growing electrical demands of the community, and ensure ERMU continues to provide reliable electric services for the community.

The City of Elk River owns the subject site located in the Nature's Edge Business Center. The lot is 5.84 acres in size and has been designated for a substation from the time plans for the area were under development. ERMU staff have been involved in the grading and layout of the site to support the anticipated substation. The parcel also includes a stormwater pond to treat runoff from the adjacent city street and nearby developable parcels.

The property is guided for Business Park uses by the Comprehensive Plan, which also matches the current zoning. Government facilities are a Conditional Use under the Business Park ordinance.

Staff and the city attorney are working to bring the property transfer forward at a later meeting.

Planning Commission

The Planning Commission held a public hearing on August 27, 2024. No one spoke during the hearing and the commission did not have any questions.

The commission unanimously recommended approval of the Conditional Use Permit.

Financial Impact

None

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

Mission/Policy/Goal

Meet changing needs - agile.

Item Description
Conditional Use Permit: Government Facility
(Electrical Substation), PID 75-00915-0105 - Elk
River Municipal Utilities

Reviewed by
Chris Leeseberg

Action Requested

Recommend, by motion, approval of the proposed government facility conditioned upon staff's approval of all site and civil plans.

Background/Discussion

Elk River Municipal Utilities (ERMU) has requested approval of a Conditional Use Permit (CUP) for a new electrical substation. The substation will support the growing electrical demands of the community, and ensure ERMU continues to provide reliable electric services for the community.

The subject site is owned by the City of Elk River and located in the Natures Edge Business Center business park. The lot is 5.84 acres in size and has been designated for a substation from the time plans for the area were under development. ERMU staff have been involved in the grading and layout of the site to support the anticipated substation. The parcel also includes a stormwater pond to treat runoff from the adjacent city street and nearby developable parcels.

The property is guided for Business Park uses by the Comprehensive Plan, which also matches the current zoning. Government facilities are a Conditional Use under the Business Park ordinance.

Applicable Regulations

The issuance of a Conditional Use Permit can be ordered only if the use at the proposed location:

1. Will not endanger, injure or detrimentally affect the use and enjoyment of other property in the immediate vicinity or the public health, safety, morals, comfort, convenience or general welfare of the neighborhood or the city.

The subject site abuts numerous industrial and commercial uses along with vacant parcels guided for similar uses. The use will have little to no impact on these parcels and will not detrimentally affect the use and enjoyment of other properties in the immediate vicinity.

Staff do not see a need to impose specific conditions to satisfy this standard.

2. Will be consistent with the comprehensive plan.

The Comprehensive Plan guides the property for Business Park uses and describes the city's goal of providing

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

high quality public services through proactive management of utilities and infrastructure to meet the needs of current and future customers.

Staff do not see a need to impose specific conditions to satisfy this standard.

3. Will not impede the normal and orderly development and improvement of surrounding vacant property.

There are multiple vacant properties in the immediate vicinity, which will be supported by the development of a new electrical substation. These properties are guided for industrial, commercial, and agricultural uses. This use will not impact the development of nearby vacant parcels.

Staff do not see a need to impose specific conditions to satisfy this standard.

4. Will be served adequately by and will not adversely affect essential public facilities and services, including streets, police and fire protection, drainage, refuse disposal, water and sewer systems, parks and schools; and will not, in particular, create traffic congestion or interference with traffic on adjacent and neighboring public thoroughfares.

The subject site is adequately served by public facilities and will not have a detrimental effect on surrounding properties or public thoroughfares.

Staff do not see a need to impose specific conditions to satisfy this standard.

5. Will not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any person or property because of excessive traffic, noise, smoke, fumes, glare, odors, dust or vibrations.

The substation will be constructed in accordance with all local, state, and federal standards, ensuring the facility operates as safely as possible. The use will not generate negative impacts to nearby properties.

Staff do not see a need to impose specific conditions to satisfy this standard.

6. Will not result in the destruction, loss or damage to a natural, scenic or historic feature of major importance.

There are no natural, scenic or historic features of major importance on the subject parcel.

Staff do not see a need to impose specific conditions to satisfy this standard.

7. Will fully comply with all other requirements of this Code, including any applicable requirements and standards for the issuance of a license or permit to establish and operate the proposed use in the city.

The use will fully comply with all other requirements of this Code, including any applicable requirements and standards for the issuance of a license or permit to establish and operate the proposed use in the city.

Staff do not see a need to impose specific conditions to satisfy this standard.

If denial of such a permit should occur, it shall accompany recommendations or determinations by findings or a report stating how the proposed use does not comply with the standards set forth in Section 30-654.

In the review of the standards for CUP as outlined, it appears that the request is consistent with all of these standards.

Financial Impact

None

Mission/Policy/Goal

Meet changing needs - agile.

Support the growth and development of the community.

CITY OF ELK RIVER
SHERBURNE COUNTY

CONDITIONAL USE PERMIT
Case No. CU 24-17

Permit. Subject to the terms and conditions set forth herein, the City of Elk River hereby grants a Conditional Use Permit (“Permit”) requested by **Elk River Municipal Utilities** for the following use:

Conditional Use Permit for a Government Facility (Electrical Substation)

Property. The Permit is for the following described property (“Subject Property”) in the City of Elk River, Sherburne County, Minnesota:

Lot 1, Block 1, Natures Edge Business Center Third Addition, Sherburne County, Minnesota

Owner. Owner of the Subject Property at time of the approval of the Permit:

City of Elk River, owner

Conditions. The Permit is issued subject to the following conditions:

- 1. Staff approval of all site and civil plans.**
- 2. The city shall transfer ownership of the parcel to ERMU.**

Termination of Permit. The Permit shall remain in effect only for so long as the conditions set for the herein are complied with. The City may revoke the Permit following a public hearing for violation of the terms and/or conditions set forth in the Permit.

Lapse. If within two (2) years of the issuance of the Permit the proposed work described in a conditional use permit has not been substantially completed, the permit shall expire and become void, except that the council may, following recommendation of the planning commission, extend the permit for an additional period determined by the council on the receipt of a request for a permit extension prior to its expiration. A conditional use permit authorizes only the use specified in the permit and shall expire if, for any reason, the authorized use ceases for more than six (6) months.

Criminal Penalty. Both the owner and any occupant of the Subject Property are responsible for compliance with the permit. Violation of the terms of the Permit is a criminal misdemeanor.

Recording. The Permit shall be recorded against the title to Subject Property.

Dated: September 16, 2024.

Item Description
Set Budget Meeting Date and Adopt Resolution 24-55 Preliminary 2025 Tax Levy

Reviewed by
Joe Stremcha
Cal Portner
Tina Allard

Action Requested

- Set, by motion, the budget meeting for 6:30 p.m., December 2, 2024, when public comment will be taken.
- Adopt, by motion, Resolution 24-55 authorizing the preliminary property tax levy for collection in 2025

Background/Discussion

The Council must approve the preliminary tax levy for certification to the county auditor by September 30, 2024. The attached levy resolution sets the preliminary tax levy at \$17,332,183, compared to the \$16,137,332 levy for 2024. The General Fund budget is currently \$22,474,100, which is a 4.2% increase over the 2024 budget of \$21,570,600.

Preliminary Net Tax Capacity (NTC) values are estimated at \$43,298,194, about a 1.7% increase. With the estimated 1.7% NTC increase, the preliminary tax rate, with fully funded debt service levies, would be about 40.030%.

The preliminary tax levy is the maximum levy amount and will be used to formulate the truth in taxation notices that will be sent out by the county later this fall. The city's final adopted levy can be less but cannot exceed the preliminary levy amount.

Staff will continue to review and evaluate opportunities for reductions based on additional information received over the next several months to finalize the budget for adoption on December 2, 2024.

Resolution 24-55

**A Resolution of the City Council of the City of Elk River Adopting the
Preliminary Property Tax Levy for Taxes Payable in 2025**

WHEREAS, the Elk River City Council is required to establish a preliminary tax levy for taxes payable in 2025 by September 30, 2024 and certify the preliminary tax levy to the Sherburne County Auditor; and,

WHEREAS, the Elk River City Council has reviewed the City's anticipated expenditures for all funds in 2025; and,

WHEREAS, the Elk River City Council has considered projected revenues for all funds in 2025; and,

WHEREAS, revenues from sources other than property taxes are not sufficient to meet anticipated expenditures of all funds; and,

WHEREAS, debt levies have been adjusted or cancelled based on revenue collections and projections.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Elk River, Minnesota, as follows: The following amounts are the maximum to be levied as property taxes payable in 2024:

	Levy
General Fund	\$16,114,050
Library	79,000
2020A GO CIP Bond	604,771
2021A GO CIP/Equipment Bond	394,123
Economic Development Tax Abatement	140,239
Total Tax Levy	<u>\$17,332,183</u>

Passed and adopted this ____ day of _____ 2024.

Item Description
EDA Resolution 24-56 and HRA Resolution 24-57 -
2025 Budget and Tax Levy

Reviewed by
Brent O'Neil
Cal Portner
Tina Allard

Action Requested

1. Adopt, by motion, Resolution 24-56 establishing the EDA tax levy of \$427,000 for collection in 2025.
2. Adopt, by motion, Resolution 24-57 establishing the HRA tax levy of \$439,950 for collection in 2025.

Background/Discussion

The EDA and HRA are required to submit their budgets and recommended levies to the City Council annually.

The EDA finalized its budget on August 19, 2024, with total 2025 expenditures of \$456,000. Forecasting interest income of \$25,000 and transfers-in of \$4,000, the EDA recommends \$427,000 be included in the 2025 levy.

The HRA finalized its budget on September 3, 2024, with total 2025 expenditures of \$444,950. Revenue from interest is projected at \$5,000. The HRA recommends \$439,950 be included in the 2025 levy.

By statute, the levy is limited to 0.01813% of the Estimated Market Value (EMV) of real property in the city for the EDA, and 0.0185% of the EMA for the HRA. For both boards, the proposed levies for 2025 equate to approximately 60% of the allowed maximum.

Financial Impact

The proposed 2025 EDA budget is \$456,000, with a proposed tax levy of \$427,000. The proposed 2025 HRA budget is \$444,950, with a proposed tax levy of \$439,950.

Mission/Policy/Goal

Support commercial and industrial development, redevelopment, and housing initiatives in Elk River.

Division:	Housing and Redevelopment					
Completed by:	Brent O'Neil					
Date:	August 29, 2024					
Performance Measure	2021 Actual	2022 Actual	2023 Actual	2024 Estimated	2024 YTD	2025 Projected
Number of HRA Rehab Loan applications approved	0	0	4	5	2	5
Rehab Loan Funds Outstanding (year-end)	\$160,000	\$52,500	\$162,000	\$250,000	\$210,000	\$400,000
Residential Property Re-investment (by permit value)	\$8,000,000	\$17,800,000	\$19,700,000	\$9,000,000	\$7,000,000	\$15,000,000
Number of Multi-family Units Added (completions)	70	0	90	100	142	50
Division Goal	Goal Objective/Task					
Promote preservation of housing stock	Promote investment in residential properties within Elk River and target individuals interested in the blighted properties program and the HRA Rehab Loan Program. Identify dilapidated properties and work with city code enforcement. Protect and strengthen rental properties.					
Promote a vital downtown	Participate in the Downtown ER Business Association Meetings. Work with the DERBA to develop a beautification plan for the Main Street Corridor and/or engagement of redesign for Main Street. Promote and/or modify the Downtown Facade Improvement microloan program. Pursue strategic acquisition and sale of downtown redevelopment property. Facilitate future use options for Elk River Meats site.					
Enhance redevelopment opportunities for C/I properties	Identify business owners interested in redevelopment blighted C/I properties. Work with the building department to identify properties eligible for the blighted properties C/I program. Hold periodic discussions with various departments (police, fire, building, and planning) to discuss potential redevelopment opportunities.					
Acquire properties or short- and long-term redevelopment	Monitor the market and identify properties for potential acquisition which align with the strategic objectives of the HRA, including substandard structures.					
Optimize use of studies, data, and research tools	As needed, conduct studies and conduct research to best guide the HRA in its activities. Utilize tools such as analytical software to better understand conditions and opportunities.

Performance Measures & Goals for 2025

Division:	Economic Development
Completed by:	Brent O'Neil
Date:	July 8, 2024

Performance Measure	2021 Actual	2022 Actual	2023 Actual	2024 Estimated	2024 YTD	2025 Projected
Business Engagements (prev. tracked more rigidly as BRE)	4	7	21	20	16	20
Facilitate Site Visits to Elk River	1	1	6	4	2	4
Commercial - Industrial permit value	\$58,000,000	\$67,000,000	\$51,000,000	\$60,000,000	\$5,700,000	\$60,000,000
Net impressions from placed ads	310,000	200,000	150,000	250,000	80,000	150,000
EDA Website Traffic	5,000	5,500	5,500	8,000	3,200	6,000

Division Goal	Goal Objective/Task
Support Elk River's existing businesses through relationship building, programmatic offerings, and high quality city services	Continue to outreach to receive feedback on city factors impacting businesses including BRE visits and other interactions. Provide technical assistance as necessary and through feedback ensure economic development programs of the city are in line with business needs and utilization. Develop and modify programming by utilizing feedback from the business community. Consider an annual or semi-annual forum of local businesses to complement business engagements and foster additional outreach to the business community.
Attract new business development to Elk River to build the city's economic vibrancy, job offerings and tax base	Continue to market and promote the community. Make contact with prospective businesses and siting professionals and specifically highlighting the community's strengths. Market existing properties (EDA and private) and capture opportunities for land development and assembly. Direct targeted focus on specific sectors, including those identified in the EDA strategic plan: precision manufacturing, renewable energy, regional distribution, biomedical manufacturers, and health care services.
Consider new programs that promote the community image	Support beautification efforts, public art, events, and investments that attract visitors to Elk River. Direct investment in certain programs may lead to enhanced community perception and increase in visitors to Elk River.
Partner with peer organizations	Continue to work with Sherburne County, Elk River Area Chamber of Commerce, GreaterMSP, DEED, MN Marketing Partnership, ERMU, and ISD 728. Consider regional marketing efforts.
Maintain an inventory of private and public properties available for future development	Keep a detailed and regularly-updated inventory of properties which may be suitable for development and likely available to promote to business prospects. In addition to utilizing the MNCAR system for actively available properties, also identify properties in coordination with owners that could be identified and shared with interested parties. Develop a web-based portal for disseminating available private property not otherwise participating in a listing service.
Maintain financial incentives to enhance economic development	Maximize and leverage city programs, MnDEED monies, Initiative Foundation, Sherburne County Revolving Loan Fund and other financial tools and incentives. Evaluate programs for relevance and capacity to serve current community needs; modify as necessary.
Position the Together Elk River (TER) campaign/brand to support ongoing community priorities and challenges.	Focus on transitioning TER's support of the 169 Redefine construction project to a traveler-based marketing campaign in 2025 while also focusing on other community-oriented business support campaign(s).
Promote visitor attraction to Elk River	Implement marketing and other activities which boost visitor traffic to Elk River for shopping, recreation, events, and enjoyment. Consider ways to boost hotel and restaurant capacities in the city. Investigate implementation of Destination Marketing Organizations (DMOs).
Plan for new commercial and industrial growth areas	Identifies areas suitable for growth and how to best facilitate private investment. This can include studies to determine how and when utility infrastructure can be implemented as well as tools for bringing more land on-line, including private and public property.
Increase the number of companies actively manufacturing products or components of products directly or indirectly used in renewable energy or energy efficiency by 2024	Work with ERMU, the environmental division, and Energy City Commission.

ELK RIVER TOBACCO WORKSHOP

AGENDA: WHAT WE WILL COVER

- Commercial Tobacco Use in Minnesota & Sherburne County
- Health Impacts & Economic Costs of Commercial Tobacco Use
- Tobacco Industry Marketing
- Solutions to Protect our Kids and Community

ADULT TOBACCO USE

SHERBURNE COUNTY

- Adults that are **high school graduates or have a GED or less** and report being a current cigarette smoker.

YOUTH TOBACCO USE*

SHERBURNE COUNTY VS MN

*Includes cigarettes, cigars, chew, hookah, e-cigarettes

Source: 2022 MN Student Survey

MINNESOTA & SHERBURNE HEALTH CARE & ECONOMIC COSTS

- In **Minnesota**, smoking-related illness costs exceed **\$9 billion** each year.
- In 2018, smoking-related illness costs in **Sherburne County** were nearly **\$41.9 million**.

\$41.9 million

COULD ALSO BUY:

119 PLOW TRUCKS

577 JOBS AT \$85,075

598 PATROL CARS

Sources:

Blue Cross and Blue Shield of Minnesota Cost of Smoking Report, January 2024,

MDH, Sherburne County Tobacco Profile, May 2018

Sherburne County Auditor-Treasurer

HEALTH IMPACTS OF TOBACCO USE

- Tobacco use is the **leading preventable** cause of disease and death in the U.S.
 - More than 480,000 deaths each year – this is nearly 1 in 5 deaths.
- Smoking causes more deaths each year than the following causes combined: HIV, illegal drug use, alcohol use, motor vehicle injuries, and firearm-related incidents.
- Secondhand smoke causes disease and early death in children and adults who **do not** smoke.

IMPACT OF NICOTINE

- Nicotine harms brain development.
- No amount of nicotine is safe for young people.
- Nicotine is highly addictive.
- Nicotine can affect learning, memory, mood and attention span.
- Nicotine can worsen feelings of depression and anxiety.
- Youth exposed to nicotine are more likely to smoke or use other substances.

NICOTINE ADDICTION & WITHDRAWAL

- Symptoms of nicotine addiction can appear among youth within only **a few days or weeks** after initiation.
- Side effects of withdrawal can be uncomfortable and can trigger cravings for nicotine.

GOOD NEWS!

FEDERAL & STATE LAW UPDATES

- In 2019, federal legislation increased the age for tobacco sales from age 18 to 21.
- On August 1, 2020, legislation known as Tobacco 21 became Minnesota law.
 - This raised the age for residents to buy tobacco products from age 18 to 21.
- Eliminated penalties on underage **Purchase, Use and Possession (PUP)**.
 - PUP penalties have **not** been proven effective in reducing tobacco use.

SWISS CHEESE MODEL OF COMMERCIAL TOBACCO PREVENTION

Effective commercial tobacco prevention happens when interventions are layered together to create a healthy tobacco-free community.

Interventions

Targeted tobacco industry marketing, social media misinformation, and tobacco lobbyists weakening regulations

Source: Adapted from James T. Reason

2395 University Avenue W, Ste 310, St. Paul, MN 55114
651-646-3005 www.ansrmn.org
(February 2021)

BEST PRACTICES FOR TOBACCO PREVENTION

- Restricting the sale of all flavored tobacco products
- Setting a cap on the maximum number of tobacco licenses
- Setting a distance requirement between licensed tobacco retailers
- Setting minimum price for cigarettes and chew and prohibiting the redemption of coupons and price discounting
- Requiring retailer education
- Increasing the minimum age for clerks
- Restricting retailer signage

BEST PRACTICES FOR TOBACCO PREVENTION

WHY ARE THESE IMPORTANT?

- **Reduce tobacco retail availability, youth accessibility, and exposure to tobacco products and marketing.**
 - Reducing retail availability and accessibility decreases tobacco use rates and increases rates of quitting among current users.
 - Limiting exposure to tobacco marketing and promotions reduces youth appeal and curiosity.
 - Reduce tobacco-related health disparities by making tobacco products less appealing and less available.
 - Encourage healthy behaviors and norms.
 - Promote healthier environments for **all** community members.

I. Elk RiverFest Updates for 2025

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

Elk RiverFest Updates for 2025 for Communications

Social Media

Currently, Elk RiverFest events/posts are posted on the City's Facebook and then shared on Parks and Recreation and the Liquor pages. In 2023, just the city's posts alone reached almost 90,000 people. However, in 2024, the posts' reach was less than 40,000 on all three pages. We believe this is due to the content getting lost amongst regular City and Parks and Recreation content.

Due to these analytics and the growing success of Elk RiverFest, the decision has been made to make a Facebook page dedicated to Elk RiverFest. This page is where Elk RiverFest events and posts will be originally posted before being shared to other pages. Any ads will be run off this page as well. Additionally, with Elk RiverFest having its' own page, we can post more often about history, event details, sponsors, and more.

- **Objective**
 - Create a Facebook page solely for Elk RiverFest.
- **Cost**
 - Free. Ad costs will come during Elk RiverFest promotions.
- **Tools**
 - Facebook
- **Content**
 - General event information, historical facts, sponsorship opportunities, sponsors, posts regarding specifics for the event, parking information, weather changes, vendor highlights, and more. Importantly, launching the big changes for 2025.
- **Timeline**
 - Facebook page created by January 10, 2025.
- **Communication**
 - A communication plan encouraging people to like this new page will occur. We will post on the City, Parks and Recreation, and Liquor pages encouraging people to come follow the official Elk RiverFest page to learn about the new 2025 details.
 - Additionally, we can include the new page in our City E-Newsletter, News Flash, and promote on the website.

Website

Currently, Elk RiverFest has its' own webpages on the ElkRiverMN.gov site. In July 2024, the Elk RiverFest webpage generated 6,465 hits, with 1,691 on July 27 (event date) alone. The Family Zone subpage generated 2,425 hits and the Sips on Main subpage generated 2,204 hits.

These pages are hosted on a government site which means we are limited to how much space it takes up (without overcrowding the other information) and how we can design the pages.

Due to the increasing popularity of Elk RiverFest and the added event details annually, we recommend Elk RiverFest has its' own website with the domain ElkRiverFest.com.

- **Objective**
 - Purchase a domain and create a website solely for Elk RiverFest.
- **Cost**
 - Domain costs are typically around \$25 annually with the first year being 50% off.
 - Squaresite charges around \$16 monthly (around \$200 annually) for website hosting with a startup fee of around \$20.
- **Tools**
 - GoDaddy for domain registrar.
 - Squaresite for website host.
- **Content**
 - Event details, parking information, sponsorship information, current sponsors, history of Elk RiverFest, purpose of Elk RiverFest, FAQ, etc.
- **Timeline**
 - Website created by March 1, 2025.
- **Communication**
 - The current Elk RiverFest webpage would redirect to the new site.
 - The current Elk RiverFest webpages would be marked inactive.
 - The current Elk RiverFest webpage short links would redirect to the new site.
 - All marketing communication items will have the new link instead.
 - An introductory post can be done on the new Facebook page.

Communication Notes for 2025

- Stronger advertising for the skatepark show.
- All day and night activities will be at Orono Park – tentatively 10:00 a.m. to 9:00 p.m.
- Get ahead of communicating parking:
 - Include on the website.
 - Coincide with communicating it will all be at Orono Park.
 - Invite attendees to have overflow parking in the City Hall lot.
 - Vendors and staff to park at the library.
- Do a poll on Facebook for what kind of music/bands people would like.

Item Description
FT Center User Group Rentals Policy and
Procedures.

Reviewed by
Cal Portner
Tina Allard

Action Requested
FT Center User Group Rentals Policy and Procedures.

Background/Discussion
Elk River Youth Hockey Association President Ryan Eason has expressed concerns to the City Council regarding established policies and procedures.

Staff will provide an update in response to those concerns.

Ice Rental Priority Scheduling
Ice is scheduled on a seasonal basis September – May in the following order:

- FT Center programs including but not limited to: Skating Academy, Breakaway Hockey League, Open Skating, Stick and Puck, Open Hockey, etc.
- FT Center contracted ice users including but are not limited to Elk River High School, Elk River Youth Hockey, Elk River Figure Skating Club, MN Squatch, Two Brothers Hockey - these groups are billed after ice use by the City of Elk River.
- Outside user reservations on a first-come first-served basis. These groups pay in advance to the FT Center directly.
- **Special Note:** Due to the nature of the Furniture and Things Community Event Center operations, there may be a need to coordinate and schedule private, commercial/business or non-resident civic group in advance of the priority scheduling guidelines as outlined above. When staff feel consideration has been given to the previous year's use of a particular area and/or programming needs, these requests will be processed (i.e. Community Room for a private event, conference, training, trade show, special event, etc.).

Financial Impact
User group rentals and customer service reflect the future health and stability of the FT Center operation and budget.

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

FURNITURE AND THINGS COMMUNITY EVENT CENTER

CITY OF ELK RIVER

ELK RIVER YOUTH HOCKEY ASSOCIATION 2022-2024 (Two Seasons)

This ice facility use agreement (Agreement) is made and entered into this 17 day of Oct 6, 2022 between the City of Elk River, a Minnesota municipal corporation, herein after referred to as (PROVIDER) and the **Elk River Youth Hockey Association**, herein after referred to as (USER). PROVIDER and USER agree to the following use of ice skating facilities within the Furniture and Things Community Event Center (FTCenter) located at 1000 School Street, Elk River, MN 55330 for the period of 9-1-2022 to 8-31-2024

1. SCHEDULE OF TIME: PROVIDER agrees to make ice time available to the USER at the time and dates shown on the attached ice use schedule for the USER. Such schedule may be amended from time to time upon the written agreement of both parties' representatives. USER is required to schedule all facility use in abidance with all facility scheduling protocols.
2. USER agrees to purchase a minimum of 1800 hours of ice per hockey season according to the rates below.
3. RATES: USER agrees to pay the following rates for FTCenter usage:

\$230	Prime Hourly Ice Rate 9/1/2022 – 8/31/2024
\$180	Off-Peak Hourly Ice Rate 9/1/2022 – 8/31/2024
No Cost	ERYHA will be allowed exclusive use of Party Room # 1 for up to two weeks during fall tryout period. (Overnight storage as needed)
No Cost	ERYHA will be allowed use of a suitable space for Board Meetings
No Cost	ERYHA will be allowed 25 hours of room space annually
No Cost	ERYHA will be allowed use of Lobby Space, Tables and Chairs as for tourneys and special events
No Cost	Placement of two ER Hockey Logos on each Ice Surface

4. Estimated Annual Costs
 - a. Cost for 1800 hours of ice for the 2022-2023 Season: \$414,000
 - b. Cost for 1800 hours of ice for the 2023-2024 Season: \$414,000
5. PRIME HOURS: Prime and Off-Peak Hours are described as follows:
 - a. Prime Hours:
 - i. After 2:00pm Monday thru Friday, September 1-May 31. All hours on Saturday and Sunday and non-school days, September 1-May 31.

b. Off-Peak Hours:

- i. All hours June 1 through August 31.
- ii. 5:00am-1:59pm on School days.

6. SERVICES: PROVIDER agrees to provide a usable ice surface, secure and clean locker facilities, parking facilities and, on the day of games, FTCenter seating for spectators. In addition, on game dates, PROVIDER shall provide appropriate management, Zamboni driver(s) and any cleanup/maintenance staff required by the USER. The USER shall provide ticket seller(s), time/score keeper(s), penalty box attendant(s) and all security staff. All USER staffing of games to be reviewed and approved by the PROVIDER. USER is responsible for the management and control of all spectators that attend its games, practices, or any events sponsored by the USER.

a. USER shall be responsible for the complete repair of any damage to space within the FTCenter that is damaged while being utilized by USER.

7. PAYMENTS: PROVIDER shall bill USER monthly beginning in October of each season. USER will be billed in eight even increments of \$51,750 each.

2022-2023			
Payment #1	October 1, 2022		\$ 51,750.00
Payment #2	November 1, 2022		\$ 51,750.00
Payment #3	December 1, 2022		\$ 51,750.00
Payment #4	January 1, 2023		\$ 51,750.00
Payment #5	February 1, 2023		\$ 51,750.00
Payment #6	March 1, 2023		\$ 51,750.00
Payment #7	April 1, 2023		\$ 51,750.00
Payment #8	May 1, 2023		\$ 51,750.00
			\$ 414,000.00

2023-2024			
Payment #1	October 1, 2023		\$ 51,750.00
Payment #2	November 1, 2023		\$ 51,750.00
Payment #3	December 1, 2023		\$ 51,750.00
Payment #4	January 1, 2024		\$ 51,750.00
Payment #5	February 1, 2024		\$ 51,750.00
Payment #6	March 1, 2024		\$ 51,750.00
Payment #7	April 1, 2024		\$ 51,750.00
Payment #8	May 1, 2024		\$ 51,750.00
			\$ 414,000.00

8. All ice hours used in excess the 1800 contracted hours, will be billed at the \$230 per hour Prime Rate or \$180 Off-Peak Rate as described in Section 5.
9. USER will promptly pay PROVIDER any required deposits and an amount equal to the number of hours of practice and game ice usage at the rate agreed to.
10. CANCELLATIONS: PROVIDER may cancel this Agreement for any material default by the USER in terms of this Agreement. PROVIDER may also reschedule the dates or times of the scheduled ice usage upon five days written notice to the USER. PROVIDER shall not be held responsible for the cancellation of ice time for reasons beyond the reasonable control of PROVIDER, its agents, or employees, such as but not limited to equipment failure, loss of power, severe weather or acts beyond PROVIDER'S control. In the event of such an occurrence, PROVIDER will attempt to reschedule USER'S ice times or USER may cancel and promptly receive a return of any fees paid.
11. ASSIGNMENT: if scheduled ice time cannot be used by the USER, they shall promptly notify the PROVIDER in writing within 14 days and the PROVIDER will attempt to reassign that time to another group. If the time cannot be assigned to another group, the USER will pay the charged fees for their scheduled time.
12. RULES AND REGULATIONS: USER agrees to use the facilities according to the Rules and Regulations of PROVIDER which will be adopted and posted from time to time within the facility.
13. SIGNAGE: USER recognizes that it does not have rights to post any signs without the express written consent of PROVIDER. Any signs so consented shall conform to and be consistent with the sign usage policy of PROVIDER and be subject to PROVIDER review and approval.
14. LIABILITY: USER acknowledges that PROVIDER has not asserted or accepted any responsibilities for supervision, security or control of USER'S property or activities. USER shall be solely responsible to provide security for its equipment kept on the premises and shall be solely responsible to provide supervision of its players, staff, and spectators, on and off the ice. PROVIDER shall be solely responsible for the action of its employees, agents, and invitees.

15. USER assumes all risks of personal injury arising from its usage of the FTCenter or any part connected or contiguous thereto which result from an act or failure to act on the part of the USER or others over whom it has supervisory responsibility. USER assumes responsibility for damages to the property of PROVIDER arising out of the negligence of USER under its performance of this agreement. PROVIDER will notify the USER of any damages and allow the USER a reasonable opportunity to review the damage before repairs are made. PROVIDER is responsible for the repair or replacement of PROVIDER'S property and will invoice the USER for the damages. USER'S obligation shall be to reimburse PROVIDER for the cost of labor and replacement of like-kind and quality equipment.
16. PROVIDER agrees to indemnify and hold harmless USER from and against all claims, costs, expenses(including attorney fees) and liabilities of whatever nature arising from(i) any negligent or wrongful act or omission of PROVIDER, its licensees, agents, or employees; or (ii) arising from any accident, injury, including death, or damage to any person or property occurring on the premises and caused by the negligence or other wrongful conduct of PROVIDER, excluding claims arising from USER'S performance under this agreement. This paragraph shall not act as a waiver of any tort liability caps or legal immunities that may exist to protect the PROVIDER.
17. USER agrees to indemnify and hold harmless PROVIDER from and against all claims, costs, expenses(including attorney fees) and liabilities of whatever nature arising from (i) any negligent or wrongful act of omission of USER, its licensees, agents, or employees; or (ii) arising from any accident, injury, including death, or damage to any person or property occurring on the premises and caused by the negligence or other wrongful conduct of USER, excluding claims arising from PROVIDER'S performance under this agreement.
18. INSURANCE: Both USER and PROVIDER shall maintain liability insurance against claims for bodily injury, death or property damage occurring on or about the FTCenter. Such insurance shall be written on an occurrence basis with a combined single limit of not less than \$1,000,000 per occurrence. If the insurance policy is written on a "claims-made basis," the party will maintain coverage for a minimum of three years past the expiration of this agreement. The retroactive date of the policy shall be indicated on the certificate of insurance outlining coverage.
19. In addition, both parties shall name the other party as an additional insured with respect to its own operations on said policies of insurance. Both parties will maintain all workers compensation insurance required by law.

THIS CONTRACT AND ANY ATTACHED SCHEDULES OR SIGNED ADDENDUMS CONSTITUTES THE ENTIRE AGREEMENT BETWEEN PROVIDER AND USER. THE UNDERSIGNED USER AGREES TO PURCHASE ALL HOURS OUTLINED IN THE

ATTACHMENT. NO PROVISION OF THIS AGREEMENT MAY BE CHANGED, WAIVED OR TERMINATED UNLESS DONE IN WRITING AND EXECUTED BY BOTH PROVIDER AND USER.

GENERAL FACILITY USE GUIDELINES

PURPOSE

To establish procedures and policies applicable to all areas of the Furniture and Things Community Event Center (FT Center) which promote respectful behavior to other users and to the building. To promote the use of the facility for activities that support being community oriented and financially self-sufficient.

DEFINITIONS

Facility User/User: An individual/group/organization utilizing a facility area in the FT Center. May be referred to as “Facility User”, “User”, “Renter”. This is the contact person during the reservation and permitting process.

FT Center: Furniture and Things Community Event Center

Rental Coordinator: This person works with renters/potential rentals to coordinate facility use. This position may be The Facility Superintendent, Assistant Facility Supervisor, or a designee.

- All users within the FT Center must adhere to the rules here-in.
Renters of the FT Center must read and adhere to the rules outlined in the Facility Rental Procedures outlined on page 7.
- The FT Center, its grounds, and parking lot are smoke-free, tobacco-free, and cannabis free including smoking, chewing, and vaping. The City reserves the right to remove or a user or revoke a permit when in violation of the policy.
- Due to the location of the FT Center and the inability to access the building without crossing school district property, the FT Center is a gun-free facility.
- Any alcohol on - site must be purchased from and served by a licensed caterer from the FT Center’s approved caterer list. Minor consumption of alcohol, under the legal 21 years of age, is prohibited. (*MN Statue 340A.503*)
- Animals are prohibited in the facility unless a licensed service animal and/or pre-approved for an exhibit. Facility User is responsible to clean up all defecation and provide proper cleaning supplies and chemicals for any animals on the property (interior or exterior). The facility user shall be billed for any clean up deemed necessary by FT Center.
- Youth groups (participants aged 18 and younger) must be chaperoned on a ratio of one adult (18+) per ten (10) youth, or other ratio as FT Center staff deem necessary.
- Children eight (8) years of age and younger must always be in direct supervision by an adult/guardian in the facility/on FT Center property.
- The use of sticks, pucks, or balls in the “off-ice” areas of the facility is prohibited.

- Roller blading, roller skating, use of “wheelies” or skateboarding is not allowed in the FT Center.
- Foul, inappropriate, or offensive language is not permitted – verbally, written, or in music.
- Acts of vandalism or damage to the FT Center will be reported to the Elk River Police Department.
- The FT Center is not responsible for any lost or stolen property.
- Conducting group events or parties in common lobby areas is prohibited. Users shall be asked to utilize the meeting rooms for the specified rates.
- One-hour limit for table use in lounge areas. Patrons are welcome to use the lobby for viewing or dining.
- Violent/aggressive behavior to other patrons or to FT Center staff is strictly prohibited. Staff will refer to the Emergency Procedure Guide on page 19 in the event of violent/aggressive behavior.
- The FT Center does not close if the school district closes for inclement weather. Should weather dictate a need to shelter in the FT Center, please refer to the Emergency Procedure Guide on page 19 on shelter locations within the building.
- Use of the sound system for ice/turf rentals is allowed, however each group must provide their own cables to connect to the system. The volume levels are preset, staff will not turn up the volume beyond the preset levels. Foul, inappropriate, or offensive language is not permitted in the music played at the FT Center. Users who play inappropriate music will not be allowed to use the system.

HOURS OF OPERATION

PURPOSE

To establish operating hours that best meet the demands of FT Center users and promote efficient use of the building and scheduling of staff to meet the financial expectations of the facility.

DEFINITIONS

Peak Season	A period of months where facility use is greater. Generally used as the programming period for the primary activity of each area. This includes September 1 – March 14 for ice and November 1 – April 30 for fieldhouse.
Off Peak Season	A period of months where facility use is lower. Generally used as the shoulder season for the primary activity of each area. This includes March 15-August 30 for ice and May 1 – October 31 for fieldhouse.
Prime Time	The most desirable time of day for facility use.
Non-Prime Time	The least desirable time of day for facility use.

GENERAL FACILITY HOURS

The Furniture and Things Community Event Center general building hours are for all areas unless specified differently within this section. This coincides with the walking track hours and is subject to change. Rental hours will dictate the facility hours beyond this schedule and customers are subject to an after-hour fee when scheduling past these hours.

- **Peak Season Facility Hours (October – March)**

Monday – Friday	7:15 a.m. to 8:00 p.m.
Saturday	7:15 a.m. to 8:00 p.m.
Sunday	7:15 a.m. to 8:00 p.m.
Holiday	Refer to holiday schedule.
- **Off- Peak Season Facility Hours (April – September)**

Monday – Friday	7:15 a.m. to 4:00 p.m.
Saturday	No set hours - determined by facility use.
Sunday	No set hours – determined by facility use.
Holiday	Refer to holiday schedule.

- Holiday Hours

The facility will observe the schedule listed below for federal holidays.

Ice/Room/Turf rentals may be scheduled on holidays at an increased rate with a minimum of two hours if staffing is available. Holiday building hours will be posted if/when they vary from the general facility hours.

HOLIDAY HOURS OF OPERATION

Holiday	Day/Date	Proposed Hours
New Year's Day	January 1	As usage dictates
Martin Luther King, Jr Day	3 rd Monday in January	7:15 a.m. – 8:00 p.m.
Presidents Day	3 rd Monday in February	7:15 a.m. – 8:00 p.m.
Easter Sunday	Sunday in March or April	Closed
Memorial Day	Last Monday in May	Closed
Juneteenth	June 19	7:15 a.m. – 4:00 p.m.
Independence Day	July 4	Closed
Labor Day	1 st Monday in September	Closed
Veterans Day	November 11	7:15 a.m. – 8:00 p.m.
Thanksgiving	4 th Thursday in November	Closed
	Friday after Thanksgiving	7:15 a.m. – 8:00 p.m.
Christmas Eve	December 24	As usage dictates
Christmas Day	December 25	Closed
New Years Eve	December 31	As usage dictates

SENIOR CENTER

Operating hours for the senior center are:

Monday – Friday 8:30 a.m. – 4:00 p.m.

Operating hours for weeknight and weekend hours may be approved by the Facilities Superintendent.

RESERVATION PROCEDURES

PURPOSE

To establish procedures and policies regarding the consistent scheduling of the Furniture and Things Community Event Center. To provide staff and FT Center users with a guide to ensure the efficient and accurate process of all facility rental requests.

DEFINITIONS

FT Center	Furniture and Things Community Event Center
Facility User:	The individual/group/organization authorized to use the Furniture and Things Community Event Center as shown on the Facility Use Permit.
Facility Use Permit:	Document listing facility rental details agreed upon by Furniture and Things Community Event Center staff and the facility user.
Rental Coordinator:	Furniture and Things Community Event Center staff person assisting the renter/potential renter with facility reservation, this could be The Facility Superintendent, the Assistant Facility Supervisor, or other designated employee.
Resident:	A person residing within the City of Elk River. Residency is not determined by the school district. P.O. boxes in Elk River do not constitute an Elk River address. Disputes resolved by the Secretary of State polling location: https://pollfinder.sos.state.mn.us/
Non-Resident:	Any user not residing within the City of Elk River as determined by the Secretary of State: https://pollfinder.sos.state.mn.us/
Tentative:	The status of a reservation prior to submitting a payment.
Firm:	The status of a reservation following a payment.

RESERVATION GUIDELINES

Renter Guidelines

- All groups using designated rental spaces at the FT Center must have a firm permit or contracted approval prior to facility use. No casual use is allowed. This includes the Cornerstone Automotive Arena, the Kiser Construction Arena, the turf fieldhouse, the party room(s), the Senior Activity Center, the flex space, the upper lobby, and the meeting room(s).
- One (1) contact person who will be present during the entire event (18 years or older) must be designated to coordinate and confirm all aspects of the rental with an FT Center representative

prior to the event date. This user agrees to pay the City of Elk River for rental of the facilities and amenities listed on the permit and will be responsible for adhering to the reservation times and guidelines for themselves and their guests.

- Organizations with more than one division (i.e. youth athletics) will be required to identify one (1) contact person to schedule the facilities for each division or group within their organization.
- Residents may not reserve the facility for a non-resident.
- Residents must reside in the City of Elk River at the time of the rental.
- Renter cannot sublet, transfer, or reassign the reservation.
- By paying the rental fee, the customer agrees to follow the rules herein.

General Guidelines

- Renters must comply with all City Ordinances, Minnesota State statutes, and Federal Building Laws for use. Violation of these rules may result in the denial of future use of the FT Center. Denial of use does not exempt violators from possible prosecution under applicable City Ordinances, State, or Federal Laws.
- The FT Center, its grounds, and parking lot are smoke-free and tobacco-free including smoking, chewing, and vaping. The City reserves the right to remove a user or revoke a permit when in violation of the policy.
- Due to the location of the FT Center and the inability to access the building without crossing school district property, the FT Center is a gun-free facility.
- Renter assumes full responsibility for any unlawful act(s) committed in the facilities listed on the user permit during the reservation time.
- Renter must provide adequate adult (18 years or older) supervision of all minors during the event.
- All minors must stay in facilities listed on the user permit during your event.
- Event cannot exceed maximum capacity due to fire safety:
 - Party Rooms- 155
 - Meeting Rooms-134
 - Flex Space- 251
 - Senior Activity Center - 177
 - Upper Lobby-228
 - Fieldhouse-568
- At their discretion, FT Center staff may:
 - Order the removal of any offender.
 - Order immediate removal of all alcoholic beverages from premises.
 - Revoke the rental contract immediately and order all persons from premises.
- No exits, firefighting, or emergency equipment in any area of the facility can be blocked or covered for any reason.
- All electrical equipment must be U.L. (Underwriters Laboratories) approved. If not, it will be removed from the premises.

- Operation of any heater, barbecue, heat producing or open flame device, candles, lanterns, torches, welding equipment, smoke emitting devices or material in the FT Center must have written authorization by FT Center Management. No fog machines allowed.
- If security is deemed necessary by the FT Center, a \$135/hour charge with a 4-hour minimum will be added to the permit fee.
- Animals are prohibited in the facility unless a licensed service animal and/or pre-approved for an exhibit. Renter is responsible for cleaning up all defecation and providing proper cleaning supplies and chemicals for any animals on the property (interior or exterior). The facility user shall be billed for any clean up deemed necessary by FT Center.
- The FT Center is not responsible for any lost or stolen property.
- FT Center Staff cannot store or take responsibility for any of the renter's property including media devices and personal AV equipment.
- If deemed necessary, the FT Center reserves the right to substitute a meeting room other than that stated on the Rental Permit, to minimize conflicts of compatibility, space, and scheduling.

Fees

- All payments including facility rental, use of amenities, security fees (if required by FT Center), and damage deposit are due in full at the time of booking.
- Fees cover the use of the facilities/amenities according to the hours indicated on the permit only, and do not allow access or admission to public ice/turf programs.
- Rental times must include all set-up/decorating/deliveries and clean up time by the renter and all contracted service providers. Occupancy of the reserved facility after the time indicated on the permit will result in additional rental fees charged to the renter. No items are to be left overnight.
- Fees/Amenities for each rental space include:
 - Ice - includes a clean sheet of ice for the length of time reserved, up to two locker rooms, and hockey nets as needed (must be requested at the time of rental)
 - Fieldhouse - includes use of the fieldhouse and batting cages (for full turf or north end rental- must be requested at the time of rental).
 - Tables and chairs are available to rent for an additional fee.
 - Use/closure of the walking track is not included in fieldhouse rental.
 - Rooms – Tables and chairs allocated for each space, wall mounted tv (where applicable), sink/counter space (where applicable).
 - Additional tables and chairs are available to rent for an additional fee.
 - A/V equipment including podium, microphone, speaker, zoom/cart tv are available to rent for an additional fee.
- Basic assistance with FT Center A/V equipment is included in the rental fee and should be confirmed when placing the reservation. Requests for additional equipment and/or assistance will be an additional expense to the User. FT Center staff cannot assist with A/V equipment not owned by the FT Center.
- Rental spaces with all purchased amenities will be set up and available 15 minutes prior to the time listed on the permit unless previously coordinated with the renter.

Large Scale Event Guidelines

- Large scale events are defined as any events that are open to the public whether admission is charged or not.
- Facility Renters/Vendors at trade show/craft show/expo engaged in the business of making retail sales at the FT Center may require sales tax permits. Facility Renters/Vendors are responsible for filing sales tax and must have a Minnesota Sales and Use Tax Permit on their person during the event. This includes, but is not limited to, silent auctions, craft shows, business seminars selling products, fundraisers, etc.
- Materials used in the construction of displays, such as draping, table-coverings, banners, props, scenery, greenery, trees, and shrubs must be fire resistant. All vendors at trade shows/expos/craft shows, etc who have a canopy or covering on their display must have a minimum 5# fire extinguisher usable for class ABC fires in their booth. The FT Center has a limited number of extinguishers available to rent.
- Large scale events must maintain a minimum aisle width of 10' with cross rows every 30'. All aisles must be kept clear, clean, and free of obstructions.

Decoration Guidelines

- The FT Center does not provide linens, paper products, ice, food storage, serving pieces, dishes, flatware, or décor for events.
- Confetti, pinatas, glitter, bird seed, rice, rose petals, feathers or similar items are not allowed.
- Décor may not be added to the floor, ceiling, or lights.
- Décor may be added to the walls with blue painters' tape (tape not provided by the FT Center), as well as table décor, flowers, and balloons.
- Stick-on table skirts are not allowed.
- Renters may not decorate public areas (bathrooms, entrance, lobby, etc.) without approval from the FT Center.
- Decorations cannot inconvenience any other group.
- Renter is responsible for putting all trash/recycling in the provided receptacles upon completion of rental and for providing coverings to protect furnishings (i.e. table coverings for craft projects with paints, construction requiring adhesives, etc.). Renter shall be billed for any excessive clean up deemed necessary by FT Center.

Food Guidelines

- Groups of 75 or less may bring food and non-alcoholic beverages. Groups over 75 must have all food/beverage needs met by an approved caterer on the FT Center catering list. Staff members reserve the right to inspect coolers and large containers.
- Renters hosting a large-scale event including but not limited to craft shows, trade shows, vendor shows, expos, etc. who wish to have food service in addition to the FT Center Concession Stand (available as schedule/staffing allows) must work with a caterer on the FT Center's approved caterer list. If the user would like to work with a different caterer, the

caterer must be added to the approved list by submitting the required paperwork/signed contracts available from The Facility Superintendent.

- All alcohol in the FT Center must be purchased from and served by a licensed caterer from the FT Center's approved caterer list. Alcohol must only be served in the spaces listed on a user permit. Minor consumption of alcohol, under the legal 21 years of age, is prohibited. (*MN Statue 340A.503*)
- All food trucks on FT Center property must have pre-approval (including location) from FT Center management. Only food trucks on the City's approved list may vend on City property. For current list, visit: <https://www.elkrivernm.gov/1531/Mobile-Food-Units>. Food trucks are not allowed inside the FT Center by order of the Fire Marshal.

Music, Audio and Entertainers

- Music and Audio:
 - Staff will monitor noise to ensure it's at an appropriate level.
 - Noise level should not disturb other guests using the FT Center.
 - Needs to be done 30 minutes prior to the end of the event.
- Inappropriate language is prohibited either verbally, in writing, or in music.
- Entertainers must be completed with all take down by the end time listed on the permit to avoid additional charges to the user.
- Fog machines are not allowed.

Clean Up

- Renters must remove all items from rented space at the end of their reservation.
 - This includes third-party rentals and catering.
- Renters must put all trash/recycling in the receptacles provided.
- Renters must remove all decorations.
 - The FT Center is not responsible for items left on site.
- The event and cleanup must be completed by the end of the reservation time listed on the permit.

Damages

- The renter is responsible for all damages incurred in the facility rented during the reservation time listed on the permit.
- Renters will be charged actual costs for any damage caused to the facility.

Cancellations and Refunds

- Cancellations must be submitted in writing.
- Reservation deposits are non-refundable.

Liability

Renter is responsible for:

- Management and appropriate conduct of all group members and guests.
- Any loss, breakage, or damage to the rooms, equipment, or other FT Center property.
- Any damages incurred by the facility.

- Any personal injuries and/or property damage caused by yourself or your employees, officials, agents, and guests.

The City of Elk River is not liable for any loss, damage, injury, or illness of the renters and guests of the FT Center.

Insurance Requirements

The renter shall provide a copy of their liability insurance with a minimum of the following requirements:

- \$1,000,000 coverage
- Insurance shall include liability for injury, death, and property damage.
- The insurance company must be licensed to do business in the state of Minnesota.
- The FTCenter must be named as an “additional insured” on the policy.

At least (7) seven days prior to the first event scheduled by the renter, the renter must give the FTCenter a certificate of insurance showing the required coverage.

PRIORITY SCHEDULING

Ice Rental Priority Scheduling

Ice is scheduled on a seasonal basis September – May in the following order:

- FT Center programs including but not limited to: Skating Academy, Breakaway Hockey League, Open Skating, Stick and Puck, Open Hockey, etc.
- FT Center contracted ice users including but are not limited to Elk River High School, Elk River Youth Hockey, Elk River Figure Skating Club, MN Squatch, Two Brothers Hockey - these groups are billed after ice use by the City of Elk River.
- Outside user reservations on a first-come first-served basis. These groups pay in advance to the FT Center directly.
- Special Note: Due to the nature of the Furniture and Things Community Event Center operations, there may be a need to coordinate and schedule private, commercial/business or non-resident civic group in advance of the priority scheduling guidelines as outlined above. When staff feel consideration as been given to the previous year’s use of a particular area and/or programming needs, these requests will be processed (i.e. Community Room for a private event, conference, training, trade show, special event, etc.).

Turf Rental Priority Scheduling

Turf rentals are scheduled on an annual basis January – December in the following order:

- FT Center programs including but not limited to Makers Markets, recreational programming, open turf, etc.
- Elk River groups/Elk River youth associations beginning January 1st for the following year (i.e. Open January 2023 for January -December 2024). These groups have 30 days to reserve time before it is made available to outside groups. To hold the scheduled time, Elk River groups are allowed to put 50% of their total reservation fee down, with all remaining fees to be paid in full 30 days prior to their first scheduled event. After the first 30 days, all requests are processed on a first come first served basis.
- Non - Elk River renters can schedule turf for the following year February 1 (i.e. Beginning February 1, 2023, non-Elk River renters/associations can rent turf for January - December of 2024.) Non-Elk River renters must make their payment in full at the time the schedule is reserved.

Room Rental Priority Scheduling

Room Rentals are scheduled on a first come, first served basis in the following order*:

- FT Center events/programs
- Senior Activity Center programs
- Outside users with payment due at the time of reservation.

*Exception: The Senior Activity Center is unavailable to rent Monday – Friday 8:30 a.m. – 4:00 p.m. and is available to rent outside those hours to members only.

SPECIAL FEES/DAMAGE DEPOSITS

- A. A **special use fee** may be required in some events/activities. This fee will be applied to cover unusual, anticipated expenses, such as excessive clean-up, unusual set-up, excess electricity, or phone usage, and/or damage associated with the user's program or events. The special user fee is payable at the time the reservation is made and will be held until it has been determined by the city if any or all the fee was used. Any unused balance will be returned to the user and/or invoiced.
- B. A **damage deposit** is paid in addition to the rental fee. This fee shall be returned within two (2) weeks after the event if no deductions are necessary. Violation and/or failure to adhere to all guidelines may result in denial of future permits for the use of the facility and forfeiture of damage deposit.

Cancellations and Refunds

- A. All cancellations must be received no less than fourteen (14) days prior to the rental time to be eligible for a refund.
- B. Refunds more than 14 days prior to scheduled use will receive a 50% refund.
 - a. Any cancellation of a rental total \$5,000 or above will require 45 or more days' notice to receive a full refund. Cancellation notices between 30-44 days prior are eligible for a 50% refund and cancellations notices less than 30 days in advance will not receive a refund.
- C. Refunds less than 14 days prior to scheduled use are not eligible for a refund.
- D. All refund requests will be charged a \$10 cancellation fee.
- E. Refunds will not be issued for no shows.
- F. The user should confirm their reservation by making the following two payments:
 - Pay the rental total. This amount is shown on the Facility Use Permit. This payment may be made in the form of cash, check, or Visa/MasterCard/Discover. In all cases, checks may be made out to City of Elk River.
 - Damage deposit.

ICE USER GUIDELINES

PURPOSE

To establish procedures and policies regarding use of ice at the Furniture and Things Community Event Center.

DEFINITIONS

FT Center	Furniture and Things Community Event Center
Ice Renter	The individual/group/organization authorized to use either the Cornerstone Automotive Arena or the Kiser Construction Arena as noted on the facility use permit.
Facility Use Permit:	Document listing facility rental details agreed upon by Furniture and Things Community Event Center staff and the ice user.
Rental Coordinator:	Furniture and Things Community Event Center staff person assisting the renter/potential renter with facility reservation, this could be The Facility Superintendent, the Assistant Facility Supervisor, or other designated employee.
Tentative:	The status of a reservation prior to submitting a payment.
Firm:	The status of a reservation following a payment.

All ice users are expected to adhere to the general facility use guidelines, in addition to the rules listed below.

- Those participating in on- ice activities assume all inherent risks and responsibilities, whether spectator or participant.
- All ice use must be scheduled and paid, no casual use.
- The ice renter listed on the permit is responsible for the actions of all ice users during the times listed on their permit.
- Renters will not be allowed on the ice prior to the time listed on their ice rental permit.
- Users will not be allowed to stay on the ice after the time listed on their ice rental permit.
- The players gate must remain closed and users off the ice during resurfacing.
- Consumption of food and beverages (except water) is prohibited on the ice and in the player's benches.
- All ice users must wear skates.
- Only skate assists are allowed on the ice, no chairs.
- Taunting or disturbing of participants (players, coaches, or officials) by other participants or spectators will not be tolerated.

- Alcohol use is prohibited on the ice or in the locker rooms.
- The use of sticks, pucks, or balls in the “off-ice” areas of the facility is prohibited.
- Spitting on the floor, in the sinks, or in the drinking fountain will not be tolerated.
- Player’s bags are not allowed in common areas of the facility, including, but not limited to, the lobby, restrooms, locker room hallways, etc.
- Damage beyond reasonable use to the ice or the locker rooms will be reported to FT Center management.
- The FT Center does not supply cords for connecting to the rink sound systems and staff will monitor it’s use for noise levels and appropriate content.

TURF USER GUIDELINES

PURPOSE

To establish procedures and policies regarding use of the turf at the Furniture and Things Community Event Center.

DEFINITIONS

FT Center	Furniture and Things Community Event Center
Turf Renter	The individual/group/organization authorized to use either ½ or the full fieldhouse as noted on the facility use permit.
Facility Use Permit:	Document listing facility rental details agreed upon by Furniture and Things Community Event Center staff and the ice user.
Rental Coordinator:	Furniture and Things Community Event Center staff person assisting the renter/potential renter with facility reservation, this could be The Facility Superintendent, the Assistant Facility Supervisor, or other designated employee.
Tentative:	The status of a reservation prior to submitting a payment.
Firm:	The status of a reservation following a payment.

All turf users are expected to adhere to the general facility guidelines, in addition to the rules listed below:

- All field house use must be reserved and paid for or approved under contract – no casual use.
- The renter listed on the permit is responsible for the actions of all turf users during the time listed on the permit.
- All minors (under 18) must be under adult supervision throughout the time listed on the permit,
- The fieldhouse will be opened 15 minutes prior to each scheduled event and closed promptly after each rental period ends.
- All fieldhouse users must enter through the front entrance.
- No fieldhouse entry is allowed from the walking track area.
- Only the turf and batting cages (where applicable) are included in turf rental.
 - Turf rental does not include tables or chairs which can be rented for an additional fee.
 - Turf rental does not include use or closure of the walking track.
 - Turf rental does not include use of the north end of the fieldhouse on the opposite side of the white wall.

- Any turf user who wishes to leave equipment in the fieldhouse must have prior permission from the FT Center management on a seasonal basis and does so at their own risk.
- The FT Center is not responsible for any lost or stolen items.
- All ½ turf rentals will have the center divider curtain down.
- Use of batting cages must be requested at the time of rental for full turf or north end turf rentals.
- Only authorized personnel may operate the batting cages/center divider.
- Sunflower seeds are prohibited.
- Food/alcohol consumption (excluding water) in the fieldhouse is not allowed, except with pre-approved or catered events.
- No glass containers are allowed in the fieldhouse.
- Only controlled hitting (bunting or by a coach) is allowed outside of the batting cages.
- Do not throw or hit balls against the fieldhouse perimeter nets, the center divider, or the ceiling.
- Only plastic/rubber cleats are allowed.
- The FT Center does not supply cords for connecting to the fieldhouse sound system, and staff will monitor it's use for noise levels and appropriate content.
- Renters must clean up after themselves.

EMERGENCY PROCEDURES GUIDE

To all employees of Furniture and Things Community Event Center,

Considering potential emergencies that can occur in the workplace, it is crucial for all city employees to be aware of and prepared for various emergency situations. This Emergency Procedures Guide has been created to provide you with the necessary information and instructions to handle emergency situations effectively and ensure the safety of yourself and others.

This guide will cover a range of likely emergency scenarios but is not intended to cover all possible situations. It will also outline the specific procedures and protocols to follow in each situation, as well as the roles and responsibilities of employees during an emergency.

It is important for every employee to familiarize themselves with this guide and to be prepared to take immediate and appropriate action when necessary. By being well-informed and ready to respond in an emergency, we can ensure the well-being and safety of our fellow employees and the public. It is important to familiarize yourself with the following procedures and know the location of emergency exits, evacuation routes, and emergency equipment within the workplace.

We hope that this guide will provide you with the knowledge and confidence to effectively manage any emergency situation that may arise.

FOR ALL EMERGENCIES:

**CALL
911**

MEDICAL EMERGENCIES

In the event of a medical emergency or injury, follow these steps to provide immediate aid and ensure safety:

1. **Call for Help:** Dial emergency services (such as 911) immediately to request assistance from paramedics and other first responders. Provide clear and accurate information about the nature of medical emergency or injury.
2. **Assess the Situation:** Quickly evaluate the scene for any immediate threats to your safety or the safety of the injured person. If the area is unsafe, move yourself and the injured person to a safe location if possible.
3. **Provide First Aid:** If you are trained in first aid, provide immediate assistance based on your level of training. This may include applying direct pressure to stop bleeding, performing CPR, or stabilizing the injured person's neck and spine if there is a suspected neck or back injury.
4. **Control Bleeding:** If the injured person is bleeding, apply direct pressure to the wound using a clean cloth or bandage. Elevate the injured area if possible and maintain pressure until help arrives.
5. **Monitor Vital Signs:** Check the injured person's vital signs, including breathing, pulse, and level of responsiveness. If necessary, provide basic life support measures such as CPR or rescue breathing.
6. **Gather Information:** Gather important information about the injured person, including their medical history, known allergies, and any medications they are taking. This information can be crucial for medical professionals when they arrive.
7. **Communicate with Emergency Services:** Stay on the line with emergency services and provide any updates on the injured person's condition. Follow any instructions given by the dispatcher.
8. **Stay Calm and Reassure the Injured Person:** Keep the injured person as calm as possible, providing reassurance and comfort while waiting for help to arrive. Talking to the injured person in a calm and confident manner can help reduce anxiety and promote a sense of safety.
9. **Document the Incident:** After the situation is under control, document the details of the medical emergency or injury, including the time it occurred, the events leading up to it, and the actions taken to provide aid.

BOMB THREAT PROCEDURE

(SEE APPENDIX A FOR QUICK GUIDE)

Purpose: To plan for incidents involving bomb threats or suspected explosive devices. (See Appendix A for guidance)

1. Take the threat seriously: If a bomb threat is received, it should be treated as a credible threat and all necessary actions should be taken to ensure the safety and security of everyone in the vicinity.
2. Remain calm: It is important to remain calm and not create panic. Alert others discreetly, if possible, and follow the established emergency procedures.
3. Notify authorities: Contact local law enforcement immediately to report the threat. Provide as much detail as possible about the threat, including the exact wording of the threat, if available.
4. Evacuate the area: If the threat is deemed credible, initiate an evacuation of the area. Follow established evacuation procedures and move to a safe location away from the potential target of the bomb threat. (See Evacuation Procedures guide)
5. Follow instructions: If emergency personnel are on the scene, follow their instructions and cooperate fully with their directions. Do not return to the area until it has been declared safe by the authorities.
6. Search for suspicious items: If it is safe to do so, staff members should conduct a brief search of their immediate area for any suspicious items. Do not touch or move any suspicious items and report them to the authorities immediately.
7. Remain vigilant: Even after the area has been cleared, remain vigilant for any suspicious activity or items. Report any concerns to authorities and follow their instructions.
8. Communicate with those affected: Ensure clear communication with those affected by the bomb threat, providing updates and information as it becomes available.
9. Review and debrief: After the threat has been resolved, conduct a thorough review of the incident to identify any areas for improvement in emergency procedures. Debrief with staff to discuss their experiences and any concerns.

10. Provide support: Offer support and resources to those affected by the bomb threat, including counseling and assistance with addressing any emotional or psychological impact.

It is important to regularly review and practice bomb threat procedures to ensure that all staff members are familiar with the steps to take in the event of a bomb threat. Additionally, consider incorporating bomb threat awareness and response training into regular employee training sessions.

EMERGENCY EVACUATION PROCEDURES

1. When the fire alarm sounds or an evacuation order is given, cease all work and leave the building via the nearest exit.
2. Follow the designated evacuation routes to the nearest exit, using stairways if the elevators are unavailable.
3. Do not use elevators during a fire emergency.
4. If possible, assist persons with disabilities or injuries in evacuating the building.
5. Move quickly and calmly to the designated assembly area outside the building.
6. Once outside, move away from the building to allow emergency personnel access to the premises.
7. Do not re-enter the building until the all-clear has been given by emergency personnel.

It is important to familiarize yourself with the location of emergency exits and evacuation routes within the workplace. Regularly review and practice these evacuation procedures to ensure everyone is prepared to respond effectively in the event of an emergency. If you have any questions about these procedures, please speak with a supervisor or safety coordinator. Your safety is our top priority.

EVACUATION PROCEDURES FOR BOMB THREAT

1. Evacuation will be accomplished by means other than a general fire alarm. A voice page may be used, but the word “bomb” should not be used in the evacuation message as it would cause undue alarm and panic. The voice page shall include, for example, the following message:

“May I have your attention please, all employees and visitors to the Furniture and Things Community Event Center, including the Senior Activity Center must evacuate the building as quickly and safely as possible. Immediately proceed to the designated assembly area outside of the building. Further information will be given when everyone has safely evacuated outside to the designated assembly area. Thank you.”

The designated assembly for all FT Center patrons and employees will be:

- The High School Football Stadium

If this area is deemed unsafe a location will be specified by the Supervisor on duty.

DISTURBANCES/HOSTILE SITUATIONS

In the event of a disturbance or hostile confrontation, it is essential to prioritize safety and take appropriate action to protect yourself and others. Here are some key emergency procedures to follow in such situations:

1. **Assess the Situation:** If you perceive a potential disturbance or aggression, quickly assess the situation to determine the level of threat and risk involved. Look for potential escape routes and safe areas to seek refuge.
2. **Stay Calm:** It is crucial to remain calm and composed in the face of a disturbance or confrontation. Panicking can escalate the situation and impair your ability to make rational decisions.
3. **Alert Authorities:** If possible, contact the appropriate authorities such as security personnel, law enforcement, or emergency services to report the disturbance and provide them with accurate information about the situation, including your location and any pertinent details.
4. **Seek Safety:** If you are in immediate danger, seek safety by moving to a secure location, such as a locked room or an area with a clear line of sight and escape route. If evacuation is necessary, follow established evacuation procedures and move to an assembly point if specified.
5. **Communicate:** If you are with other people, communicate with them to coordinate your actions and ensure everyone is aware of the situation and the steps being taken to address it.
6. **Follow Established Protocols:** If your organization or location has specific emergency protocols for disturbances and hostile confrontations, follow those procedures diligently. This may include following specific lockdown or evacuation procedures or taking shelter in designated safe areas.
7. **De-escalate if Possible:** If you are directly involved in the confrontation, attempt to de-escalate the situation by speaking calmly and avoiding aggressive or confrontational behavior. Seek to defuse tensions and create an opportunity for peaceful resolution.
8. **Provide Assistance:** After the immediate threat has been neutralized, if it is safe to do so, aid others who may be injured or traumatized. Administer first aid if necessary and offer support and comfort to those affected.

Remember that every situation is unique, and these guidelines are intended as a general framework for responding to disturbances and hostile confrontations. Always prioritize your safety and the safety of others and follow the directions of law enforcement and authorities when they arrive on the scene.

SMOKE OR FIRE EMERGENCY

In the event of a smoke or fire emergency, it is important to remain calm and act quickly to ensure the safety of everyone in the vicinity. Follow these emergency procedures to help keep yourself and others safe:

1. **Alert Others:** If you discover a fire or smoke, immediately notify others in the area by activating the nearest fire alarm. This will help alert everyone to the emergency and prompt them to evacuate the area.
2. **Evacuate the Area:** If it is safe to do so, evacuate the building or area immediately. Use the nearest exit and proceed to the designated assembly point outside of the building. Do not use elevators during a fire emergency.
3. **Close Doors:** As you evacuate, close all doors behind you to help contain the smoke and fire, as well as to slow down the spread of the fire.
4. **Stay Low:** If there is smoke present, stay low to the ground where the air is clearer and easier to breathe. Crawl if necessary to avoid inhaling smoke.
5. **Assist Others:** If you are able to do so safely, assist anyone who may need help evacuating the area, especially those with mobility impairments.
6. **Call for Help:** Once you are safely outside, call the local emergency services (911 or the local emergency number) to report the fire and provide them with as much information as possible, such as the location, size, and any potential hazards.
7. **Do Not Re-enter:** Under no circumstances should you re-enter the building or area until emergency responders have declared it safe to do so.
8. **Follow Instructions:** Listen to and follow any instructions provided by emergency personnel or building staff.
9. **Reassemble at a Safe Location:** Once outside, proceed to the designated assembly point to ensure that everyone is accounted for and to receive further instructions from emergency personnel.

It is important to review and practice these emergency procedures regularly to ensure everyone is prepared to respond appropriately in the event of a smoke or fire emergency. Remember, the safety and well-being of all individuals should be the top priority in any emergency situation.

SEVERE WEATHER

Severe weather events such as tornadoes and blizzards can pose a significant threat to safety. It is important to familiarize yourself with the following emergency procedures in the event of severe weather.

Blizzard:

Consideration to cancel events early if a blizzard is threatening the area should be made as early as possible to allow for safe travel for visitors and staff.

Tornadoes:

1. When a tornado warning is issued, take shelter in the designated tornado shelter area immediately.

Tornado Watch

- A ***Watch*** means...Conditions are present for severe weather, such as a tornado, to occur.
- Continue normal routine. Be alert for changing weather conditions.

Tornado Warning

A ***Warning*** means...A funnel cloud has been spotted, or a tornado has touched the ground, or winds in excess of 70 mph have been recorded. Outdoor warning sirens will be sounded.

When a tornado warning is issued, take shelter in the designated tornado shelter area immediately.

Upon receiving notification, FT Center Staff will make an announcement over the intercom. The announcement may read, ***“A tornado warning has been issued for the Elk River area. The designated shelter areas are open for employees and visitors.”***

ACTIVE SHOOTER/HOSTILE EVENT

When an active shooter/hostile event is in or near the building, quickly determine the most reasonable ways to protect your own life. Remember that visitors are likely to follow the lead of employees and managers during an active shooter situation.

Because active shooter/hostile event situations are often over before law enforcement arrives on the scene, the individual must be prepared both mentally and physically to deal with an active shooter/hostile event situation. Rapid notification of these events is critical to ensure a timely law enforcement response. While keeping safety in mind, rapid reporting should be done as soon as possible.

Staff should consider the following guidance, in order, when responding to such a threat:

1. **RUN** and escape, if possible.
 - Getting away from the shooter or shooters is the top priority.
 - Leave your belongings behind and get away.
 - Help others escape, if possible, but evacuate regardless of whether others agree to follow.
 - Warn and prevent individuals from entering an area where the active shooter may be.
 - Call 911 when you are safe.
 - If placing a voice call to 9-1-1 is not safe, then consider texting 9-1-1 from a cellular phone.

Information to provide to law enforcement or 9-1-1 operator:

- Location of the active shooter/active attacker
 - Number of shooters/attackers, if more than one
 - Identification of the attacker if it is known.
 - Physical description of shooter(s)/attacker(s)
 - Number and type of weapons held by the shooter(s)/attacker(s)
 - Number of potential victims at the location
2. **HIDE** if escape is not possible.
 - Get out of the shooter's view and stay very quiet.
 - Silence all electronic devices and make sure they will not vibrate.
 - Lock and block doors, close blinds, and turn off lights.
 - Do not hide in groups- spread out along walls or hide separately to make it more difficult for the shooter.
 - Try to communicate with police silently. Use text message or social media to tag your location or put a sign in a window.
 - Stay in place until law enforcement gives you all clear. Your hiding place should be out of the shooter's view and provide protection if shots are fired in your direction.
 3. **FIGHT** as an absolute last resort.
 - Commit to your actions and act as aggressively as possible against the shooter.
 - Recruit others to ambush the shooter with makeshift weapons like chairs, fire extinguishers, scissors, books, etc.
 - Be prepared to cause severe or lethal injury to the shooter.
 - Throw items and improvise weapons to distract and disarm the shooter.

AFTER AN ACTIVE SHOOTER/HOSTILE EVENT

- Follow law enforcement instructions and evacuate in the direction they come from, unless otherwise instructed.
- Keep hands visible and empty.
- Know that law enforcement's first task is to end the incident, and they may have to pass injured along the way.
- Officers may be armed with rifles, shotguns, and/or handguns and may use pepper spray or tear gas to control the situation.
- Officers will shout commands and may push individuals to the ground for their safety.
- Take care of yourself first, and then you may be able to help the wounded before first responders arrive.
- If the injured are in immediate danger, help get them to safety.
- While you wait for first responders to arrive, provide first aid. Apply direct pressure to wounded areas and use tourniquets if you have been trained to do so.
- Turn wounded people onto their sides if they are unconscious and keep them warm.
- Consider seeking professional help for you and your family to cope with the long-term effects of the trauma.

KEY ACTIONS DURING A HOSTAGE SITUATION

Hostage situations are incredibly stressful scenarios. The following items outline some considerations in the rare event that such a situation presents itself at a facility.

- Be patient. Avoid drastic action.
- The initial 45 minutes are the most dangerous. Follow instructions and be alert. The captor is often emotionally unstable. Do not make mistakes that could jeopardize your well-being.
- Do not speak unless spoken to and then only when necessary. Do not talk down to the captor, who may be agitated. Avoid appearing hostile.
- Always maintain eye contact with the captor, if possible, but do not stare. Treat the captor respectfully.
- Comply with instructions as best you can and avoid arguments.
- Be observant. You may be released or have an opportunity to escape. The personal safety of others may depend on your memory.
- If medications, first aid, or restroom privileges are needed by anyone, say so.

Accessing Weather Shelters in the FT Center. (Locker Rooms 1-5 noted with ■)

BOMB THREAT PROCEDURES

This quick reference checklist is designed to help employees and decision makers of commercial facilities, schools, etc. respond to a bomb threat in an orderly and controlled manner with the first responders and other stakeholders.

Most bomb threats are received by phone. Bomb threats are serious until proven otherwise. Act quickly, but remain calm and obtain information with the checklist on the reverse of this card.

If a bomb threat is received by phone:

1. Remain calm. Keep the caller on the line for as long as possible. DO NOT HANG UP, even if the caller does.
2. Listen carefully. Be polite and show interest.
3. Try to keep the caller talking to learn more information.
4. If possible, write a note to a colleague to call the authorities or, as soon as the caller hangs up, immediately notify them yourself.
5. If your phone has a display, copy the number and/or letters on the window display.
6. Complete the Bomb Threat Checklist immediately. Write down as much detail as you can remember. Try to get exact words.
7. Immediately upon termination of call, DO NOT HANG UP, but from a different phone, contact authorities immediately with information and await instructions.

If a bomb threat is received by handwritten note:

- Call _____
- Handle note as minimally as possible.

If a bomb threat is received by e-mail:

- Call _____
- Do not delete the message.

Signs of a suspicious package:

- No return address
- Excessive postage
- Stains
- Strange odor
- Strange sounds
- Unexpected delivery
- Poorly handwritten
- Misspelled words
- Incorrect titles
- Foreign postage
- Restrictive notes

** Refer to your local bomb threat emergency response plan for evacuation criteria*

DO NOT:

- Use two-way radios or cellular phone. Radio signals have the potential to detonate a bomb.
- Touch or move a suspicious package.

WHO TO CONTACT (Select One)

- 911
- Follow your local guidelines

For more information about this form contact the
Office for Bombing Prevention at: OBP@cisa.dhs.gov

I. 2022-31 ERYH Lease

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

LEASE AGREEMENT

This **LEASE AGREEMENT** ("Lease") is made and effective as of oct. 17, 2022, by and between the **CITY OF ELK RIVER**, a Minnesota municipal corporation (hereinafter referred to as the "Landlord") and **ELK RIVER YOUTH HOCKEY ASSOCIATION** (hereinafter referred to as the "Tenant").

The Landlord and Tenant hereby agree as follows:

ARTICLE 1 – LEASED PREMISES

Subject to the terms, covenants and conditions of this Lease, Landlord does hereby lease and let unto Tenant, and Tenant does hereby lease and take from Landlord, in the building ("Building") owned by Landlord located at 1000 School Street, Elk River, MN 55330, that space identified on **Exhibit A** attached hereto and incorporated herein, (hereinafter referred to as the "Leased Premises"). Tenant agrees to take and does take the Leased Premises in its "as is" condition. The Building and the Property are known as and hereinafter jointly referred to as the "Community Center".

ARTICLE 2 – TERM OF LEASE

A. The term of this Lease shall be for 24 months (hereafter referred to as the "Initial Term") upon the rentals and subject to the conditions set forth in this Lease, including **Exhibit A** attached hereto.

B. Landlord shall have the right to terminate this Lease for any reason upon 30 days' written notice to Tenant. The notice to terminate shall state the date upon which the Lease is terminated and the Leased Premises must be vacated. Tenant shall vacate the Leased Premises on or before that date. Failure by Tenant to vacate the Leased Premises on or before the termination date shall entitle Landlord to enter the Leased Premises, remove all property of Tenant and cause the Leased Premises to be put into the condition and state of repair required by this Lease. Tenant, on demand, shall pay the Landlord's costs thereof.

ARTICLE 3 - USE

A. The Leased Premises shall be used by the Tenant solely for the purposes set forth on **Exhibit A** hereto and for no other purpose without the prior written consent of the Landlord.

B. The Leased Premises shall not be used in violation of any applicable federal, state, or local law, ordinance, rule, or regulation, and Tenant shall comply with the same at its sole cost and expense.

C. Notwithstanding anything to the contrary herein, Tenant shall have the reasonable non-exclusive right to use the Common Areas (as hereinafter defined) of the Property and the Building with the Landlord, its employees, agents and invitees, as may from time to time exist, including but not limited to the parking facilities, sidewalks, driveways, access ways, common hallways, walkways, landscaped areas and public restrooms ("Common Areas") and the Landlord shall have the full control, management and direction of the Common Areas. The Landlord

reserves the right at any time and from time to time to reduce, increase, enclose or otherwise change the size, location, layout and nature of the Common Areas.

D. Tenant covenants and agrees that Tenant shall not handle, use, store or dispose of any flammables, explosives, hazardous or toxic wastes or materials (as may be defined by Federal or State Law), on or about the Leased Premises or the Property, without Landlord's prior written consent (which consent may be withheld or denied for any or no reason).

E. Tenant shall not perform any act or carry on any practice that may damage the Leased Premises or any other part of the Property.

F. Tenant shall keep the Leased Premises safe, clean and in as good condition and repair as they were in at the time Tenant took possession of same, reasonable wear and tear excepted.

G. Tenant agrees that it and its guests, employees, contractors, invitees and all others connected with the Tenant's operations at the Leased Premises shall abide by all reasonable rules and regulations from time to time established by the Landlord by written notice to the Tenant with respect to the Community Center and/or the Common Area portions thereof.

H. Tenant shall keep all trash, refuse, and the like in covered metal or plastic cans, which cans shall be kept within the Leased Premises at all times, unless an exterior storage area is specifically designated for Tenant's use by Landlord in which event the Tenant shall deposit all trash, refuse and the like in the exterior storage area.

I. Tenant shall ensure that the Leased Premises are secure at all times.

J. If Tenant shall fail to keep and preserve the Leased Premises in the state of condition required by the provisions of this Lease, Landlord may at its option put or cause the same to be put into the condition and state of repair agreed upon, and in such case the Tenant, on demand, shall pay the cost thereof.

ARTICLE 4 – RENT

Tenant agrees to pay to Landlord as rent (hereinafter called "Rent") for the Leased Premises the amounts shown on **Exhibit A** attached hereto.

ARTICLE 5 - NON-LIABILITY OF LANDLORD

Except in the event of gross negligence or willful misconduct of Landlord, its agents, employees or contractors, Landlord shall not be liable for any loss or damage for failure to furnish heat, air conditioning, electricity, water, sprinkler system, sewer or gas service. Landlord shall not be liable for personal injury, death or any damage from any cause about the Leased Premises or the Community Center except if caused by Landlord's gross negligence or willful misconduct.

ARTICLE 6 - INSPECTION

The Landlord, its employees or agents shall have the right without any diminution of rent or other charges payable hereunder by Tenant to enter the Leased Premises at all reasonable times

for the purpose of inspection, cleaning, repairing, testing, altering or improving the same or said Community Center, but nothing contained in this Article shall be construed so as to impose any obligation on the Landlord to make any repairs, alterations or improvements. Access by Landlord to the Leased Premises shall be preceded by 24 hours written or verbal notice by Landlord to Tenant, except in the event of an emergency.

ARTICLE 7 –ALTERATIONS

Tenant will not make any alterations, repairs, additions or improvements in or to the Leased Premises or add, disturb or in any way change any locks, plumbing or wiring therein without the prior written consent of the Landlord.

ARTICLE 8 - ASSIGNMENT AND SUBLETTING

Tenant agrees that Tenant does not have the right to assign, sublet, license or encumber this Lease, the Leased Premises, or any part thereof, whether by voluntary act, operation of law, or otherwise, without the specific prior written consent of Landlord in each instance.

ARTICLE 9 - LOSS BY CASUALTY

If the Community Center is damaged or destroyed by fire or other casualty, Landlord or Tenant shall have the right to terminate this Lease, provided it gives written notice thereof to the other party within ninety (90) days after such damage or destruction.

ARTICLE 10 - WAIVER OF SUBROGATION

Landlord and Tenant hereby release the other from any and all liability or responsibility to the other or anyone claiming through or under them by way of subrogation or otherwise for any loss or damage to property caused by fire or any of the extended coverage or supplementary contract casualties, even if such fire or other casualty shall have been caused by the fault or negligence of the other party, or anyone for whom such party may be responsible; provided however, that this release shall be applicable and in force and effect only with respect to loss or damage occurring during such times as the releasing party's policies shall contain a clause or endorsement to the effect that any such release would not adversely affect or impair said policies or prejudice the right of the releasing party to recover thereunder. Landlord and Tenant agree that they will request their insurance carriers to include in their policies such a clause or endorsement. If extra cost shall be charged therefor, each party shall advise the other of the amount of the extra cost, and the other party, at its election, may pay the same, but shall not be obligated to do so.

ARTICLE 11 - SURRENDER

On the last day of the Term of this Lease or on the sooner termination thereof in accordance with the terms hereof, Tenant shall peaceably surrender the Leased Premises in good condition and repair.

ARTICLE 12 - HOLDING OVER

Tenant will, at the expiration of this Lease, whether by lapse of time or termination, give up immediate possession to Landlord. If Tenant fails to give up possession the Landlord may pursue all remedies available to it for recovering possession of Leased Premises.

ARTICLE 13 - INDEMNITY, INSURANCE AND SECURITY

A. Tenant will keep in force at its own expense for so long as this Lease remains in effect public liability insurance with respect to the Leased Premises in which Landlord shall be named as an additional insured, in companies and in form acceptable to Landlord with a minimum combined limit of liability of ~~Three Million Dollars (\$3,000,000)~~ ^{one million 10-11-22 \$1,000,000}. Said insurance shall also provide for contractual liability coverage by endorsement. Tenant will further deposit with Landlord the policy or policies of such insurance or certificates thereof, or other acceptable evidence that such insurance is in effect, which evidence shall provide that Landlord shall be notified in writing thirty (30) days prior to cancellation, material change, or failure to renew the insurance. Tenant further covenants and agrees to indemnify and hold Landlord and Landlord's manager of the Community Center harmless for any claim, loss or damage, suffered by Landlord, Landlord's manager or Landlord's other tenants caused by any act or omission by Tenant or Tenant's members; or Tenant's failure to comply with any and all governmental laws, rules, ordinances or regulations applicable to the use of the Leased Premises and its occupancy. RLE

B. Tenant shall be responsible for the security and safeguarding of the Leased Premises and all property kept, stored or maintained in the Leased Premises. Tenant shall maintain in force throughout the Term, insurance upon all contents of the Leased Premises, including that owned by others and Tenant's equipment and any alterations, additions, fixtures, or improvements in the Leased Premises acknowledged by Landlord to be the Tenant's.

C. Landlord shall carry and cause to be in full force and effect a fire and extended coverage insurance policy on the Community Center, but not any contents owned, leased or otherwise in possession of Tenant.

ARTICLE 14 - NOTICES

All notices from Tenant to Landlord required or permitted by any provisions of this Lease shall be directed to Landlord postage prepaid, certified or registered mail, at 13065 Orono Parkway, Elk River, MN 55330.

All notices from Landlord to Tenant required or permitted by any provision of this Lease shall be directed to Tenant, postage prepaid, certified or registered mail, at the Leased Premises and at:

ARTICLE 15 - APPLICABLE LAW

This Lease shall be construed under the laws of the State of Minnesota.

IN WITNESS WHEREOF, this Lease has been duly executed by the parties hereto as of the day and year indicated above.

August Financial Reports

Reviewed by
Lori Stich
Joe Stremcha
Cal Portner
Tina Allard

Action Requested
Information only.

Background/Discussion

This report is designed to provide summary information regarding the overall level of revenues and expenditures in the General Fund, the Multipurpose Facility Special Revenue Fund, and the Enterprise Funds. These funds provide an important picture of the city's financial health.

For the month of August, actual revenues (excluding property taxes and transfers in) and expenditures should run about 67% of the annual budget. It is natural for some of the items to vary from month to month, such as exceeding budget for Supplies but being below budget for Services. This is not considered serious as long as the total expenditure budget amount is not overspent. Significant variances from budget are highlighted below accompanied with a general discussion for the variance.

General Fund

Revenues:

- License & permit collections are at about 53% of budget estimates. August collections were primarily building-related permits.
- Charges for services are about 90% of estimates with plan check fees and recreation fees making up the majority of August collections.
- Transfers in consist of ERMU's 4% July monthly electric revenues and the budgeted transfers to the General Fund from HRA and EDA.

Expenditures:

The Elk River Vision

A welcoming community with revolutionary and spirited resourcefulness, exceptional service, and community engagement that encourages and inspires prosperity

- Total departmental expenditures are about 62% of budget and most departments are within or below budget estimates.

Multipurpose facility

Through the end of August, expenditures of \$1,093,974 exceed revenues of \$942,263 by \$151,711. The majority of August collections consist of hockey and skating registrations, ice rent, facility rentals, concessions and naming rights/sponsorships while expenditures are primarily attributable to personal services (including severance payouts), glass replacement in the Cornerstone Arena and utilities.
